Everything's an Argument With Readings, 6th Ed. + Re:writing Plus Access Card Bedford/st Martins

This best-selling combination argument text and thematically organized reader shows students how to analyze all kinds of arguments — not just essays and editorials, but clothes, smartphone apps, ads, and Web site designs — and then how to use what they learn to write their own effective arguments. Newly streamlined, its signature engaging, and jargon-free instruction emphasizes cultural currency, humor, and visual argument. Students love Everything's an Argument because it helps them understand how a world of argument already surrounds them; instructors love it because it helps students construct their own personally meaningful arguments about that world. The print text is now integrated with e-Pages for Everything's an Argument, designed to take advantage of what the Web can do. Also available in a brief version without the reader and as an e-Book.

Streamlined and current, Everything's an Argument helps students understand and analyze the arguments around them and raise their own unique voices in response. Lucid explanations cover the classical rhetoric of the ancient Greeks through the multimodal rhetoric of today, with professional and student models of every type. More important than ever, given today's contentious political climate, a solid foundation in rhetorical listening skills teaches students to communicate effectively and ethically. Thoroughly updated with fresh new models, this edition of Everything's an Argument captures the issues and images that matter to students today. LaunchPad for Everything's an Argument provides unique, book-specific materials for your course, such as brief quizzes to test students' comprehension of

chapter content and of each reading selection. LearningCurve--adaptive, game-like practice--helps students master important argument concepts, including fallacies, claims, and evidence. Also available in a version with a five-chapter thematic reader. *Everything's an Argument 6th Ed. + Writing in Action* Bedford/St. Martin's

"This best-selling combination rhetoric and thematically organized reader shows students how to analyze all kinds of arguments, not just essays and editorials, but clothes, smartphone apps, ads, and Web site designs, and then how to use what they learn to write their own effective arguments.
