BREWER BEARD

What the Heck Is EOS? John Wiley & Sons

The blockbuster bestseller now in a manga edition--fully illustrated and fun to read! Beautifully illustrated by Kensuke Okabayashi, this enthralling edition of Patrick Lencioni's massive bestseller gives readers a new format in which to understand the fascinating, complex world of teams.

Kathryn Petersen, Decision Tech's CEO, faces the ultimate leadership crisis: Uniting a team in such disarray that it threatens to bring down the entire company. Will she succeed? Will she be fired? Will the company fail? Lencioni's gripping tale serves as a timeless reminder that leadership requires as much courage as it does insight. Throughout the story, Lencioni reveals the five dysfunctions that go to the heart of why teams--even the best ones--often struggle. He outlines a powerful model and actionable steps that can be used to overcome these common hurdles and build a cohesive, effective team. This is a compelling fable with a powerful, yet deceptively simple

message for all those who strive to be exceptional leaders. Kensuke Okabayashi (Jersey City, NJ) is a working illustrator, a graduate of the School of Visual Arts, and an instructor at the Educational Alliance Art School in New York City.

Death by Meeting John Wiley & Sons

In his classic book, *The Five Dysfunctions of a Team*, Patrick Lencioni laid out a groundbreaking approach for tackling the perilous group behaviors that destroy teamwork. Here he turns his focus to the individual, revealing the three indispensable virtues of an ideal team player. In *The Ideal Team Player*, Lencioni tells the story of Jeff Shanley, a leader desperate to save his uncle's company by restoring its cultural commitment to teamwork. Jeff must crack the code on the virtues that real team players possess, and then build a culture of hiring and development around those virtues. Beyond the fable, Lencioni presents a practical framework and actionable tools for identifying, hiring, and developing ideal team players. Whether you're a leader trying to create a culture around teamwork, a staffing professional looking to hire real team players, or a team player wanting to improve yourself, this book will prove to be as useful as it is compelling.

My Secret Life & Tangled Allegiances as a KGB Spy in America John Wiley & Sons

An ex-Soviet KGB agent details his primary mission to work undercover in the United States for over a decade and discusses his change of allegiance and defection from the KGB. --Publisher's description.

by Patrick Lencioni | Summary & Analysis John Wiley & Sons

An updated guide to the art and impact of business mentoring provides advice on how to become an effective mentor and offers tips for improving employee confidence, competence, and creativity. Original. 25,000 first printing.

Eliminate Chronic Pain without Drugs or Surgery John Wiley & Sons

Another extraordinary business fable from the New York Times bestselling author Patrick Lencioni. Written in the same dynamic style as his previous bestsellers including *The Five Dysfunctions of a Team*, Lencioni illustrates the principles of inspiring client loyalty through a fascinating business fable. He explains the theory of vulnerability in depth and presents concrete steps for putting it to work in any organization. The story follows a small consulting firm, Lighthouse Partners, which often beats out big-name competitors for top clients. One such competitor buys out Lighthouse and learns important lessons about what it means to provide value to its clients. Offers a key

resource for gaining competitive advantage in tough times Shows why the quality of vulnerability is so important in business Includes ideas for inspiring customer and client loyalty Written by the highly successful consultant and business writer Patrick Lencioni This new book in the popular Lencioni series shows what it takes to gain a real and lasting competitive edge.

Practical, Proven Tools for Leading and Empowering High-Performing Agile Teams A leader is like a farmer, who doesn't grow crops by pulling them but instead creates the perfect environment for the crops to grow and thrive. If you lead in organizations that have adopted agile methods, you know it's crucial to create the right environment for your agile teams. Traditional tools such as Gantt charts, detailed plans, and internal KPIs aren't adequate for complex and fast-changing markets, but merely trusting employees and teams to self-manage is insufficient as well. In *Agile Leadership Toolkit*, longtime agile leader Peter Koning provides a practical and invaluable steering wheel for agile leaders and their teams. Drawing on his extensive experience helping leaders drive more value from agile, Koning offers a comprehensive toolkit for continuously improving your environment, including structures, metrics, meeting techniques, and governance for creating thriving teams that build disruptive products and services. Koning thoughtfully explains how to lead agile teams at large scale and how team members fit into both the team and the wider organization. Architect environments that help teams learn, grow, and flourish for the long term Get timely feedback everyone can use to improve Co-create goals focused on the customer, not the internal organization Help teams brainstorm and visualize the value of their work to the customer Facilitate team ownership and accelerate team learning Support culture change, and design healthier team habits Make bigger changes faster This actionable guide is for leaders at all levels—whether you're supervising your first agile team, responsible for multiple teams, or lead the entire company. Register your book for convenient access to downloads, updates, and/or corrections as they become available. See inside book for details.

