The Land of Little Rain Perfection Learning

What's the secret to being indispensable—a true go-to person—in today's workplace? With new technology, constant change and uncertainty, and far-flung virtual teams, getting things done at work is tougher and more complex than ever. We're in the midst of a collaboration revolution, working with everyone, all the time, across silos and platforms. But sometimes it feels like we're stuck in a no-win cycle—dealing with an overwhelming influx of asks, with unclear lines of communication and authority. Overcommitment syndrome looms larger than ever before. But even amid the seeming chaos, there's always that indispensable go-to person who thrives on their many working relationships with people all over the organization chart. How do they do it? Go-to people consistently make themselves valuable to others, maintain a positive attitude of service, are creative and tenacious, and take personal responsibility for getting the right things done. In this game-changing yet practical book, talent guru and bestselling author Bruce Tulgan reveals the secrets of the go-to person in our new world of work. Based on an intensive study of people at all levels, in all kinds of organizations, Tulgan shows how go-to people think and behave differently, building up their influence with others—not by trying to do everything for everybody but by doing the right things at the right times for the right reasons, regardless of whether they

have the formal authority. This book will teach you to: Understand the peculiar mathematics of real influence Lead from wherever you are—up, down, sideways, and diagonal Know when to say "no" or "not yet," and how to say "yes" Keep getting better and better at working together And much more. The Art of Being Indispensable at Work is the new How to Win Friends and Influence People for an era in which the guardrails of traditional management have been pulled away.

The Little Rainmaker Harper Collins #1 NEW YORK TIMES BESTSELLER • “A taut and terrific page-turner” (Entertainment Weekly) from the master of the courtroom thriller “Great fun to read . . . The complex plotting is Grisham’s major accomplishment.”—Los Angeles Times In development as a USA Network series starring John Slattery It’s summer in Memphis. The sweat is sticking to Rudy Baylor’s shirt and creditors are nipping at his heels. Once he had aspirations of breezing through law school and punching his ticket to the good life. Now he doesn’t have a job or a prayer—except for one: an insurance dispute that leaves a family devastated and opens the door for a lawsuit, if Rudy can find a way to file it. By the time Rudy gets to court, a heavyweight corporate defense team is there to meet him. And suddenly he’s in over his head, plunged into a nightmare of lies and legal maneuverings. A case that started small is exploding into a thunderous million-dollar war of nerves, skill, and outright violence—a fight that could cost one young lawyer his life, or turn him into the biggest rainmaker in the land.

Fahrenheit 451 HarperCollins Depicts in fiction the spirit of the past by exploring how the formerly enslaved of Jamaica handle their freedom and arrive

at understandings of issues and processes concerning their settlement and diaspora.

*Rain Challenges of New Organization*  
 "Bruce Tulgan is the new Tom Peters."  
 —Howard Jenkins, chairman and CEO, Publix Super Markets, Inc. Battered by waves of downsizing since the 1980s, talented men and women no longer seek job security from one company. This is the true hallmark of the new economy—not fleeting dot-coms and IPOs, but a fast-moving, free-agent workforce with the flexibility to jolt productivity. Managers, meanwhile, must grab hold of this shifting group of talent and squeeze more work out of them than ever before, particularly in a tight economy. The trouble is, their traditional source of power over employees—the corporate ladder—is dead and gone. Using richly detailed, never-before-published accounts, Bruce Tulgan reveals how America's most influential corporations, including Cisco, Dell, Microsoft, General Motors, J.P. Morgan, and J.C. Penney, are replacing obsolete recruitment and retention efforts with breakthrough solutions. "Tulgan's smart, crisp, light-handed prose makes his radical notions sound downright commonsensical," says Fortune magazine. Those radical ideas are the secret weapon of today's most successful, creative managers.

**The Rainmaker** University Press of Colorado

According to Pastor Mark Batterson in his book, *The Circle Maker*, 'Drawing prayer circles around our dreams isn't just a mechanism whereby we accomplish great things for God. It's a mechanism whereby God accomplishes great things in us.' Do you ever sense that there's far more to prayer, and to God's vision for your life, than what you're experiencing?

It's time you learned from the legend of Honi the Circle Maker---a man bold enough to draw a circle in the sand and not budge from inside it until God answered his prayers for his people. What impossibly big dream is God calling you to draw a prayer circle around? In this powerful booklet, excerpted from *THE CIRCLE MAKER*, Batterson helps you uncover your heart's deepest desires and God-given dreams and unleash them through the kind of audacious prayer that God delights to answer.

