The first graphic history of sex chronicles sexuality and human intimacy through the ages, from our primate pasts to our robotic futures. Humans have had sex on the brain since pre-civilization either for pleasure, power, revenge, a desire for children, or simply because it isn't allowed. Today, sex is all around us but it's rarely explained and almost never taught. In The Story of Sex, sexologist Phillipe Brenot combines anthropology, sociology, psychology and history with witty comics by Latetita Coryn for an in-depth explanation of this essential aspect of humanity. Organized chronologically into sections like Babylon: Free Love, The Middle Ages: Heaven and Hell, and The 20th Century: Sexual Liberation, Brenot explores what eroticism really is, how our ancestors behaved sexually, when the first couple was established, how superstition and morality laws shaped sexuality, the use of pornography in the digital age, and how some ancient civilizations were far ahead of their time when it came to gender equality. Full of fascinating details like Cleopatra's invention of the vibrator and a Dutch shopkeeper's accidental discovery of the existence of sperm--all accompanied by hilarious comics and dialogue -- The Story of Sex is informative, unique, and entertaining book.
Bangla Choti Boi MacMillan India
Winner of the Sahitya Akademi Award An award-winning novel that uses both vast panoramic views and lovingly reconstructed detail to provide an unforgettable picture of nineteenth-century Bengal. The Bengal Renaissance and the 1857 uprising form the backdrop to Those Days, a saga of human frailties and strength. The story revolves around the immensely wealthy Singha and Mukherjee families, and the intimacy that grows between them. Ganganarayan Singha's love for Bindubasini, the widowed daughter of the Mukherjees, flounders on the rocks of orthodoxy even as his zamindar father, Ramkamal, finds happiness in the arms of the courtesan, Kamala Sundari. Bimbabati, Ramkamal's wife, is left to cope with her loneliness. A central theme of the novel is the manner in which the feudal aristocracy, sunk in ritual and pleasure, slowly awakens to its social obligations. Historical personae interact with fictional protagonists to enrich the narrative. Ishwar Chandra Vidyasagar, the reformer; Michael Madhusudan Dutt, the poet; the father and son duo of Dwarkanath and Debendranath Tagore; Harish Mukherjee, the journalist; Keshab Chandra Sen, the Brahmo Samaj radical; David Hare and John Bethune, the English educationists—these and a host of others walk the streets of Calcutta again, to bring alive a momentous time.
The Story of Sex Walter de Gruyter
Here is a refreshing new type of encyclopedia available in a single volume or a multi-volume set (10 volumes) written with today's busy but inquisitive family in mind. It presents information clearly and concisely with efficient design and common sense organization. This is one reference work your family will turn to over and over again for years to come. Single volume available padded with foil stamping or jacketed hardcover.

"Utterly winning...brings to mind Sex and the City but feels more modern, more real. When I closed Nikki May's delicious, hilarious novel, I felt I was returning to joy. I knew it was time to call my friends...time to get into some good wahala of my own." -- Amanda Eyre Ward, New York Times bestselling author of The Jetsetters and The Lifeguards An incisive and exhilarating debut novel following three Anglo-Nigerian best friends and the lethally glamorous fourth woman who infiltrates their group--the most unforgettable girls since Carrie, Miranda, Charlotte, and Samantha. Ronke wants happily ever after and 2.2. kids. She's dating Kayode and wants him to be "the one" (perfect, like her dead father). Her friends think he's just another in a long line of dodgy Nigerian boyfriends. Boo has everything Ronke wants--a kind husband, gorgeous child. But she's frustrated, unfulfilled, plagued by guilt, and desperate to remember who she used to be. Simi is the golden one with the perfect lifestyle. No one knows she's crippled by impostor syndrome and tempted to pack it all in each time her boss mentions her "urban vibe." Her husband thinks they're trying for a baby. She's not. When the high-flying, charismatic Isobel explodes into the group, it seems at first she's bringing out the best in each woman. (She gets Simi an interview in Shanghai! Goes jogging with Boo!) But the more Isobel intervenes, the more chaos she sows, and Ronke, Simi, and Boo's close friendship begins to crack. A sharp, modern take on friendship, ambition, culture, and betrayal, Wahala (trouble) is an unforgettable novel from a brilliant new voice.

Why communities and institutions need to work together to reduce disaster risk.
A Dictionary, Bengali-Sanskrit-English Black Dog & Leventhal
A shocking psychological novel, inspired by a true story ... It began as an adolescent passion. Her face, she believed, strongly resembled that of Jaqueline Bouvier. It became, as a woman, an all-consuming obsession ... Sought by the FBI, pursued by the police, she dared, in a shattering climax, to gain entry into Jacqueline Kennedy Onassis' Fifth Avenue apartment to await the former First Lady's arrival in her last desperate effort to become the woman she had imagined herself to be ... A. J. Palmerio has fashioned a compelling and terrifying tale of a cunning but deluded imposter who had escaped capture for years despite her daring escapades ...
