## MCGEE GAEL

---

**The Great Acoustic Guitar Chord Songbook** Good Press  
A concise yet comprehensive account of the origins and evolution of rock music, emphasizing its interaction with social change and cultural trends. The narrative begins with "the birth of the blues" and proceeds to discuss the major (and mention the minor) performers and to identify the significant styles. These include Fifties rockabilly, folk/protest, the British Invasion, acid rock, punk/New Wave, and Eighties revivalism. Using a lively, anecdotal approach and pertinent quotes, the author examines the appropriate political, economic, technological, or psychological context of each topic, e.g., the relationship between Dylan's music and JFK's New Frontier. A primary focus throughout is on the contributions of blacks and the role of racism. Paul Feehan, Univ. of Miami Lib., Coral Gables, Fla. - Library Journal.  
*Catalog of Copyright Entries* University of Chicago Press  
On the workings of the music industry.  
*I Wear the Black Hat* MIT Press  
Ah, there's just nothing better than singing in the shower. The acoustics are perfect and you don't sound half bad, if you do say so yourself. In fact, with a little practice you could be the next "American Idol" platinum-selling recording artist, or stage sensation. It's time for Pavarotti to step down and for you to step up as monarch of songdom. Whether you're a beginning vocalist or a seasoned songster, *Singing for Dummies* makes it easy for you to achieve your songbird dreams. *Singing for Dummies* gives you step-by-step instructions and lots of helpful tips, hints, vocal exercises, reminders, and warnings for both men and women, including advice on: The mechanics of singing Discovering your singing voice Developing technique Singing in performance Maintaining vocal health Performing like a pro *Singing for Dummies* is written by Dr. Pamela Phillips, Chair of Voice and Music at New York University's Undergraduate Drama Department. Dr. Phillips shares all of her professional expertise to help you sing your way to the top. She gives you all the

information you need to know about: Proper posture and breathing Perfecting your articulation Finding the right voice teacher for you How to train for singing Selecting your music materials Acting the song Overcoming stage fright Auditioning for musical theater In addition to Dr. Phillips' wisdom, *Singing for Dummies* comes with a CD packed full of useful instruction and songs, including: Demonstrations of proper technique Exercises to develop technique and strength Scales and pitch drills Practice songs for beginning, intermediate, and advanced singers *Singing for Dummies* contains all the information, practices, techniques, and expert advice you need to hone your vocal skills with ease.  
*John Lennon for Ukulele* Castrovilli Giuseppe  
(Piano/Vocal/Guitar Songbook). A fitting follow-up to one of the most popular songbooks ever 150 of the Most Beautiful Songs Ever, this collection contains 150 more classics with no duplication of songs between the two volumes. Songs include: All I Ask of You \* All the Way \* Beautiful in My Eyes \* Can You Feel the Love Tonight \* Change the World \* Cry Me a River \* Do I Love You Because You're Beautiful? \* Don't Know Why \* Dream a Little Dream of Me \* Easy Living \* Everything Happens to Me \* A Fine Romance \* Grow Old with Me \* I Remember You \* I've Got My Love to Keep Me Warm \* Imagine \* Let's Fall in Love \* Love Me Tender \* Misty \* My Heart Will Go on (Love Theme from Titanic) \* They Say It's Wonderful \* Time After Time \* A Whole New World \* Wonderful Tonight \* You Raise Me Up \* and more.  
*Heaven and Hell* Random House  
Gregory Bateson was a philosopher, anthropologist, photographer, naturalist, and poet, as well as the husband and collaborator of Margaret Mead. This classic anthology of his major work includes a new Foreword by his daughter, Mary Katherine Bateson. 5 line drawings.  
*The Complete Idiot's Guide to Songwriting* Prentice Hall

Includes: The Chain \* Don't Stop \* Dreams \* Gold Dust Woman \* Gypsy \* Hold Me \* Landslide \* Little Lies \* Over My Head \* Rhiannon \* Say You Love Me \* You Make Lovin' Fun \* and more.  
*Fleetwood Mac - Anthology Songbook* Betterway Books

