Biography of a Bad

Baby Boomer National Library Australia
WINNER OF THE 2013 PULITZER PRIZE FOR BIOGRAPHY
General Alex Dumas is a man almost unknown today, yet his story is strikingly familiar—because his son, the novelist Alexandre Dumas, used his larger-than-life feats as inspiration for such classics as *The Count of Monte Cristo* and *The Three Musketeers*. But, hidden behind General Dumas's swashbuckling adventures was an even more incredible secret: he was the son of a black slave—who rose higher in the white world than any man of his race would before our own time. Born in Saint-Domingue (now Haiti), Alex Dumas made his

way to Paris, where he rose to command armies at the height of the Revolution—until he met an implacable enemy he could not defeat. *The Black Count* is simultaneously a riveting adventure story, a lushly textured evocation of 18th-century France, and a window into the modern world's first multi-racial society. *TIME* magazine called *The Black Count* "one of those quintessentially human stories of strength and courage that sheds light on the historical moment that made it possible." But it is also a heartbreaking story of the enduring bonds of love between a father and son. Random House Eagerly anticipated by her legions of fans, this

sixth novel in Diana Gabaldon's bestselling Outlander saga is a masterpiece of historical fiction from one of the most popular authors of our time. Since the initial publication of Outlander fifteen years ago, Diana Gabaldon's New York Times bestselling saga has won the hearts of readers the world over — and sold more than twelve million books. Now, *A Breath of Snow and Ashes* continues the extraordinary story of 18th-century Scotsman Jamie Fraser and his 20th-century wife, Claire. The year is 1772, and on the eve of the American Revolution, the long fuse of rebellion has already been lit. Men lie dead in the streets of Boston, and in the backwoods of North

Carolina, isolated cabins burn in the forest. With chaos brewing, the governor calls upon Jamie Fraser to unite the backcountry and safeguard the colony for King and Crown. But from his wife Jamie knows that three years hence the shot heard round the world will be fired, and the result will be independence — with those loyal to the King either dead or in exile. And there is also the matter of a tiny clipping from *The Wilmington Gazette*, dated 1776, which reports Jamie's death, along with his kin. For once, he hopes, his time-traveling family may be wrong about the future.

 Turn your Raspberry Pi into a secret agent

toolbox with this set of exciting projects About This Book Turn your Raspberry Pi into a multi-purpose secret agent gadget for audio and video surveillance, Wi-Fi exploration, or playing pranks on your friends Detect an intruder on camera or with sensors and set off an alarm or receive messages to your phone Find out what the other computers on your network are up to and make yourself anonymous on the Internet This book has been updated for new additions to your toolkit featuring the tiny, recently released Raspberry Pi Zero board Who This Book Is For This book is for those who are new to the Raspberry Pi Zero ,Raspberry Pi 2 or Raspberry Pi 3 and have some experience

with the original Raspberry Pi models, and even for those budding secret agents who would like to use Pi Zero as a secret agent toolbox. No programming experience is assumed. Suitable for the novice and expert alike, each topic provides a fast and easy way to get started with exciting applications, with practical examples in every chapter. What You Will Learn Install and configure the Raspbian Jessie operating system for maximum mischief Detect an intruder with motion detection or a laser trip wire and set off an alarm Listen in to conversations from a distance over Bluetooth Distort your voice in weird and wonderful ways Track the Pi's whereabouts

using GPS Connect your Pi to the mobile Internet using a 3G dongle and make yourself anonymous on the net Display secret messages and codes to fellow agents on a LED display In Detail This book is for all mischievous Raspberry Pi owners who'd like to see their computer transform into a neat spy gadget to be used in a series of practical pranks and projects. No previous skills are required to follow along, and if you're completely new to Linux, you'll pick up much of the basics for free. We'll help you set up your Raspberry Pi Zero , Raspberry Pi 2 and Raspberry Pi 3 and guide you through a number of pranks and secret agent techniques that are so inconspicuous yet high

