At first he was worried at the sheer emptiness of the place, how was one to survive in the wild? As a modern man, Bill is worried of his survival and safety. It's quickly changed when he stumbles upon an odd book. Placed on a pedestal, it's certainly hoping for attention. Bill takes the book and finds out that a person
---	---	--

named Tom had written the book. What's even more surprising is that the book contained numerous entries about surviving in this unknown island. Bill is unsure if he should trust the book but gives it a try. As the only one on the island, Bill strives to survive and overcome the odds that a life in the wilds has for him. With monsters lurking about in the dark, an inexperienced man with so

little knowledge can only get so far. Slowly but surely, Bill tries to make his mark on the island and builds a home for himself in the island. Armed only with the knowledge written by Tom and the mystery of the island, can Bill survive long enough to get out of the island? Will he be able to fend off the beasts that make their way into his makeshift home at night or will he succumb to the

treacherous nature of the unknown island? Only Tom's guide can help him on his journey, or will it be his fall? Book 2: The Mysterious Island Bill has just begun to get used to the life alone in the island. While it's not the most ideal way of life for him, a man must learn to survive on his own. Tom's journal has become his greatest companion through the days, as a wellspring of knowledge and guide that

make his life in the island easier than one can imagine. Home is still a place that Bill wants to go back to and he still dreams of his life before the island. One day, he stumbles upon some visiting natives, a pair of tribal individuals who were visiting to gather some goods from the island. Bill asks for their aid to get back home but alas, it's due to the island's power that Bill can't go home just

yet. In order to break the series of misfortune, Bill must find Tom in order to give the journal back; and only then can Bill truly get home. However, the big question is, where is Tom? With so many secrets sprawling about in the island and the promise of home becoming more and more complicated, Bill must rise to the occasion to prove that he can get through the obstacles

presented to him. Book 3: The Journey Ends Bill has made his way through the Nether. Guided only by the hearsay of the villagers along with his gut feeling, Bill must wade through numerous undead and walk through the thin paths of land between lava. No matter how many times, Bill wakes up to the Nether, it will never grow on him. Despite that, his drive to get home gives him the

willpower to press onwards. With skeletons and endermen and fortresses to explore, there are surely a lot of things on Bill's plate. Armed with the weapons he's crafted along with the guidance of what he's learned from the past few days, Bill tries his best to outwit all the dangers of the Nether. Had he prepared enough for this journey? Will he be able to find Tom in due time? And if he does manage to find the writer

of the journal, can they escape the treacherous nature of the beasts of Nether? Attention Minecraft players, take an adventure right into the game you love! Can Gameknight999 survive a Minecraft journey one hundred years into the past? This adventure series is created especially for readers who love the fight of good vs. evil, magical academies like Hogwarts in the Harry Potter saga, and games like Minecraft, Terraria, and Pokemon GO. A freak

thunderstorm strikes just as Gameknight99 is activating his father's digitizer to re-enter Minecraft. Sparks flash across his vision as he is sucked into the game... and when the smoke clears, he's arrived safely. But it doesn't take long to realize that things in the Overworld are very different. Gameknight sees the same blocky terrain and square clouds as usual, but almost everything else has

changed. His friends are nowhere to be found. His castle has disappeared and the village he calls home is missing its defenses and fortified wall. Even stranger, no one seems to know who he is. The User-that-is-not-a-user realizes he's been accidentally sent a hundred years into the past, back to the time of the historic Great Zombie Invasion. None of his friends have even been born yet. But that might

be the least of Gameknight99's worries, because travelling back in time also means that the evil virus Herobrine, the scourge of Minecraft, is still alive... Minecraft comes into real life again. But this time it

brings with it the most scary villain in all of Minecraft: Herobrine. When Minecraft comes to Earth, all of the mobs come to Earth. The bad ones--like creepers, zombies, spiders, skeletons and more! And the good mobs--like pigs and llamas and sheep. Problem is, Herobrine is so powerful he can mind-control the evil mobs and the GOOD mobs. He can turn good pigs evil. And he can mind-

control humans, even your parents. Which means Stevi and Henry don't know whom to trust as long as Herobrine is alive. Stevi and Henry are only ten-years-old, but they get swept away in this adventure and fly to South America in a Flying Machine where they must battle Herobrine. Or die trying. Since this story is about Herobrine, it's scary. Maybe the scariest Minecraft story you've ever read. So
