DOYLE ELLE

Good Mourning Penguin

A Behavioral Scientist Notable Book of 2021 A Next Big Idea Club Best Nonfiction of 2021 From the New York Times best-selling author and host of Hidden Brain comes a thought-provoking look at the role of self-deception in human flourishing. Self-deception does terrible harm to us, to our communities, and to the planet. But if it is so bad for us, why is it ubiquitous? In *Useful Delusions*, Shankar Vedantam and Bill Mesler argue that, paradoxically, self-deception can also play a vital role in our success and well-being. The lies we tell ourselves sustain our daily interactions with friends, lovers, and coworkers. They can explain why some people live longer than others, why some couples remain in love and others don't, why some nations hold together while others splinter. Filled with powerful personal stories and drawing on new insights in psychology, neuroscience, and philosophy, *Useful Delusions* offers a fascinating tour of what it really means to be human.

Mother God SCB Distributors

"A mesmerizing novel about a family in crisis."—Miami Herald A disquieting and ultimately uplifting novel about a marriage, a family, and human resilience in the face of tragedy, from Wally Lamb, the New York Times bestselling author of *The Hour I First Believed* and *I Know This Much Is True*. After 27 years of marriage and three children, Anna Oh—wife, mother, outsider artist—has fallen in love with Viveca, the wealthy Manhattan art dealer who orchestrated her success. They plan to wed in the Oh family's hometown of Three Rivers in Connecticut. But the wedding provokes some very mixed reactions and opens a Pandora's Box of toxic secrets—dark and painful truths that have festered below the surface of the Oh's lives. *We Are Water* is a layered portrait of marriage, family, and the inexorable need for understanding and connection, told in the alternating voices of the Oh's—nonconformist, Anna; her ex-husband, Orion, a psychologist; Ariane, the do-gooder daughter, and her twin, Andrew, the rebellious only son; and free-spirited Marissa, the youngest. It is also a portrait of modern America, exploring issues of class, changing social mores, the legacy of racial violence, and the nature of creativity and art. With humor and compassion, Wally Lamb brilliantly captures the essence of human experience and the ways in which we search for love and meaning in our lives.

The Light Between Us SCB Distributors

"A personal how-to guide for investigative journalists, a twisted tale of a scam of huge proportions, and a really good read" (Bethany McLean, author of *The Smartest Guys in the Room*), this

spellbinding true story follows a pair of award-winning CNN investigative journalists as they track down the mysterious psychic at the center of an international scam that stole tens of millions of dollars from the elderly and emotionally vulnerable. While investigating financial crimes for CNN Money, Blake Ellis and Melanie Hicken were intrigued by reports that elderly Americans were giving away thousands of dollars to mail-in schemes. With a little digging, they soon discovered a shocking true story. Victims received personalized letters from a woman who, claiming amazing psychic powers, convinced them to send money in return for riches, good health, and good fortune. The predatory scam had been going on unabated for decades, raking in more than \$200 million in the United States and Canada alone—with investigators from all over the world unable to stop it. And at the center of it all—an elusive French psychic named Maria Duval. Based on the five-part series that originally appeared on CNN's website in 2016 and was seen by more than three million people, *A Deal with the Devil* picks up where the series left off as Ellis and Hicken reveal more bizarre characters, follow new leads, close in on Maria Duval, and connect the dots in an edge-of-your-seat journey across the US to England and France. *A Deal with the Devil* is a fascinating, thrilling search for the truth that will suck you "deep into the heart of a labyrinthine investigation that raises bigger questions about greed, manipulation, and the desperate hunger to believe" (Megan Abbott, author of *You Will Know Me*).

What I Should Have Said Simon and Schuster

The Place Between Here and There If you are grieving from a heartbreaking loss of a loved one, this book may help you find peace. If you are wondering if all you see here on earth is all that is, this book may bring some light to your thoughts. If you are a person who believes in the infinite spirit inside each of us, this book may be an affirmation of all that you hold sacred. After an accident leaves a loving father in a coma, on the verge of life and death, he travels to another place. On the outside, he was in a hospital bed; but, on the inside he was in place he calls, "The Place Between Here and There." It was a place where time did not exist; where people were spirits; and where he learned the wisdom of the universe. This book details his journey to this wondrous place, then back to earth, where he must rehabilitate from grave injuries, only to then experience the worst tragedy a parent can imagine. With the help of a soul connection from the higher realms, he finds his way back to the peace and bliss he learned from *The Place Between Here and There*. Authors Note: Kathie and I are humbled by all the kind words of support for this book on *Peace, Love and Light* and the realization the life has a purpose, for ourselves and the universe in its entirety. Life is good and people are good, even when bad things happen. This book discusses that thought and demonstrates that even in these challenging times that there is indeed light, and that light is beautiful. Bob Wrote: I was finding it hard to not feel depressed during this current health and economic crisis. My wife gifted me your book "The Place Between Here and There", because she thought it would make me

