You are the hero in this  
epic, illustrated gamebook  
adventure. This thrilling  
gamebook plunges you

into a story with a  
difference - one where the  
hero is YOU. Woken one  
night by a bang at the  
door, you creep to the  
window and see five  
hooded strangers below.  
The leader looks up and  
beckons you down. What  
do you do? The choice is  
yours. Open the door,  
play for time, or escape  
through the window out  
back... From this point

onwards you are in control of an epic adventure, and your survival depends upon the decisions you make. Which way to run? Which battles to fight? And who to trust? As you race across land, sea and sky, the mysteries of your past are revealed, and it becomes clear that it's not just your fate that hangs in the balance - it's the fate of the entire kingdom. Bringing together a sweeping story, beautifully illustrated picture puzzles and an exciting combat

system, this is an adventure that will have you gripped from beginning to end. [Make This Model Town](#)

 Falling in love wasn't part of the plan. Eliza Quan fully expects to be voted the next editor-in-chief of her school paper. She works hard, she respects the facts, and she has the most experience. Len DiMartile is an injured star baseball player who seems to have joined the paper just to have something to do. Naturally, the staff picks Len to be their next leader. Because while

they may respect Eliza, they don't particularly like her - but right now, Eliza is not here to be liked. She's here to win. But someone does like Eliza. A lot. Shame it's the boy standing in the way of her becoming editor-in-chief....