on mischief. You'll learn how to configure your operating system for maximum mischief and start exploring audio, video, or Wi-Fi techniques. We'll show you how to record, listen, or talk to people from a distance and how to set up your own phone network. Then, you'll plug in your webcam and set up a motion detector with an alarm and find out what the other computers on your Wi-Fi network are up to. Once you've mastered the techniques, we'll combine them with a battery pack and GPS for the ultimate off-road spy kit. Style and Approach This easy-to-follow guide is for budding secret agents who want to create tools for mischief, stealth, and reconnaissance. It's full

of fun, practical examples and easy-to-follow recipes, guaranteeing maximum mischief for all skill levels.

Behind the bars of the iconic FOXTEL Original series Home NetworkingThe Missing Manual International business magazine for television.

BRW CCB Publishing From FOXTEL to News Corp, film to football, opera to business, Kim Williams is a builder of Australian institutions. He has worked with some of the very best in their fields—Rupert Murdoch, Kerry Packer, Kevin Sheedy, Gail Kelly and Don Burrows to name just a few. Rules of Engagement is a candid, up close and very personal account of the exercise of power in the nation's

leading boardrooms, political parties and media organisations. Told with a deft touch and an energetic, at times mischievous spirit, Rules of Engagement shows how much one person can achieve if they have insatiable curiosity, limitless interests and impressive discipline. *Parliamentary Debates (Hansard)*. Macmillan ** Reviewed and updated for the 2020-2021 financial year** This is the only money guide you'll ever need That's a bold claim, given there are already thousands of finance books on the shelves. So what makes this one different? Well, you won't be overwhelmed with a bunch of 'tips' ... or a strict budget (that you won't follow). You'll

get a step-by-step formula: open this account, then do this; call this person, and say this; invest money here, and not there. All with a glass of wine in your hand. This book will show you how to create an entire financial plan that is so simple you can sketch it on the back of a serviette ... and you'll be able to manage your money in 10 minutes a week. You'll also get the skinny on: Saving up a six-figure house deposit in 20 months Doubling your income using the 'Trapeze Strategy' Saving \$78,173 on your mortgage and wiping out 7 years of payments Finding a financial advisor who won't rip you off Handing your kids (or grandkids) a \$140,000 cheque on their 21st

birthday Why you don't need \$1 million to retire ... with the 'Donald Bradman Retirement Strategy' Sound too good to be true? It's not. This book is full of stories from everyday Aussies — single people, young families, empty nesters, retirees — who have applied the simple steps in this book and achieved amazing, life-changing results. And you're next.

John Wiley & Sons
NOW THE NETFLIX ORIGINAL SERIES EL INOCENTE! The bestselling author and creator of the hit Netflix drama The Stranger takes readers on an electrifying ride in this thriller that

peeks behind the white picket fences of suburbia—where one mistake can change your life forever. One night, Matt Hunter innocently tried to break up a fight—and ended up a killer. Now, nine years later, he's an ex-con who takes nothing for granted. His wife, Olivia, is pregnant, and the two of them are closing on their dream house. But all it will take is one shocking, inexplicable call from Olivia's cell phone to shatter Matt's life a second time...

Black Narcissus

"O'Reilly Media, Inc."
How much money is enough? How powerful do you want to be? And what price will it extract from you? An intriguing, powerful and hard-hitting novel set in the world of big money and big deals,

written by a leading business insider.

Charles lives in the testosterone-driven, high-powered, brutal world of investment banking. It is a world dominated by deals, bonuses, bravado and savagery. Charles is a master of this world. Each day he shrugs on a metaphorical suit of armour and goes out into a dog-eat-dog world to accumulate power and make money. He's a man who is familiar with casual brutality - his childhood saw to that. But there is a price to pay. Now, at the peak of his career, his armour is rusted and bloodstained and no longer protecting him the way it once did. He finds himself empty. Always cold. No friends. A family that is falling apart. Over the