feel better. I read late into the night. This morning, there is sunshine. I feel a new strength and see with a bigger perspective. I just want to say the book is tremendous and will fascinate and help so many people for years to come. There are many people I am excited to share this with, people in my family who will benefit greatly from this book, and I will proudly pass this gift along to everyone. Tracy Wrote: Yesterday, I read 70 pages in one sitting. I just did not want to put the book down!! I had such a range of emotions - love, heartache, happiness, inspiration, and awe. I finished the book so quickly, and I usually do not read books often. It reaffirms that in love we can find happiness and there is more to us beyond what we see here on Earth. Caroline Wrote: This book is beautiful! It came to me 2 days after my grandmothers passing. And while I already share the same beliefs as the authors, I still found it incredibly enlightening and comforting. Thank you for sharing your experience. I experienced many epiphanies and connected things for the first time while reading it.

The Place Between Here and There Llewellyn Worldwide

The star of "Long Island Medium" shares inspiring, spirit-based lessons on how to work through and overcome grief, in a guide that also offers example testimonies about the experiences of her clients

Living Unbroken Simon and Schuster

Talking to Heaven Simon and Schuster

In these uncertain times, those who already suffer from anxiety are struggling more than most. But what if you could harness the power that lurked beneath your anxiety? Renowned spiritual healer and expert Pat Longo demonstrates the ways in which exploring the roots of our anxiety can help us discover the path toward healing and inner peace. This validating and life-changing book is the perfect companion to Empath by Judy Dyer and The Empath's Survival Guide by Judith Orloff. Are you overwhelmed with compassion for others' pain? Are you sometimes referred to by other as "too sensitive"? You just might be an empath. And a few simple tools could change your life As a spiritual healer and teacher to some of today's most well-known empaths—including "Long Island Medium" Theresa Caputo—Pat Longo has found that many of the individuals who have come to her with anxiety and related symptoms possess a heightened sense of perception and an extreme level of intuition—absorbing the energies, thoughts, and feelings that surround them and even experiencing them as their own. What's more, most of these individuals had no idea that they possess the abilities of an empath. In Pat's experience, just beneath what feels distressing can be something wonderful. In this illuminating book, Pat guides you to become aware of, care for, and protect your spiritual self and energy; discover, develop, and strengthen the powerful gifts within; and in doing so, to eliminate and prevent related anxiety and other symptoms. Using simple exercises utilized in her own practice, plus instructive and inspiring case studies, Pat will show you how to: *Understand what an empath really is and determine whether you are one *Learn simple spiritual healing steps to care for your whole self—physical, emotional, mental, and spiritual *Connect to your inner spiritual self and the power within *Protect and ground yourself spiritually and energetically *Forgive and let go of past hurts *Raise your energetic vibration *Become aware of and develop your intuitive abilities with focused activities such as meditations, visualizations, automatic writing, psychometry, and other exercises In an increasingly anxious world, getting in touch with our deepest healing abilities and achieving inner peace is more important than ever. With this invaluable book as your

tool kit, you begin your journey toward finding that peace, becoming aware of and caring for your spiritual self and gifts, and healing your life.

The Happy Medium Llewellyn Worldwide

America's top psychic medium reflects on his life of speaking to Spirit and the lessons he's learned along the way—from both the living and the dead. Matt Fraser is just an ordinary guy...who happens to talk to dead people. Born into a psychic family, Matt carries on the legacy passed down from his late Grandmother Mary by connecting people to their dearly departed loved ones and delivering messages from the other side. His sold-out live group readings, television appearances, and private readings have allowed him to bring hope and healing to fans from around the world. But people who are not in the habit of talking with the dead have a hard time imagining what his day-to-day life is like. Based on the questions he gets, they seem to think he spends most of his time sitting cross-legged in a trance, maybe hovering a few inches off the ground, leaving his physical body behind as he journeys across the veil to the spirit realm. But it's not like that at all. Now, in *When Heaven Calls*, Matt opens up about it's really like to be a psychic medium—including how he discovered his spiritual gift, what it's like to connect with souls on the other side, what communicating with the dead has taught him about embracing life, and how you can tap into your own intuitive awareness to manifest your dreams, goals, and desires.

