Are you a natural psychic and don't know it? Probably. Have you ever thought of somebody, the phone rings, and it's that person? Or perhaps you say something at exactly the same time as a friend says or thinks it. Most people have. This is your natural God-given intuition at work. This book will help you develop and learn how to use your natural ESP to help you in every area of your life. How often do you use your natural ESP? For example, have you ever experienced: *A hunch that pays off? *A dream with useful information? *Unexplained coincidences? Jose Silva's *Everyday ESP*, by Jose Silva Jr. with Ed Bernd Jr., will help you not only learn how to tap into the natural ability of ESP but it will also help you understand hidden information that you can use to make better decisions in all areas of your life. Imagine if you had a guide who actually knew what lies ahead for you, and who could guide you to success, happiness, and fulfillment. In Jose Silva's *Everyday ESP* you will learn how to use your ESP to obtain guidance and help from higher intelligence to help you make better decisions and to fulfill your life's mission.

Learn to use the scientifically researched and proven Silva Dynamic Meditation System to help you in all areas of life: health, relationships, success, making good decisions, and finding your purpose in life. Wouldn't it be nice to have guidance from higher intelligence as to how to achieve all this? For the first time in any of the many books released by Jose Silva, this book will contain a link to free online audio recordings that will speed up the process. The audio recordings include the Silva Centering Exercise, a conditioning cycle that Jose Silva invested 22 years of scientific research to develop. In just a few hours you can be functioning at the powerful alpha brain wave level. In addition to the resources in the book and on the audio recordings, you can call on a network of Silva UltraMind ESP Systems Instructors throughout the world to help you. Forget hustling. This book, from the author of *The Code of the Extraordinary Mind*, will disrupt your deeply held beliefs about work, success, and, indeed, life. If you're the average person in the developed world, you spend 70 percent of your waking hours at work. And if you're the average person, you're miserable for most of those hours. This is simply not an acceptable state of affairs for your one shot at life. No matter your station, you possess incredible unique powers. It's a modern myth that hard work and hustle are the paths to success. Inside you is a soul. And once you unleash it fully into the domain of work, magic happens.

Awakening the Buddha and the Badass inside you is a process that will disrupt the way you work altogether. You'll gain access to tools that bend the very rules of reality. • The Buddha is the archetype of the spiritual master. The person who can live in this world but also move with an ease, grace, and flow that comes from inner awareness and alignment. • The Badass is the archetype of the changemaker. This is the person who is out there creating change, building, coding, writing, inventing, leading. The badass represents the benevolent disruptor—the person challenging the norms so we can be better as a species. Once you integrate the skill sets of both archetypes, you will experience life at a different level from most people. You will operate from a space of bliss, ease, inspiration, and abundance. The Buddha and the Badass: *The Secret Spiritual Art of Succeeding at Work* will show you how. Author of the New York Times bestseller *The Code of the Extraordinary Mind* and founder of Mindvalley, Vishen Lakhiani has

turned his own life and company into his research lab. He's codified everything he's learned into the how-to steps in this book. The Buddha and the Badass teaches you how to master your work and your life.

Summary of José Silva's Silva Mind Control Method H J Kramer

Pathways to Personal Freedom using the Silva Method is a compilation of fifty ideas to help uncover the ways of inner bliss that lay dormant within each of us. Happiness and Personal Freedom are concepts that most of us have taken for granted. Society teaches us to please others; look for approval and acceptance from others; check in with those who "know better" than we do; allow our negative thoughts to overtake our actions, our way of life and even health. Each Pathway starts with a quote to encourage thinking and inspiration to bring about a spark of insight that is already known but may have been forgotten along the way. What follows are suggestions and examples from the authors' lives and experiences as to how to achieve bliss and inner harmony. Each will end with an affirmation to be recited in the present time to instill the ideas as if they are already in place and to help enhance this new way of thinking. Some of these ideas may be new and even foreign—but they have stood the test of time and used by many throughout the world. Jose Silva, Sr. was a pioneer in the study and application of mind control. His youngest daughter, Diana Silva-Mendez and coauthor, Robert Deutchman have put together this labor of love for the benefit of Silva Method enthusiasts, trainers, Silva graduates, and to all who seek to tap into their inner wisdom.