course of two days, everything in Charles' life comes into question. His carefully constructed world is starting to splinter - and he's splintering too. Shocking and at times immensely moving, *Man in Armour* is a compelling story of a man at the end of his tether, written with a sharp-eyed, incisive focus that also carries real emotional - and moral - resonance. Written by an ultimate business insider - a woman who knows intimately and at first hand this world of power, money and deal-making - this novel carries an undeniable authenticity and force. 'The detailed setting of the finance world - the highs and lows, cutthroat practices and relentless pace - is

vividly rendered ... *Man in Armour* is very readable' Bookseller+Publisher 'There's no doubt McKenna can write a page-turner' Sydney Morning Herald
A Novel Melbourne Univ. Publishing
 In 2011 writer and mother of two, Bronwyn Hope is diagnosed with early stage breast cancer. Encouraged by a friend, she begins an online blog in which she faithfully diarises the days that follow, graphically chronicling the details of even her darkest days as they happen. Her reflections are controlled yet raw and immediate, comprising a mix of honesty and humor that will have you by turns laughing out loud, or crying. Over an 18-month period,

Bronwyn propels her readers on a journey that will deliver to her some of life's greatest blows and most uplifting moments. Along the way she shares intimate accounts of her life, her family and friends, and the challenges, both common and uncommon, of a breast cancer survivor. *The Breast is History* is that rare book that will delight and move readers at the same time as demystifying the experience of millions of women with breast cancer.

Rules of Engagement Crown
"A fast-paced, gripping story set in a world of gruesome violence and perversity, where 'why?' is not a question and murder happens on a whim: but where a very faint ray of grace

and hope lights up the landscape of salt and blood and ice. A tour de force of narrative tension and a masterful reconstruction of a lost world that seems to exist at the limits of the human imagination." --Hilary Mantel
"This is a novel that takes us to the limits of flesh and blood. Utterly convincing and compelling, remorselessly vivid, and insidiously witty, *The North Water* is a startling achievement." --Martin Amis
A nineteenth-century whaling ship sets sail for the Arctic with a killer aboard in this dark, sharp, and highly original tale that grips like a thriller. Behold the man: stinking, drunk, and brutal. Henry Drax is a

harpooner on the Volunteer, a Yorkshire whaler bound for the rich hunting waters of the arctic circle. Also aboard for the first time is Patrick Sumner, an ex-army surgeon with a shattered reputation, no money, and no better option than to sail as the ship's medic on this violent, filthy, and ill-fated voyage. In India, during the Siege of Delhi, Sumner thought he had experienced the depths to which man can stoop. He had hoped to find temporary respite on the Volunteer, but rest proves impossible with Drax on board. The discovery of something evil in the hold rouses Sumner to action. And as the confrontation between the two men plays out amid the freezing darkness of an

arctic winter, the fateful question arises: who will survive until spring? With savage, unstoppable momentum and the blackest wit, Ian McGuire's *The North Water* weaves a superlative story of humanity under the most extreme conditions.

Raspberry Pi for Secret Agents

HarperCollins Australia
#1 NEW YORK TIMES

BESTSELLER • Pulitzer Prize-winning author Jon Meacham helps us understand the present moment in American politics and life by looking back at critical times in our history when hope overcame division and fear. ONE OF OPRAH'S "BOOKS THAT HELP ME THROUGH" • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR • The Christian Science Monitor • Southern Living Our current climate of partisan fury is not new, and in The Soul of America Meacham shows us how what Abraham Lincoln called the "better angels of our nature" have repeatedly won the day. Painting surprising portraits of Lincoln and other presidents, including Ulysses S. Grant, Theodore

Roosevelt, Woodrow Wilson, Franklin D. Roosevelt, Harry S. Truman, Dwight Eisenhower, and Lyndon B. Johnson, and illuminating the courage of such influential citizen activists as Martin Luther King, Jr., early suffragettes Alice Paul and Carrie Chapman Catt, civil rights pioneers Rosa Parks and John Lewis, First Lady Eleanor Roosevelt, and Army-McCarthy hearings lawyer Joseph N. Welch, Meacham brings vividly to life turning points in American history. He writes about the Civil War, Reconstruction, and the birth of the Lost Cause; the backlash against immigrants in the First World War and the resurgence of the Ku

