Craft  
Christmas stockings,  
ornaments, and more --  
this is every crocheter's  
must-have holiday project  
book! Beginners will love

Edie Eckman's useful  
technique tutorial, and  
experienced crafters will  
want to jump right in and  
start one of these 20  
exciting projects. The

book includes eight different stockings, festive ornaments for trees and tabletops, a tree skirt, and other decorations for the home. Each pattern includes a symbol chart and is labeled with the skill level required to complete it, so crocheters of all levels can pick the perfect project for their own holiday season.

The Art of Knotting and Splicing Stash Books

As Lucy Muchelney watches her ex-lover's sham of a wedding, she wishes herself anywhere else. It isn't until she finds

a letter from the Countess of Moth, looking for someone to translate a groundbreaking French astronomy text, that she knows where to go.

Showing up at the Countess' London home, she hoped to find a challenge, not a woman who takes her breath away. Catherine St Day looks forward to a quiet widowhood once her late husband's scientific legacy is fulfilled. She expected to hand off the translation and wash her hands of the project—instead, she is

intrigued by the young woman who turns up at her door, begging to be allowed to do the work, and she agrees to let Lucy stay. But as Catherine finds herself longing for Lucy, everything she believes about herself and her life is tested. While Lucy spends her days interpreting the complicated French text, she spends her nights falling in love with the alluring Catherine. But sabotage and old wounds threaten to sever the threads that bind them. Can Lucy and Catherine

find the strength to stay together or are they doomed to be star-crossed lovers?  
Bobbin Lace HarperCollins Scoubidou is plastic cord that is round, hollow and much more co-operative than yesterday's lanyard. This revamped edition comes with enough scoubidou to make every project in the book, from keychains to bracelets and more!

**Paint by Sticker: Travel**  
 Createspace Independent Publishing Platform  
 Paint by Sticker: Travel celebrates a time when

elegant posters, in an Art Deco style, beckoned visitors to faraway romantic places—from Venice, with its canals and gondolas, to Cairo, gateway to the pyramids—all through the absorbing activity of painting by sticker. Paint by Sticker is a compelling new activity for crafters and artists, doodlers and coloring book enthusiasts of all ages. As in paint-by-number, each template is divided into dozens of spaces, each with a number that corresponds to a particular sticker.

Find the sticker, peel it, place it. And then the next, and the next, and the next, until your “poster” comes to life. Paint by Sticker: Travel includes everything you need to create twelve vibrant, nostalgic travel posters—the stickers, the templates, the intuitive directions. The works include Moscow, home of St. Basil’s Cathedral and its candy-colored onion domes. India and the Taj Mahal, crown jewel in a world of fascinating destinations. Bermuda. Monaco. Japan and its

cherry blossoms and pagodas. Bon voyage!

**The Complete Book of Sailing Knots** Workman Publishing

A young girl spends a glorious fall day picking apples and searching for the perfect pumpkin in this refreshed classic with audio. "When red and yellow leaves are on the trees," a little girl goes with her parents to a farm where they pick apples and choose "the best pumpkin of them all." Back home, she helps to carve a grinning jack-o'-lantern face on the big

orange pumpkin, which guards their doorstep on halloween night while her mother hands out shiny red apples and she and her father go trick-or-treating with the neighborhood ghosts and goblins. Bold, autumn-colored paintings and a simple but lively story capture a little girl's joy and satisfaction as she shares in the excitement of the fall season.

**50 Ways to Wear a Scarf** Simon and Schuster

A peace-loving senator faces a time of war in another thrilling Padmé

Amidala adventure from the author of the New York Times best-sellers *Queen's Peril* and *Queen's Shadow!* Padmé is adjusting to being a wartime senator during the Clone Wars. Her secret husband, Anakin Skywalker, is off fighting the war, and excels at being a wartime Jedi. In contrast, when Padmé gets the opportunity to see the casualties on the war-torn front lines, she is horrified. The stakes have never been higher for the galaxy, or for the newly-married couple.

Meanwhile, with Padmé on a secret mission, her handmaiden Sabé steps into the role of Senator Amidala, something no handmaiden has done for an extended period of time. While in the Senate, Sabé is equally horrified by the machinations that happen there. She comes face to face with a gut-wrenching decision as she realizes that she cannot fight a war this way, not even for Padmé. And Chancellor Palpatine hovers over it all, manipulating the players to his own ends...

"Knowledge of marlinpike seamanship is what distinguishes the true seaman from the man who merely ventures upon the water. No one

can become a skipper, or should aspire to that distinction, who has not mastered knots, palm and needle work, and the making of small objects on board as necessary. In fact the few required knots, hitches or bends should be so well known that they can be tied blindfolded or in the dark....The greatest single value of this work is the amazing clarity he achieves in his drawings. He has set a new standard for all time. Rope is a difficult subject to draw. Like the sea

itself, it changes its appearance constantly"-

**The Yellow Strand**

Hachette UK

This handbook serves as a

practical guide for all phases of knot techniques--both practical and decorative in purpose. Much more than a reference work, the handbook leads the interested reader to the mastery of an artistic and absorbing hobby. Common types of work knots, such as hitches, sheepshanks, and bowlines are demonstrated along with a good explanation of blocks and tackle. There are sections on sennet braiding, ornamental designs, lashings,

securing hawsers, boatswain's chair, hammock making, and various ties which provide an excellent foundation for understanding and executing general knot work and weaving. The detailed illustrations and clearly written text in this small book make knot tying easy for the beginner. More than 400 knots for all types of outdoor activities, crafts, trades, hobbies, and handicrafts are indexed by name and use, and illustrated

**Good Girls Marry Doctors** IMM Lifestyle Books  
 This anthology examines the multiple facets of daughterhood in South Asian American families. The voices in this volume reveal how a Good Girl is trained to seamlessly

blend professional success with the maintenance and reproduction of her family's cultural heritage. Her gratitude for her immigrant parents' sacrifices creates intense pressure to perform and embody the role of the "perfect daughter." Yet, the demand for such perfection can stifle desire, curb curiosity, and make it fraught for a Good Girl to construct her own identity in the face of stern parental opinion. Of course, this is not always the case. Certain stories

in this collection uncover relationships between parents and daughters that are open and supportive while also being exacting. Many of the essays, however, dig into difficult truths about what it is to be a young woman in a world of overbearing cultural expectation. *Good Girls Marry Doctors* is filled with honest stories, difficult and joyous, heartbreaking and hilarious, from a diverse array of powerful women. These narratives combine to expose struggles that

are too often hidden from the public eye, while reminding those going through similar experiences that they are heard, and they are not alone--Publisher's description.

Sheridan House, Inc.  
Weave\*Knit\*Wear dispels the myth that you need expensive equipment, a large space, or special threads to weave. The directions for all 30 projects, from the narrowest boa to a 55" wide serape, are tailored

to the most basic equipment--the 20" wide rigid-heddle loom--making it affordable, portable, and intimate. Judith Shangold's designs turn what might seem to be the limitations of this loom into a strength. She pairs simple shapes that reflect the ease of current fashion, and require little cutting and sewing, with the long tradition of ethnic garments created from narrow strips of handwoven fabric. The book offers guidance on the basics of weaving and the minimal hand sewing

and knitting techniques used, as well as primers on choosing yarns, designing warps, planning garments, finishing the fabric, making Weave\*Knit\*Wear a resource that aids in planning and constructing one-of-a-kind woven or woven-and-knit projects. Spot What Travel Edition Hamlyn The award-winning textile artist presents her modern approach to 150 fabric manipulation techniques in this fully illustrated sewing guide. In Fabric Manipulation,