An inspiring parable on the greatest leadership lesson of all—that the best leaders go beyond the tenets of the Golden Rule and help others to be better than they are themselves Too many people assume that the timeless principles of genuine leadership—of helping others achieve their full potential—don't apply Monday through Friday during work hours or in any circumstance where a paycheck is involved. In *Greater Than Yourself*, Steve Farber proves them wrong. With this powerful and eye-opening story, Farber shows that the goal of true leadership is to help others—teammates, employees, and colleagues—become more capable, confident, and accomplished than their leaders. Through the actions of a forward-thinking and extraordinarily successful CEO, Farber reveals the three keys to achieving what he calls GTY: Expand Yourself, Give Yourself, and Replicate Yourself. Filled with thought-provoking ideas and actionable principles, *Greater Than Yourself* offers a powerful message for today's business leaders.

A Leadership Fable Createspace Independent Publishing Platform

A practical resource, this book combines tips, checklists, exercises, and stories to outline concrete processes that improve the way leaders, managers, and anyone within an organization responds to conflict. Beginning with a series of questions and self-diagnostics, the authors show you how to: maintain emotional balance in the face of conflict; implement constructive communications techniques; help others deal with conflicts that are causing organization problems; establish norms for handling conflict; use specific approaches for addressing conflict more effectively. "A must-have guidebook for the new age of global business. This book shows every leader how to turn feelings of fear into feelings of safety, suspicion into trust, and competitiveness into collaboration." --Jim Kouzes, coauthor of the best-selling book *The Leadership Challenge* and Dean's Executive Professor of Leadership, Leavey School of Business, Santa Clara University "Craig Runde and Tim Flanagan use their vast experience to give us *Developing Your Conflict Competence*. Move beyond negative workplace conflict to positive and constructive outcomes with the simple tools and suggestions in this must-read field guide!" --Marshall Goldsmith, best-selling author of *What Got You Here Won't Get You There*, *Succession: Are You Ready?*, and the upcoming *MOJO* "I've read the authors' first two books, *Becoming a Conflict Competent Leader* and *Building Conflict Competent Teams*. Their latest book pulls it all together by providing models, examples, and thought-provoking insight. It will be required reading for my senior management team." --Deborah Jallad, president/chairman, Accredited Surety and Casualty Company, Inc.

[Get Everyone in Your Boat Rowing in the Same Direction](#) Harvard Business Press

The fault line -- that dangerous, unstable seam in the economy where powerful innovations and savage competition meet and create market-shattering tremors. Every company lives on it; no manager can control it. In the original edition of *Living on the Fault Line*, Geoffrey Moore presented a compelling argument for using shareholder value (or share price) as the key driver in management decisions. Moore now revisits his argument in the post-Internet bubble world, proving that the methods he espouses are more germane than ever and showing companies how to use them to survive and thrive in today's demanding economy. Extending the themes of *Crossing the Chasm* and *Inside the Tornado*, his first two books on the dynamics of the high-tech markets, Moore shows why sensitivity to stock price is the single most important lever for managing in the future, both as a leading indicator of shifts in competitive advantage and as an employee motivator for making necessary changes in organizations heretofore impervious to change. This revised and updated edition includes: A deeper emphasis on core versus context, which has emerged as the key distinction in allocating resources to improve shareholder value A new Competitive Advantage Grid that will aid managers in achieving and sustaining competitive advantage, the most important component in managing for shareholder value An expanded Value Discipline Model as it relates to the Competitive Advantage Grid Analysis of the powerful new trend toward core/context analysis and outsourcing production duties Updated models of organizational change for each stage of market development As disruptive forces continue to buffet the marketplace and rattle the staid practices of the past, Moore offers a brilliant set of navigational tools to help meet today's most compelling management challenges.

