Velasquez ... Figure It Out  
Human ProportionsFigure  
it Out : Human  
Proportions is a very good  
book that shows you  
where body parts line up  
and what size each part is  
supposed to be. This book  
Will show you how to  
draw the head and body  
of a person correctly.

There are lessons that  
you follow along in the  
book of people in various  
poses .Figure It Out!  
Human Proportions: Draw  
the Head and Figure  
...When the proportions  
are right, the drawing  
looks right! Most artists  
whose work features the  
human head and figure

don't have the time or opportunity to draw directly from models, so it's essential that they acquire the skills and tools to draw them accurately without using direct reference. Figure It Out! Human Proportions: Draw the Head and Figure ...When the proportions are right, the drawing looks right! Most artists whose work features the human head and figure don't have the time or opportunity to draw directly from models, so it's essential that they acquire the skills and

tools to draw them accurately without using direct reference. Find Figure It Out: Human Proportions: Draw the Head and ...A male figure approximately 7 heads high is about average, while a female subject generally turns out to be about 6-1/2 heads high. Figure It Out! Human Proportions: Draw the Head and Figure ...Figure it Out : Human Proportions is a very good book that shows you where body parts line up and what size each part is supposed to be. This book

Will show you how to draw the head and body of a person correctly. There are lessons that you follow along in the book of people in various poses .Amazon.com: Customer reviews: Figure It Out! Human ...Figure It Out: Human Proportions gives artists the tools they need to draw the head and figure right every time. This comprehensive book provides all the essential information for artists at all skill levels, demonstrating proportional relationships of the head and body

from all angles - front, side, and back - for both men and women, making it all easy to understand and use.
