The Temple of the Twelve Black Knight Books
 The Ogre faces not just the undead, but also the demonic powers that control and drive them to feed on human flesh.
Art Across Time McGraw-Hill Humanities, Social Sciences & World Languages
 Choose a colored pencil, pen, or marker and start coloring the kaleidoscope patterns of these unique ice crystal snowflakes! These 25 original designs are detailed and somewhat complex, drawn with fine lines, and each has its own unique look and feel. These aren't your common white snowflakes - they want COLOR! Each design was hand-drawn with a stylus and a drawing tablet, and was inspired by creative impulses and a love of

snowflakes and winter. Some designs are large, single snowflakes, others are patterns or interesting groupings, and they are all printed one-sided. Coloring is fun no matter what your age. It's also a wonderful way to relax and release stress. You can color these snowflakes anytime - over the winter holidays, or in the middle of summer when the weather is too hot!

 Book Description: 30,000 years of art -- one engaging guide. Can't tell a Manet from a Monet? Not sure why you should want to? Let scholar and author Laurie Adams introduce you to the story behind the history of art. Based on her art survey textbook of the same name, this edition of *Art Across Time* serves as an entertaining and readable introduction to the history of art. Providing biographical notes and historical context, Adams has created a vivid narrative. Each illustration has been carefully reviewed for color accuracy, and the large percentage of full-page reproductions presents a rare opportunity for readers to examine details of brushwork and texture that are lost in smaller images. All in all, this colorful book is an ideal gift that will compliment any

library and interest any reader.

If movies and books like *Belle*, *Twelve Years a Slave*, *The Butler*, *The Help*, *A Time to Kill*, and *Amistad* have moved you, you'll love *A Complicated Legacy*, a novel by Baltimore writer Robert H. Stucky based on the true story of Elijah Willis, a white South Carolina planter, and Amy- the love of his life, the mother of his children, and his slave. Taking place in the

decade leading up to the Civil War, it is written with a cinematic eye for atmosphere and setting, a linguist's ear for dialogue, and a historian's grasp of the powerful social forces and momentous events of the time. It is a riveting tale of personal transformation in facing the tide of sweeping social change. Elijah Willis fought family opposition, public opinion, and the law to free his family of choice and leave them his entire inheritance. In so doing, his and Amy's story becomes a microcosm of the human struggles that made the Civil War and the Abolition of Slavery both necessary and inevitable. Set in rural South Carolina, Baltimore, and Cincinnati, this vivid saga weaves history and humanity in a compelling testimony to the power of relationships to shape our destinies, even a century and a half later. [Park Avenue Prince](#) McGraw-Hill Education From prehistory through the Fourteenth Century, volume one of *Art across Time* presents the most accessible survey of art history available. Unencumbered by global flashbacks and confusing concurrent narratives, *Art across Time* presents a manageable survey that emphasizes art in its cultural and social context.

The Unique Technique CreateSpace This book presents the survival philosophy and self-defense movements that Jim Ingram has compiled in his more than eight decades on this earth. The specific self-defense movements are based in West Java styles of pencak silat and pukulan, but Ingram has added a large amount of knowledge gained from his experiences in the military, under occupation, and on the streets.

[Art across time](#) McGraw-Hill Education *Art across Time* combines sound scholarship, lavish visuals, and a lively narrative to provide students with a comprehensive, accessible, and engaging introduction to Art History. Popular with majors and non-majors alike, the text offers readers more than a chronology of art by placing each work within the time-and-place context within which it was created. Encountering and interpreting a work of art in context offers the reader the richest possible experience of it. Large scale and high quality visual reproductions of artworks are often presented from multiple perspectives to enhance visual appeal and allow students to view details and elements of composition with greater ease. A thoughtful pedagogical approach helps students consider what they are viewing.

[Chill the F*ck Out](#) Davis Publications Inspired by the lettering community and the beauty of floral illustrations, I found a passion in combining both to create

something fun for people to color. Have fun coloring the alphabet that I illustrated with beautiful flowers. This coloring book has all 26 letters distinctly illustrated with floral designs. From kids to adults, this coloring book is fun for everyone.

I am an optometrist. I owned a very traditional medical, white coat practice in Pittsburgh, Pennsylvania near the University of Pittsburgh for 10 years. I became bored and uninspired in this vanilla business environment and sterile space. Feeling restless, I sold my practice and began the search for a new place to start a fresh concept in optometry. I found Frederick, Maryland, which is a historic, walkable little city that tops the triangle with DC and Baltimore. I relocated to a new town, in a new state with a brand new

practice - Unique Optique. I was an outsider and a transplant, trying to win Frederick's trust and convince the residents of this town to come to my practice to spend money on high-end glasses. To accomplish this feat, I decided that I needed to show our authenticity, exude genuine sincerity, and smile through adversity. I embraced my flaws; I was vulnerable and real. I used social media, in-house events and the decor of the office to display the business's personality. People instantly related to the practice. They saw that I was not perfect, but I was earnest and that I truly cared. I was proud of my venture. Unique Optique's reviews were stellar and real. The practice grew steadily and by the end of the first year, I was recognized as the Start Up Entrepreneur of Frederick County. Soon, I had requests from business owners and entrepreneurs to come and visit the practice and discuss our unique image strategies. People wanted this quality for their own businesses. I realized that I had helpful and valuable information and put my techniques down on paper. While developing my brand and marketing my business, I have made mistakes, learned from them, and attempted to fix them. I have worked through adversity and difficulties. In the end, I cultivated a brand to which people could relate. This is my experience. I hope it helps you find your Unique Technique."

THE PRINCE OF PARK AVENUE FINALLY MEETS HIS MATCH IN A FEISTY MANHATTAN PRINCESS. I've made every one of my billions of dollars myself--I'm calculating, astute and the best at what I do. It takes drive and dedication to build what I have. And it leaves no time for love or girlfriends or relationships. But don't get me wrong, I'm not a monk. I understand the attention and focus it takes to seduce a beautiful woman. They're the same skills I use to close business deals. But one night is where it begins and ends. I'm not the guy who sends flowers. I'm not the guy who calls the next day. Or so I thought before an impatient, smart-talking, beyond beautiful heiress bursts into my world. When Grace Astor rolls her eyes at me--I want to hold her against me and show her what she's been missing. When she makes a joke at my expense--I want to silence her sassy mouth with my tongue. And when she leaves straight after we f*ck with barely a goodbye--it makes me want to pin her down and remind her of the three orgasms she just had. She might be a princess but I'm going to show her who rules in this Park Avenue bedroom. A sexy, stand-alone, contemporary romance.
