the Basque-language revitalization movement over the course of the past century and the way this effort has unfolded alongside the simultaneous Basque nationalist struggle for autonomy.

### **Reclaiming Basque - Project MUSE**

Reclaiming Basque examines the ideology, methods, and discourse of the Basque-language revitalization movement over the course of the

past century and the way this effort has unfolded alongside the simultaneous Basque nationalist struggle for autonomy.

### **Reclaiming Basque Language Nation And**

"Reclaiming Basque is a landmark study of one of the most fascinating and controversial social movements in Europe today, offering new theoretical insights not only about the Basque Country but also about the

complex relationships between nationhood and language.

### **Reclaiming Basque: Language, Nation, and Cultural Activism**

It is considered by many Basques to be a distinct nation and the homeland of the Basque language, Euskara, the traces of which can be found on archaeological 2 reclaiming basque remains dating back to the Neolithic (Trask 1997).1 Contemporary
