Pursuing the spirit of adventure and an altruistic goal of raising global awareness and funds for breast cancer, Polly Letofsky broke down barriers and walked across four continents, 22 countries, and covered over 14,000 miles in five years to be the first American woman to successfully walk around the world.

How I Learned to Hate in Ohio Createspace Independent Publishing Platform

This carefully crafted ebook: "Winesburg, Ohio (A Group of Tales of Ohio Small-Town Life)" is formatted for your eReader with a functional and detailed table of contents. This ebook is a series of loosely linked short stories set in the fictional town of Winesburg, mostly written from late 1915 to early 1916. The stories are held together by George Willard, a resident to whom the community confide their personal stories and struggles. The townspeople are withdrawn and emotionally repressed and attempt in telling their stories to gain some sense of meaning and dignity in an otherwise desperate life. The work has received high critical acclaim and is considered one of the great American works of the 20th century. Sherwood Anderson (1876 - 1941) was an American novelist and short story writer, known for subjective and self-revealing works. Anderson published several short story collections, novels, memoirs, books of essays, and a book of poetry. He may be most influential for his effect on the next generation of young writers, as he inspired William Faulkner, Ernest Hemingway, John Steinbeck, and Thomas Wolfe.

Maía is a Maltipoo puppy who spends a lot of time with her PaPa and Grandma in Ohio while her Mommy travels around the country for her work. Grandma and Maía have a very special relationship and Maía can turn her grouchy PaPa into an old softie with one special hug and cuddle. The furry little bundle of joy keeps herself busy playing tug of war with her toys, drinking water from the bathroom faucet and shredding tissues into little pieces. Now with Grandma's help, Maía writes emails to her Mommy in Florida telling of her many adventures that include a talking frog, dandelion magic, singing doggies, a hungry chair, a funny bunny, her pug cousins and so much more! In this animal tale for all ages, Maía describes her surprising adventures in Ohio as she discovers all kinds of fun and mischief on her many visits with PaPa and Grandma.

Tra-la-laaa! Dav Pilkey -- ahem -- we mean, George and Harold, the authors of SUPER DIAPER BABY, are back with their second epic novel! Meet Ook and Gluk, the stars of this sensationally silly graphic novel from the creators of Captain Underpants! It's 500,001 BC, and Ook and Gluk's hometown of Caveland, Ohio, is under attack by an evil corporation from the future. When Ook, Gluk, and their little dinosaur pal Lily are pulled through a time portal to 2222, they discover a future world that's even more

devastated than their own. Luckily, they find a friend in Master Wong, a martial arts instructor who trains them in the ways of kung fu. Now all they have to do is travel back in time 502,223 years and save the day!

I Love Ohio (an ABC Adventure) Gibbs Smith Publishers
Beautifully crafted, high quality, sewn, 4 color guidebook. Part of a multiple book series of books on travel through America's beautiful and historic backcountry. Directions and maps to 2,970 miles of routes that travel through the beautiful mountain regions of Big Sur, across the arid Mojave Desert, and straight into the heart of the aptly named Death Valley. Trail history comes alive through the accounts of Spanish Missionaries; eager prospectors looking to cash in during California's gold rush; and legends of lost mines. Includes wildlife information and photographs to help readers identify the great variety of native birds, plants, and animal they are likely to see. Contains 153 trails, 640 pages, and 645 photos.

The Personal Narrative of James O. Pattie, of Kentucky Adventure Publications

A brilliant, hilarious, and ultimately devastating debut novel about how racial discord grows in America In late-1980s rural Ohio, bright but mostly friendless Barry Nadler begins his freshman year of high school with the goal of going unnoticed as much as possible. But his world is upended by the arrival of Gurbaksh, Gary for short, a Sikh teenager who moves to his small town and instantly befriends Barry and, in Gatsby-esque fashion, pulls him into a series of increasingly unlikely adventures. As their friendship deepens, Barry's world begins to unravel, and his classmates and neighbors react to the presence of a family so different from theirs. Through darkly comic and biting intelligent asides and wry observations, Barry reveals how the seeds of xenophobia and racism find fertile soil in this insular community, and in an easy, graceless, unintentional slide, tragedy unfolds. How I Learned to Hate in Ohio shines an uncomfortable light on the roots of white middle-American discontent and the beginnings of the current cultural war. It is at once bracingly funny, dark, and surprisingly moving, an undeniably resonant debut novel for our divided world.

"I hope Kentucky stays neutral because I truly don't know what side to take." At the beginning of the Civil War, Kentucky hasn't sided with the North or the South, but it seems that in Branson Mills everyone has taken sides ... except for Joseph Byers. He knows that slavery is wrong--he sees firsthand how his friend Hannah is mistreated because of the color of her skin. Yet at the same time he recognizes how much trouble speaking out against slavery can cause. His stepfather's abolitionist actions have put the whole family in danger of the vigilante violence that is sweeping the town. Although Joseph admires his stepfather's bravery, he is afraid to stand up for what he has come to believe. But when the violence escalates, he is forced to take action. In this gripping adventure, Joseph reaches for his own courage to try to save the lives of the people he cares about.

The Bluest Eye Andersen Press

The publishing company has asked me why I wanted to write this book. It is really quite simple. One, I love little children! I love to watch them absorb new lessons and then think about them and apply them as they grow. Secondly, I absolutely love Christmas! I

love what it stands for and all the happiness it generates. There's an old saying that goes Life has a way of getting in the way. That is so true. I have wanted to write this book since I was about twenty. I am now sixty-six! First, you go to work, then you get married, and then children come along. Of course, we had our share of furry and feathered children. At last count, I have had sixteen dogs, three cats, and eight birds. Oh, yes, and then there was Wiggles, our rabbit. Did I mention that I also have two sons and two beautiful granddaughters? They are all of the human variety of course. But Eddie was always in the back of my mind. It's strange that he would usually pop up in the summer of all times! I think it was because we used to have a big garden and Mother Nature was always good to us. We would give our neighbors some of our bounty of tomatoes, peppers, and garlic. That, in a way, was like Christmas because it was like giving them presents. Instead of Eddie, we were the elves for Mother Nature, and she was Santa. There are so many marvelous things in the world, Christmas being one of my favorites. I hope that, when you read my book, you will learn a lot more about where the elves and Santa live. It really is a beautifully happy and busy place. Happy reading and imagining!

Deep Dive Xlibris Corporation

Powerful currents of religious revival and political and social reform swept nineteenth-century America. Many people expressed their radical religious and social ideals by creating or joining self-contained utopian communities. These utopianists challenged the existing social and economic order with alternative notions about religion, marriage, family, sexuality, property ownership, and wage labor. Between 1787 and 1919, approximately 270 utopian communities existed in the United States. Due to its unique location on the young nation's frontier, the state of Ohio was the site of much of this activity. Creating a Perfect World examines Ohio's utopian movements, both religious and secular. These include the United Society of Believers in Christ's Second Coming, or Shakers; the Society of Separatists at

Zoar; the Mormons, who stopped in the state for several years on their way west; and several societies based on the philosophies of European social reformers Robert Owen and Charles Fourier. In this detailed account of a unique and fascinating chapter in Ohio's history, Catherine M. Rokicky profiles these communities and explores their ideals, how and why they were established, their leaders, and their members' reasons for joining and sometimes leaving. She also examines the roles men and women played, their approaches to communal living and community property, their economic activities, their relations with surrounding communities and the state, and the various reasons for their success or failure.