"Readers who choose the book for the attraction of Navajo code talking and the heat of battle will come away with more than they ever expected to

find."—Booklist, starred review  
Throughout World War II, in the conflict fought against Japan, Navajo code talkers were a crucial part of the U.S. effort, sending messages back and forth in an unbreakable code that used their native language. They braved some of the heaviest fighting of the war, and with their code, they saved countless American lives. Yet their story remained classified for more than twenty years. But now Joseph Bruchac brings their stories to life for young adults through the riveting fictional tale of Ned Begay, a sixteen-year-old Navajo boy who becomes a code talker. His grueling journey is eye-opening and inspiring. This deeply affecting novel honors all of those young men, like Ned, who dared to serve, and it honors the culture and language of the Navajo Indians. An ALA Best Book for Young Adults  
"Nonsensational and accurate, Bruchac's tale is quietly inspiring..."—School Library Journal

NOW A MAJOR MOTION PICTURE FROM FOX 2000 STARRING MILO VENTIMIGLIA, AMANDA SEYFRIED, AND KEVIN COSTNER MEET THE DOG WHO WILL SHOW THE WORLD HOW TO BE HUMAN  
The New York Times bestselling novel from Garth Stein—a heart-wrenching but deeply funny and ultimately uplifting story of family, love, loyalty, and hope—a captivating look at the wonders and absurdities of human life . . . as only a dog could tell it. "Splendid." —People  
"The perfect book for anyone who knows that compassion isn't only for humans, and that the relationship between two souls who are meant for each other never really comes to an end. Every now and then I'm lucky enough to read a novel I can't stop thinking about: this is

one of them." —Jodi Picoult "It's impossible not to love Enzo."

—Minneapolis Star Tribune "This old soul of a dog has much to teach us about being human. I loved this book." —Sara Gruen

Approaching sorcery as highly rational and rooted in significant social and cultural values, *Sorcery in Mesoamerica* examines and reconstructs the original indigenous logic behind it, analyzing manifestations from the Classic Maya to the ethnographic present. While the topic of sorcery and witchcraft in anthropology is well developed in other areas of the world, it has received little academic attention in Mexico and Central America until now. In each chapter, preeminent scholars of ritual and belief ask very different questions about what exactly sorcery is in Mesoamerica. Contributors consider linguistic and visual aspects of sorcery and witchcraft, such as the terminology in Aztec semantics and dictionaries of the Kaqchiquel and K'iche' Maya. Others explore the practice of sorcery and witchcraft, including the incorporation by indigenous sorcerers in the Mexican highlands of European perspectives and practices into their belief system. Contributors also examine specific deities, entities, and phenomena, such as the pantheistic Nahua spirit entities called forth to assist healers and rain makers, the categorization of Classic Maya Wahy ("co-essence") beings, the cult of the Aztec goddess Cihuacoatl, and the recurring relationship between female genitalia and the magical conjuring of a centipede throughout Mesoamerica. Placing the Mesoamerican people in a human context—as engaged in a rational and logical system of

behavior—*Sorcery in Mesoamerica* is the first comprehensive study of the subject and an invaluable resource for students and scholars of Mesoamerican culture and religion. Contributors: Lilián González Chévez, John F. Chuchiak IV, Jeremy D. Coltman, Roberto Martínez González, Oswaldo Chinchilla Mazariegos, Cecelia F. Klein, Timothy J. Knab, John Monaghan, Jesper Nielsen, John M. D. Pohl, Alan R. Sandstrom, Pamela Effrein Sandstrom, David Stuart

"[A] rich, impressive contemporary thriller from [a] two-time Edgar-winner . . . deftly interweaves a complex family history . . . [with a] quest for vengeance." —Publishers Weekly, starred review He would go to hell . . . At the Iron Mountain Home for Boys, there was nothing but time. Time for two

young orphans to learn that life isn't won without a fight. Julian survives only because his older brother, Michael, is fearless and fiercely protective. When a boy is brutally killed, Michael flees the orphanage and takes the blame with him. . . . to keep her safe. For two decades, Michael has been an enforcer in New York's world of organized crime. But the life he's fought to build unravels when he meets Elena, a beautiful innocent who teaches him the meaning and power of love. He wants a fresh start with her, the chance to start a family like the one he and Julian never had. But escape is not that easy. . . . Go to hell, and come back burning! The mob family who gave Michael his second chance is now intent on making him pay for his betrayal. Determined to protect Elena, Michael spirits her back to North Carolina, to the place he was born and the brother he lost so long ago. There, he will encounter deceit and violence

that leads inexorably to the place he's been running from his whole life: Iron House. "A tour de force." —Vince Flynn, #1 New York Times–bestselling author of the Mitch Rapp thrillers "Outstanding." —Associated Press "Hart whips up an intoxicating brew." —Entertainment Weekly "An unforgettable novel from a master of popular fiction." —Booklist, starred review

**Sophie's World** Hachette Books

A rainmaker is someone who brings timely solutions to spiritual problems. He or she does this through "targeted" prayers. In the Bible, people like Hannah, Elijah and even our Lord Jesus were rainmakers. Today, 21st century rainmakers are busy using the principles of scripture to pray for healing, deliverance and prosperity, and bringing joy to the lives thousands all over the world. This book reveals their secrets and shows you how you can manifest your daily divine blessings through prayer.