Healing Herbs Simon and Schuster

"For four years, from the election of John Fitzgerald Kennedy in November 1960 until after the election of Lyndon Johnson in 1964, Clint Hill was the Secret Service agent assigned to guard the glamorous and intensely private Jacqueline Bouvier Kennedy. During those four years, he went from being a reluctant guardian to a fiercely loyal watchdog and, in many ways, her closest friend"--

We Never Die W. W. Norton & Company

Theresa Caputo, TLC's Long Island Medium and the three-time New York Times bestselling author, teaches us how to ritualize and recover from the daily losses in our lives. Life on earth comes with losses that often go unrecognized, unacknowledged, and un-mourned. This invisible pain causes deeper emotional damage—devastation that Theresa Caputo has witnessed in many of her clients. Though they are suffering, they rarely understand where the anguish is coming from—or how to deal with it. Theresa's clients often confuse their emotional distress with depression or anxiety. But it's more than that. It's grief, deep and profound, and it consumes the soul. The only relief, according to Theresa's special gift she calls Spirit, is to pay more attention to how we experience, ritualize, and recover from the hurt in our lives. Once we name these feelings of grief, recognize the losses for what they are, and create mourning rituals around them, we can move through the pain and begin to heal. It isn't just a good idea to mourn these types of upsets; it's essential, so that we can then enjoy a fresh beginning.

Discovering the Healer Within Simon and Schuster

Winner of the 2018 Living Now Gold Medal (Healing Arts/Bodywork/Energy Techniques Category)

Winner of the 2018 Best Book Award (New Age: Non-Fiction Category) *You Can Heal Yourself...It's*

Time to Remember How While many people are likely familiar with psychic mediums who do readings, few know about healing mediums who teach you how to clear illnesses and ailments in a noninvasive, peaceful way. Anyisia Marcell Kiel guides you on a journey to awaken powerful healing

abilities within yourself through her remarkable life stories and client sessions. Featuring easy-to-use exercises and how-to instructions, *Discovering the Healer Within* is usable by anyone (regardless of psychic or medium abilities). You'll explore fascinating and useful topics, such as clearing karmic imprints, communicating with loved ones in spirit, and aligning with your soul path. This inspiring book, packed with Anysia's experiences and insights, will show you how to embrace love, live your purpose, and align with your soul.

There's More to Life Than This Vintage

James Van Praagh is a spiritual medium—someone who is able to bridge the physical and spiritual worlds. Though unaware of his gifts until his twenties, he slowly came to terms with his unique abilities. *Talking to Heaven* explores his most revealing sessions with grieving people seeking to contact the spirits of loved ones. From a devastated mother receiving a message of hope from her deceased little girl, to communicating with a young man, killed in Vietnam, who doesn't realize he's dead, Van Praagh affirms his belief in the existence of a peaceful afterlife. *Talking to Heaven* also offers those who are grieving methods to recognize and positively deal with the pain of grief in a healthy, honest manner. Part spiritual memoir, part case study, part instrumental guide, *Talking to Heaven* will change the way you perceive death and life.

Mrs. Kennedy and Me Harper Collins

Infused with Monica's signature blend of empathy, authenticity, and light-hearted humor, *Messages from Above* will make you laugh as much as you cry. It's for anyone who's ever struggled with unresolved questions and feelings such as guilt or disbelief after losing a loved one. It's for people who've wondered: What happens when we die? Do dogs go to Heaven? What are soul contracts? Can the dead watch us have sex? Monica Ten-Kate, star of Freeform's *Monica the Medium*, answers your burning questions while sharing Spirit's most profound insights to help you heal in the midst of grief. Different types of loss are addressed, including: the death of a child, tragic accidents, terminal illness, suicide, overdose, miscarriage, and more. Additionally, Monica weaves in uplifting channeled messages, jaw-dropping stories of past readings, and candid anecdotes of what life's like as a twenty-five-year-old medium. You'll feel more connected to your departed family, friends, and pets. You'll learn how to spot the signs they send from the Other Side. More than anything, you'll be able to move forward with peace, comfort, and clarity knowing that love never dies.

After the Witch Hunt Simon and Schuster

From Tyler Henry, celebrated medium, comes the ultimate self-help guide detailing the insights the departed have communicated about how to live our best, most meaningful lives. Do you want to live more meaningfully, and in turn fulfill your life's potential? Do you want to have the capability to transform your life and make it infinitely better, by paying attention to what those who have lived and died have come to understand about the meaning of life itself? As one of the world's most accomplished mediums, Tyler Henry has had thousands of communications with those who've already gone through humanity's final frontier: physical death. The life lessons he's learned from those conversations have been truly transformative. In *Here & Hereafter* Tyler explains that by listening and learning from the departed, following their guidance, and paying attention to what they might have done differently, we can get more fulfillment and purpose from our own lives. *Here & Hereafter* will shed light on the most powerful understandings Tyler has gained from modern day

mediumship—and explain how those understandings can lead us to live a more meaningful life.

