Report on ANSI/API RP 754 Process Safety Performance ... Ansi Api Rp 754  
 ProcessChair API RP-754 Drafting  
 Committee •Welcome and thank you for  
 joining us for the first in a series of four  
 webinars to discuss the content and  
 implementation of the new ANSI/API  
 Recommended Practice 754, Process  
 Safety Performance Indicators for the  
 Refining and Petrochemical  
 Industries.ANSI / API RP-754 Process  
 Safety Performance Indicators ...In April  
 2010, API published API Recommended  
 Practice (RP) 754, Process Safety  
 Performance Indicators for the Refining  
 and Petrochemical Industries. The purpose  
 of the RP is to leading and lagging  
 indicators in the refining and  
 petrochemical industries for nationwide  
 public reporting, as well as indicators for  
 use at individual facilities, including  
 methods for the development and use of