A workbook to accompany *The five dysfunctions of a team*.

[The Five Dysfunctions of a Team](#) BenBella Books

In yet another page-turner, New York Times best-selling author and acclaimed management expert Patrick Lencioni addresses the costly and maddening issue of silos, the barriers that create organizational politics. Silos devastate organizations, kill productivity, push good people out the door, and jeopardize the achievement of corporate goals. As with his other books, Lencioni writes *Silos, Politics, and Turf Wars* as a fictional—but eerily realistic—story. The story is about Jude Cousins, an eager young management consultant struggling to launch his practice by solving one of the more universal and frustrating problems faced by his clients. Through trial and error, he develops a simple yet ground-breaking approach for helping them transform confusion and infighting into clarity and alignment.

Based the leadership fable, by Patrick Lencioni, the *Five Dysfunctions of a Team Workshop Deluxe Facilitator's Guide Package* provides everything needed for high-impact workshops for intact teams. There is a *Facilitator's Guide* which has an introduction to the model, instructions for administering and debriefing the 38-item team assessment, and a script for presentation delivery. In addition, the package also contains a copy of the *Five Dysfunctions of a Team* book and the *Five Dysfunctions of a Team Video Presentation (DVD)*, which comes with its own 27-page supplemental guide. *Deluxe Facilitator's Guide* contents: binder (with tabs and loose-leaf pages), hardcover book, paper assessment, sample participant workbook, poster, CD-ROM, and DVD.

Why Organizational Health Trumps Everything Else In Business John Wiley & Sons

In this stunning follow-up to his best-selling book, *The Five Temptations of a CEO*, Patrick Lencioni offers up another leadership fable that's every bit as compelling and illuminating as its predecessor. This time, Lencioni's focus is on a leader's crucial role in building a healthy organization—an often overlooked but essential element of business life that is the linchpin of sustained success. Readers are treated to a story of corporate intrigue as the frustrated head of one consulting firm faces a leadership challenge so great that it threatens to topple his company, his career, and everything he holds true about leadership itself. In the story's telling, Lencioni helps his readers understand the disarming simplicity and power of creating organizational health, and reveals four key disciplines that they can follow to achieve it.

Participant Workbook for Team Leaders John Wiley & Sons

Based on years of work in the field with scores of companies including Bosch, 3M, Schlumberger, and Saab, this master class delivers a hands-on, practical approach for successfully implementing the Scrum framework in any domain.

Pfeiffer

Don't let chronic pain control you! Take charge of your health today with *Live Pain Free: Eliminate Chronic Pain without Drugs or Surgery*. You will quickly learn how to enjoy permanent pain relief in only a few minutes a day. Neuromuscular Therapist Lee Albert shares his Integrated Positional Therapy (IPT) techniques, which were designed to eliminate pain rather than simply hide the symptoms. They have already been used by thousands of people to successfully reduce or get rid of their chronic pain. This system can help you to correct the misalignments in your own body today. With easy-to-follow instructions and illustrative photos, *Live Pain Free* delivers simple therapeutic techniques that: • Require no previous experience • Require no special equipment • Fit your busy lifestyle • Can be done in bed • Can be done on the couch • Can be done at the office Get your body back into balance and back to health like the people below by using some simple techniques that you can do right now. "I had a sensation of what I remember about being seven years old, and realized that it was complete freedom from pain. Even though I had very minor, nondebilitating pain in the rest of my body, I didn't realize how it might feel to be without it." - SARK, author of *Succulent Wild Woman* "Integrated Positional Therapy makes perfect anatomic sense, and has helped me effectively relieve pain in patients with fibromyalgia, migraines, tension headaches, chronic low back pain, ankylosing spondylitis, shoulder pain - the list goes on and on." - Lisa C. Oliver, MD "Its use would yield vast savings in medical care costs, while at the same time sparing patients the additional burden of further injury caused by unnecessary medical treatment." - Clifford Schilke, M.D. What are you waiting for?