Get Us Out of Here!! Simon and Schuster

Dear Reader, What you are now holding is a most interesting book. The world beyond is speaking. It is offering advice, asking for help and giving answers. It exists and speaks about life -- our life here on earth and of possible consequences of our behaviour. It tells us that it is not the same to be humble, loving, good, merciful, loyal and honest as it is to be proud, loveless, bad, merciless, betraying and dishonest. At death this is not forgotten but rather remembered in total clarity. Not only is the punishment, or better yet the cleansing, spoken about; but also the length of this cleansing is so very much more. Then you ask yourself, is it possible? In the Catholic church one speaks about a transitory state which for a very long time has been referred to as Purgatory. Despite there being different theories, this state is always taken seriously. One needs it because one can only come before God cleansed and pure.

Life on the Other Side Penguin

As if she discovered a small army of silenced women captive in her pen, Megan Falley releases them in the spilled ink that is her most brilliant collection of poems, *After the Witch Hunt*. Demanding "if you really love a writer, bury her in all your awful and watch as she scrawls her way out," her book does exactly that. An incessant digging, a journey in building escape routes, armed with both humor and a brazen darkness, each poem in this book of bloodletting is another swing of the pick and axe in this young woman's labor, insistent upon light.

Enough Already St. Martin's Essentials

A landmark book of popular science that gives us a lucid and engaging account of how the human body evolved over millions of years—with charts and line drawings throughout. "Fascinating.... A readable introduction to the whole field and great on the making of our physicality."—Nature In this book, Daniel E. Lieberman illuminates the major transformations that contributed to key adaptations to the body: the rise of bipedalism; the shift to a non-fruit-based diet; the advent of hunting and gathering; and how cultural changes like the Agricultural and Industrial Revolutions have impacted us physically. He shows how the increasing disparity between the jumble of adaptations in our Stone Age bodies and advancements in the modern world is occasioning a paradox: greater longevity but increased chronic disease. And finally—provocatively—he advocates the use of evolutionary information to help nudge, push, and sometimes even compel us to create a more salubrious environment and pursue better lifestyles.

The Secrets To Unlocking Your Psychic Ability Matthew Fraser LLC

Unlike other books on divorce, *Living Unbroken* takes a deep dive into understanding and overcoming the emotional toll divorce, separation, and the loss of a serious long-term relationship has on a woman's well-being. As someone who has walked this path, Tracie Miles leads women on a powerful, life-changing journey that provides much-needed hope, encouragement, and practical guidance for living their best life even if it's not the life they once imagined. Her biblically sound approach teaches readers how to trust in God's promises and restore their self-confidence and hope for the future.

End of Days HarperCollins

Your family and friends in spirit are only a thought away, ready to provide hope and healing

throughout your life. They can hear you talk to them, offer practical advice from the afterlife, and help you move past grief. With warmth and honesty, Irish medium Bridget Benson shares uplifting true stories of the ways in which our passed-on loved ones are still very much involved in our lives. *We Walk Beside You Always* presents remarkable, first-hand communication between Bridget and those from the other side. Each story is taken from her own experiences and her lifetime spent helping others connect with spirit. Explore the afterlife accounts of children, beloved companion animals, and those who have taken their own life. Discover Bridget's deep connections with her family members in spirit and her near-death experience. With this book, you'll realize life is eternal and the ones you've lost are not gone . . . they are always with you.

I Am God's Dream InterVarsity Press

"Guides you step by step through the how and why of medicinal herbs in a down to earth and experienced manner." —Susanna Reppert Brill, The Rosemary House, Mechanicsburg, PA Ever wondered about the benefits of dandelion, chickweed, and elder? *Healing Herbs* is an essential

reference for the beginning herbalist, featuring 20 common herbs, many of which are considered weeds, that can often be found in hedgerows, meadows, and wild places. Along with medicinal information, this book includes traditional folklore and fortifying recipes for each edible or medicinal plant, and plenty of easy-to-follow instructions to help fill a backyard herbalist's medicine chest with remedies to keep the whole family happy and healthy. *Healing Herbs* is conveniently organized by plant, making it easier for the home herbalist to find, identify, and use healing plants from the backyard. Herbalist Tina Sams identifies the twenty most common and healthful herbs and over one hundred natural remedies that are easy, inexpensive, and effective. This illustrated guide is fundamental for any nature-lover's library "The Healing Power of Herbs is a lovely, insightful introduction into the wonderful world of herbs and herbal healing. One finds all of the essential information and more including intelligent discussions on herb safety, herb gardening, herbal preparation, and remedies for common ailments. The author's message is to reinforce the realization that while powerful, herbs are all around us and they are our allies in health." —Rosemary Gladstar, herbalist author of *Rosemary Gladstar's Medicinal Herbs*