A group of resourceful kids start "solution-seekers.com," a website where "cybervisors" can get answers to questions that trouble them. But when one questioner asks the true meaning of Christmas, the kids seek to unravel the mystery by journeying back through the prophecies of the Old Testament. What they find is a series of "S" words that reveal a "spectacular story!" With creative characters, humorous dialogue and great music, *The "S" Files* is a children's Christmas musical your kids will love performing.  
*Language, Music, and the Brain* Writers Digest Books  
A deluxe paperback reissue of British actor (comedian, musician, and writer) Hugh Laurie's acclaimed spy romp—starring Thomas Lang, a hapless ex-soldier who is drawn into the center of a dangerous plot involving international terrorists, arms dealing, and CIA spooks. Featuring an introduction by Hugh Laurie, and a foreword by Stephen Fry! Retired Army officer Thomas Lang would love nothing more than to live out the rest of his existence drinking whiskey and riding motorcycles, and is content to make ends meet with mercenary jobs—just never murder. Not even when he's offered a fortune to assassinate American businessman Alexander Woolf. Lang opts to warn the target instead. But Lang's good deed does not go unpunished. When he finds not Woolf, but Woolf's alluring daughter, Sarah, and another less scrupulous mercenary closing in, Lang becomes entangled in an international conspiracy that lands him in the sights of both the Ministry of Defence and the CIA. Lang takes on rogue CIA agents, aspiring terrorists, and high-tech arms dealers to prevent an international bloodbath—and save the femme fatale he's falling in love with. Robert Ludlum by way of—well, Hugh Laurie, *THE GUN SELLER* is a whizz-bang novel of suspense, espionage, and humor, perfect for crime fiction and comedy fans alike.  
*Harriet Martineau's Autobiography* Hal Leonard Corporation  
Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. *I Know Why the Caged Bird Sings* captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-

sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local "powhitetrash." At eight years old and back at her mother's side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors ("I met and fell in love with William Shakespeare") will allow her to be free instead of imprisoned. Poetic and powerful, *I Know Why the Caged Bird Sings* will touch hearts and change minds for as long as people read. "I Know Why the Caged Bird Sings liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity."—James Baldwin From the Paperback edition.

*Joel Whitburn's Record Research top LP's [Supplement]* Hal Leonard Corporation

"In this edition, *A History* is intended to be used as the text for a college-level course on the history of rock music. As a teacher and a writer, author's primary concern has been to help students develop an understanding of both the musical and cultural roots of rock music and the ability to hear a direct relationship between those roots and currently popular music"--

**Eagles - Strum & Sing Guitar** Warner Bros Publications  
The Eagles are the bestselling, and arguably the tightest-lipped, American group ever. Now band member and guitarist Don Felder finally breaks the Eagles' years of public silence to take fans behind the scenes. He shares every part of the band's wild ride, from the pressure-packed recording studios and trashed hotel rooms to the tension-filled courtrooms, and from the joy of writing powerful new songs to the magic of performing in huge arenas packed with roaring fans.

**The Rolling Stones - Sheet Music Anthology** iUniverse (Berklee Press). If you dream about a career in the music industry, this book is for you. These practical strategies will help you to prepare for and land your dream job in the music business. Thousands of readers have used this book to educate and empower themselves and jumpstart successful music industry careers. You can, too! The third edition includes a new career tool kit and social media strategy. Inside you'll find: details on booming job prospects in digital music distribution and music

licensing; interviews with nine music industry professionals under 35 who discuss how they got their starts, plus what skills today's leading job candidates must possess; a resource directory of industry related job websites as well as U.S. and Canadian trade associations; step-by-step guidance for developing a first rate resume and acing your interviews; workshops to help you assess and develop your own personalized career tool kit; strategies for industry networking, finding a mentor, and how to effectively use social media.

**From a Cornish Window** Hal Leonard Corporation

For myself, lest I forget, or die unsung. This is not a travelogue, or a survival kit. This is the Fable of the Wealthy Man. A Dragon, with a Hoard of Treasures, Hidden, High in the Mountains, Far, Far away. For me.