Klux Klan in the 1920s; the fight for women's rights; the demagoguery of Huey Long and Father Coughlin and the isolationist work of America First in the years before World War II; the anti-Communist witch-hunts led by Senator Joseph McCarthy; and Lyndon Johnson's crusade against Jim Crow. Each of these dramatic hours in our national life have been shaped by the contest to lead the country to look forward rather than back, to assert hope over fear—a struggle that continues even now. While the American story has not always—or even often—been heroic, we have been sustained by a belief in progress even in the gloomiest of times. In this

inspiring book, Meacham reassures us, “The good news is that we have come through such darkness before”—as, time and again, Lincoln’s better angels have found a way to prevail. Praise for *The Soul of America* “Brilliant, fascinating, timely . . . With compelling narratives of past eras of strife and disenchantment, Meacham offers wisdom for our own time.”—Walter Isaacson “Gripping and inspiring, *The Soul of America* is Jon Meacham’s declaration of his faith in America.”—*Newsday* “Meacham gives readers a long-term perspective on American history and a reason to believe the soul of America is ultimately one of kindness and caring,

not rancor and paranoia.”—*USA Today* [Stage One, the Industry, Stage 2, the Audience](#) Minotaur Books

If you dream of being published, this book will teach you the nuts and bolts of what it means to be an author. In a friendly, informative and practical way, Georgia Richter and Deborah Hunn share all you need to know about inspiration and research, preparing to submit to a publisher, creating an author brand, legal, ethical and moral considerations, pitching, effective social media and much

more. Practical advice and top tips from Liz Byrski, Alan Carter, Nandi Chinna, Tim Coronel, Amanda Curtin, Daniel de Lorne, Deb Fitzpatrick, James Foley, Alecia Hancock, Stephen Kinnane, Ambelin Kwaymullina, Natasha Lester, Brigid Lowry, Caitlin Maling, Meg McKinlay, Claire Miller, Brendan Ritchie, Rachel Robertson, Holden Sheppard, Sasha Wasley, David Whish-Wilson and Anne-Louise Willoughby.

The Official Journal of the Law Society of New South Wales

HarperCollins Australia
In Mildred Pierce, noir master James M. Cain creates a novel of acute social observation and devastating emotional violence, with a

heroine whose ambitions and sufferings are never less than recognizable. Mildred Pierce had gorgeous legs, a way with a skillet, and a bone-deep core of toughness. She used those attributes to survive a divorce and poverty and to claw her way out of the lower middle class. But Mildred also had two weaknesses: a yen for shiftless men, and an unreasoning devotion to a monstrous daughter.

One of the Best Books of the Year Time * NPR * Washington Post * Bloomberg News * Chicago Tribune * Chicago Public Library * Fortune * Los Angeles Times * E! News * The Telegraph * Apple * Library Journal In this

newly updated edition of the "meticulous and devastating" (Associated Press) account of violence and espionage that spent months on the New York Times Bestsellers list, Ronan Farrow exposes serial abusers and a cabal of powerful interests hell-bent on covering up the truth, at any cost - from Hollywood to Washington and beyond. In 2017, a routine network television investigation led to a story only whispered about: one of Hollywood's most powerful producers was a predator, protected by fear, wealth, and a conspiracy of silence. As Farrow drew closer to the truth, shadowy operatives, from high-priced lawyers to elite war-hardened spies,

mounted a secret campaign of intimidation, threatening his career, following his every move, and weaponizing an account of abuse in his own family. This is the untold story of the exotic tactics of surveillance and intimidation deployed by wealthy and connected men to threaten journalists, evade accountability, and silence victims of abuse. And it's the story of the women who risked everything to expose the truth and spark a global movement Los Angeles Times Book Prize Finalist Finalist for the National Book Critics Circle Award in Autobiography Indie Bound #1 Bestseller USA Today Bestseller Wall Street
