Pterodactyl Show and Tell Wiggles

"What does Dudley do all day while we're away?" Sam wonders. Mom explains that Dudley does ordinary dog things: he eats, naps, guards the house, and plays. But in Sam's mind, Dudley's day at home is anything but ordinary. Delightful digital paintings depict the human activities Sam

imagines Dudley is doing - which don't quite match Mom's explanations. Dudley's Day at Home is a funny, fetching picture book that uses minimal text and maximal visual storytelling to share a day in a dog's life.