**Radio Waves** iUniverse

One-of-a-kind cultural critic and New York Times bestselling author Chuck Klosterman "offers up great facts, interesting cultural insights, and thought-provoking moral calculations in this look at our love affair with the anti-hero" (New York magazine). Chuck Klosterman, "The Ethicist" for The New York Times Magazine, has walked into the darkness. In *I Wear the Black Hat*, he questions the modern understanding of villainy. When we classify someone as a bad person, what are we really saying, and why are we so obsessed with saying it? How does the culture of malevolence operate? What was so Machiavellian about Machiavelli? Why don't we see Bernhard Goetz the same way we see Batman? Who is more worthy of our vitriol—Bill Clinton or Don Henley? What was O.J. Simpson's second-worst decision? And why is Klosterman still haunted by some kid he knew for one week in 1985? Masterfully blending cultural analysis with self-interrogation and imaginative hypotheticals, *I Wear the Black Hat* delivers perceptive observations on the complexity of the antihero (seemingly the only kind of hero America still creates). As the Los Angeles Times notes: "By underscoring the contradictory, often knee-jerk ways we encounter the heroes and villains of our culture, Klosterman illustrates the passionate but incomplete computations that have come to define American culture—and maybe even American morality." *I Wear the Black Hat* is a rare example of serious criticism that's instantly accessible and really, really funny.

**150 More of the Most Beautiful Songs Ever (Songbook)** St

Martins Press

Offers an insider's view of the outrageous, rebellious, and controversial free-form FM radio era, from its counter-culture rise in the 1960s to its 1980s defeat by the "format machine"  
**Rockin' in Time** Soho Press

Light and light based technologies have played an important role in transforming our lives via scientific contributions spanned over thousands of years. In this book we present a vast collection of articles on various aspects of light and its applications in the contemporary world at a popular or semi-popular level. These articles are written by the world authorities in their respective fields. This is therefore a rare volume where the world experts have come together to present the developments in this most important field of science in an almost pedagogical manner. This volume covers five aspects related to light. The first presents two articles, one on the history of the nature of light, and the other on the scientific achievements of Ibn-Haitham (Alhazen), who is broadly considered the father of modern optics. These are then followed by an article on ultrafast phenomena and the invisible world. The third part includes papers on specific sources of light, the discoveries of which have revolutionized optical technologies in our lifetime. They discuss the nature and the characteristics of lasers, Solid-state lighting based on the Light Emitting Diode (LED) technology, and finally modern electron optics and its relationship to the Muslim golden age in science. The book's fourth part discusses various applications of optics and light in today's world, including biophotonics, art, optical communication, nanotechnology, the eye as an optical instrument, remote sensing, and optics in medicine. In turn, the last part focuses on quantum optics, a modern field that grew out of the interaction of light and matter. Topics addressed include atom optics, slow, stored and stationary light, optical tests of the foundation of physics, quantum mechanical properties of light fields carrying orbital angular momentum, quantum communication, and Wave-Particle dualism in action.

**The Gun Seller (Deluxe Edition)** University of California, Office for History of Science & Technology  
(Piano/Vocal/Guitar Artist Songbook). This fantastic collection features over 25 hits from the British rock band in piano/vocal/guitar notation, including: Angie \* Beast of Burden \* Emotional Rescue \* Fool to Cry \* Happy \* It's Only Rock 'N' Roll

(But I like It) \* Miss You \* Not Fade Away \* Rocks Off \* Shattered \* Start Me Up \* Time Is on My Side \* Tumbling Dice \* Waiting on a Friend \* and more.

**Steps to an Ecology of Mind** University of Hawaii Press

Years after the death of the former lead singer of America's most notorious rock band, his musical collaborator begins to receive a series of mysterious postcards bearing cryptic verses and signed only "J."

*The Craft and Business of Songwriting* Da Capo Press

A comprehensive book for today's amateur musician interested in

creating and writing his or her own songs, *The Complete Idiot's Guide to Songwriting, Second Edition*, is the most complete and up-to-date book available. Beating coverage from other series competition, Oscar-winning (and Grammy and Tony award nominated) author Joel Hirschhorn shares his firsthand knowledge of coming up with ideas, rhyming schemes, hooks, melodies, lyrics, and even titles - everything readers need to create their own hit songs! This new edition features coverage of the music business along with the ins and outs of selling a song including working with publishers, producers, artists, managers, accountants, agents, and even attorneys. Best of all, this newest

edition features special chapters on genre songwriting - with all new coverage of Latin music, Rock/Blues, Children's music, writing for television, film, and more.
