<http://oaktrust.library.tamu.edu/handle/1969.1/86080> The black sun, an ages-old image of the darkness in individual lives and in life itself, has not been treated hospitably in the modern world. Modern psychology has seen darkness primarily as a negative force, something to move through and beyond, but it actually has an intrinsic importance to the human psyche. In this book, Jungian analyst Stanton Marlan reexamines the paradoxical image of the black sun and the meaning of darkness in Western culture. In the image of the black sun, Marlan finds the hint of a darkness that

shines. He draws upon his clinical experiences—and on a wide range of literature and art, including Goethe's Faust, Dante's Inferno, the black art of Rothko and Reinhardt—to explore the influence of light and shadow on the fundamental structures of modern thought as well as the contemporary practice of analysis. He shows that the black sun accompanies not only the most negative of psychic experiences but also the most sublime, resonating with the mystical experience of negative theology, the Kabbalah, the Buddhist notions of the void, and the black light of the Sufi Mystics. An important contribution to the understanding of alchemical psychology, this book draws on a postmodern sensibility to develop an original understanding of the black sun. It offers insight into modernity, the act of imagination, and the work of analysis in understanding depression, trauma, and transformation of the soul. Marlan's original reflections help us to explore the unknown darkness conventionally called the Self. Netflix's series adaptation of One Hundred Years of Solitude premieres December 11, 2024! One of the twentieth century's enduring works, One Hundred Years of Solitude is a widely beloved and acclaimed novel known throughout the world and the ultimate achievement in a Nobel Prize-winning career. The novel tells the story of the rise and fall of the mythical town of Macondo through the history of the Buendía family. Rich and brilliant, it is a chronicle of life, death, and the tragicomedy of humankind. In the beautiful, ridiculous, and tawdry story of the Buendía family, one sees all of humanity, just as in the history, myths, growth, and decay of Macondo, one sees all of Latin America. Love and lust, war and revolution, riches and poverty, youth and senility, the variety of life, the endlessness of death, the search for peace and truth—these universal themes dominate the novel. Alternately reverential and comical, One Hundred Years of Solitude weaves the political, personal, and spiritual to bring a new consciousness to storytelling. Translated into dozens of languages, this stunning work is no less than an account of the history of the human race.

"I got to see her triumph and fall apart. I wept and cheered for her. She was so beautiful and so strong, so weak and hurting, all swept together and intertwined." ~ from an included prose piece titled, My Life Story in Music.\r\n\r\nThese are poems from my idyllic youth, my rebellion, my wild abandon, up to my rescue, redemption, and rebirth as a functioning member of society, and a grown woman with a family of my own. In my early days, I wrote about pain, which was easy. The harder thing was to learn to write about all the joy and adventure of being happy and loved. \r\n\r\nIt wasn't until later in life that I found my community of artists and really learned to tell the tales from all the angles. I am indebted to the Fresno Rogue Festival, in California, where I first read for an audience and fell in love with receiving a standing ovation. Also, I owe a huge debt of gratitude to the Rogue Poetry Slam in Southern Oregon, where I learned to do competitive poetry and bring my best, and bring the poetry that I was afraid to share, that made my hands tremble and my voice quake, to sit in awe of the skill of other poets, and sometimes take home the money and win, even with the odds stacked against me, as other poets made the room jump and dance to their words. Oh, sweet victory! \r\n\r\n\r\nIf you have ever loved another, been passionate about anything, mourned a loss, been a parent, heck, been alive - this poet will move you! Her rhythmic words pulse with the beat that promises (like it or not) the continuum of LIFE.\r\n\r\n~ Patti Thornton, in her review of Liesl Garner's 2008 Rogue Festival Poetry Show\r\n\r\n\r\n
