wine expert and blogger Tyler Colman, a.k.a. "Dr. Vino." In A Year of Wine, award-winning educator Tyler "Dr. Vino" Colman, whose wine blog was hailed by Food & Wine magazine as "one of the seven best," views winter, spring, summer, and fall through the glass of his favorite impact-resistant stemware, pairing each month with its perfect ports, Pinots, and bubbles -- and offering

good value recommendations for them all. Throughout, Colman reminds readers to try to pair their pours with context, which is wildly underrated when it comes to enjoying your favorite bottle. And while people tend naturally to drink lighter, more refreshing wines during the warm months and heavier, more serious wines during the winter months, Colman takes the seasonal

approach a step further by offering innovative recommendations and enlightening facts that will allow readers to impress their friends for twelve months straight. Is there a perfect wine to serve with chips and salsa on Super Bowl Sunday? Which bottles will help you drown away your tax-day blues without blowing your new budget? Colman answers these questions and much more as he pairs wines

with each season, occasion, and moment. Recommending thoughtful and affordable wines for special celebrations and everyday enjoyment, offering tips on beginning a wine collection or spring cleaning the one you have, exploring how to drink with the smallest possible carbon footprint, and explaining how to maximize your wine experience when you dine out, Colman

makes wine easy to understand and, most important, to savor. Colman also shares the secret gems of his favorite wine tourism destinations -- where to find the best wine shops in Paris, which Portuguese vintners still crush grapes with their bare feet, and how you can take a ten-tasting-room tour with one stop in a tiny Oregon town -- and turns to some of the country's top sommeliers for their take

on wine appreciation as well. Perfect for both seasoned wine enthusiasts and oenophobes, *A Year of Wine* is an innovative approach that will encourage readers to drink outside the bottle. *A Real Guide from Real Experts on Getting the Job You Want!* Whitecap Books This is a great little book that every wine lover will enjoy dipping into. It contains simple one

page lessons highlighting individual aspects of wine appreciation, from the correct temperatures to store & serve wine to the history of Sparkling Shiraz. Each lesson also has a description of three readily available wines that best illustrate the topic. The book also contains a guide to the wine regions of Australia. The book is fully illustrated throughout with a picture

of every wine reviewed. Whilst aimed at a beginner to medium level wine lover the broad nature of the topics it covers will have something of interest to the connoisseur as well. *Overstreet's New Wine Guide* Createspace Independent Publishing Platform The compelling tale of Rima, a strange, birdlike girl of the jungle, and Abel, the European explorer who falls in love

with her. Richly colored narrative, steeped in mystery and romance. **Celebrating the New Wave in Winemaking** CreateSpace No one can describe a wine like Karen MacNeil. Comprehensive, entertaining, authoritative, and endlessly interesting, *The Wine Bible* is a lively course from an expert teacher, grounding the reader deeply in the fundamentals

—vine-yards and varietals, climate and terroir, the nine attributes of a wine’s greatness—while layering on tips, informative asides, anecdotes, definitions, photographs, maps, labels, and recommended bottles. Discover how to taste with focus and build a wine-tasting memory. The reason behind Champagne’s bubbles. Italy, the place the ancient Greeks called the land of wine. An oak

barrel’s effect on flavor. Sherry, the world’s most misunderstood and underappreciated wine. How to match wine with food—and mood. Plus everything else you need to know to buy, store, serve, and enjoy the world’s most captivating beverage. *A Black Sheep's Guide to Life-Changing Wines* Workman Publishing Does the Bible authorize drinking wine? What is the

Bible's position about drinking alcohol? This book explores and explains the information found in the Bible about drinking.

A South of France Experience

Hachette Books
Imagine what it would be like to go back in time to the 15th century Venice. And imagine what it would be like to meet your lifelong hero, Michelangelo. And imagine what it would be like if, on first meeting,

you spill a tray of pasta and wine on that very same hero. Well, that's what happens to serious young artist Mark Breen. As the result of a drunken bet, Mark knocks out a painting of a toilet bowl. Much to his amazement, he sells it. In short order he's hailed as the new Andy Warhol and becomes an overnight sensation-and a very wealthy man. Soon, images of his toilet bowls are on more t-shirts, mugs,

and calendars than Edvard Munch's The Scream. His friend and mentor, Hugh Connelly, afraid that Mark is in danger of losing his "artistic soul," advises him to go back to Italy and acquaint himself with the "old masters." In Venice, Mark falls in love with Alexandra, a beautiful art restorer, but it's a one-sided affair. One night, hoping to win her over, he climbs up on a roof to find

out who painted her favorite fresco. He falls off the roof and wakes up in 15th century Venice where he meets an innkeeper named Francesca, who looks exactly like Alexandra. And it gets curiouser and curiouser from there. During his stay-which is sometimes zany and sometimes frightening-he meet his hero, Michelangelo, who teaches him the true meaning of art. California Press Wine has a history far larger than that of any mere beverage. Present at the earliest recorded points of human history, it has been heralded as the height of sophistication or the depths of debauchery, a precious part of religious ritual or a free-flowing social lubricant. This new edition explores the tourism and terroir driven global

industry of today and reaches as far back as Ancient Greece and Rome. On the way it stops at significant points of wine history including the birth of Champagne, Venice in the 17th century, trade in the Middle Ages, and more. Celebratory and thorough, A Short History of Wine never lets the scale of history-- wars, fraud, blight, colonization, Prohibition-- get in the way of a good

story or notable bottle. A Very Good Year Createspace Independent Publishing Platform Discover how to navigate a wine shop ; choose from a restaurant wine list; judge a wine by its label; appreciate wines from different regions, determine the best wine. *How Governments, Environmental ists, Mobsters, and Critics Influence the Wines We Drink* Ten Speed Press There are

nearly 1,400 known varieties of wine grapes in the world—from altesse to zierfandler—but 80 percent of the wine we drink is made from only 20 grapes. In *Godforsaken Grapes*, Jason Wilson looks at how that came to be and embarks on a journey to discover what we miss. Stemming from his own growing obsession, Wilson moves far beyond the “noble grapes,” hunting down obscure and

underappreciated wines from Switzerland, Austria, Portugal, France, Italy, the United States, and beyond. In the process, he looks at why these wines fell out of favor (or never gained it in the first place), what it means to be obscure, and how geopolitics, economics, and fashion have changed what we drink. A combination of travel memoir and epicurean adventure, *Godforsaken*

Grapes is an entertaining love letter to wine. *Does God Drink Wine* Abrams Offers critique and analysis of vintage wines from around the world, spanning three centuries, also provides definitions of wine terms and practices. **You Had Me at Pet-Nat** Clarkson Potter Jamaican meals and beverages are well known and respected worldwide.
