Focusing on relevant international business situations, the course has been structured to provide students with a thorough preparation

for the Business English Certificates (BEC). PASS Cambridge BEC Higher Cambridge University Press This volume documents international, national, and small-scale testing and assessment projects of English language education for young learners, across a range of educational contexts. It covers three main areas: age-appropriate 'can do

statements' and task types for teaching and testing learners between the ages of 6 to 13; innovative approaches to self-assessment, diagnostic testing, self-perception, and computer-based testing; and findings on how young learners perform on vocabulary, listening, speaking, pronunciation, and reading comprehension tests in European and Asian contexts. Early language

learning has become a major trend in English language education around the globe. As a result of the spread of teaching English to a growing number of young children, assessment of and for learning have emerged as key issues. In line with this development, there is a clear and emerging need to make early language programs accountable and to assess

both the progress children make over time and to quantify their achievement at various stages of development. This volume informs stakeholders about the realistic goals of early language learning, their efficiency, and how much progress children make over time.

Cambridge BEC Higher 1 Cambridge English This volume reports research that informs the development of reading and listening assessment in IELTS. This volume brings together a set of eight IELTS-related research

studies - four on reading and four on listening - conducted between 2005 and 2010. Findings from these studies provide valuable evidence on the validity, reliability, impact and practicality of the IELTS test; they are also instrumental in highlighting aspects needing attention, and thus directly inform the continuing evolution of the IELTS reading and listening tests. The volume reviews and

comments on the specific contribution of each study to the ongoing process of IELTS reading and listening test design and development.

The main  
focus of this  
volume is test  
development  
and  
accreditation  
requirements  
and needs.

One of the  
major  
objectives  
here is to  
show the key  
aspects of the  
application of  
assessment in  
higher  
education and  
the systems of  
accreditation.

Thanks to its  
unique  
perspective, it  
offers a  
different  
approach on  
various  
aspects of

second  
language  
assessment.  
As universities  
are one of the  
best arenas  
for the  
analysis of  
language  
testing, the  
book  
thoroughly  
prepares  
higher  
education  
teachers to  
apply pilot  
studies and  
shows  
students'  
responses to  
new testing  
techniques  
and  
accreditation  
requirements.  
It offers an  
enlightening  
guide for  
scholars with  
an academic  
interest in

acquiring the  
basic  
principles of  
language  
testing and  
accreditation,  
providing real  
cases of how  
new ways of  
testing and  
accreditation  
can be useful  
to second  
language  
teachers and  
students.  
Readers will  
not only come  
to understand  
how to use  
new testing  
strategies, but  
also have the  
opportunity to  
see that the  
proposals  
described in  
each chapter  
may be useful  
to language  
assessment  
and

motivation of students. <u>Examination Papers from University of Cambridge ESOL Examinations. Intermediate to Advanced</u> Ernst Klett Sprachen Business Benchmark helps students get ahead with their Business English	vocabulary and skills and gives them grammar practice in business contexts. Teachers can choose from the BEC edition or the BULATS edition at the right level for their students. The Audio CDs contain all the recorded material for	the listening activities in both editions of Business Benchmark Pre-intermediate, Intermediate, including BULATS practice test listening. Student's Books, Self-study Books and Teacher's Resource Books are also available.
