Taken by the Duke Simon and Schuster
It was only supposed to be one time. But
that red-hot one night stand from the

party? The sexy man in the suit who gave me more Os in a few hours than I've had in a year? Turns out my charming British stranger is keeping a little secret. He's as much of a whiz in the kitchen as he is in the bedroom and soon we'll be going head-to-head in NYC's biggest bake off. My one-time lover is now my enemy. I vow to loathe him for all eternity, though that would be easier if I wasn't dying to get naked with him again. But the more I learn more about my rival, the more I suspect he just might be everything I've wanted... If only I knew how to let him in...

Her Russian Master Fluge

Long-time frenemies. One-time friends. Both with a plan. Too bad he's messing up her plan. And, dammit, she's messing up his. Will these two ever get in synch?

Airbus A320: An Advanced Systems Guide Laramie Briscoe Books

Catherine is forced to choose the life she really wants: the big-city lawyer or the small town cowgirl with two men who want to take her for a very dirty ride. Her life's in New York. The property she's inherited is in Bridgewater, Montana. Going back to the town she visited every summer as a child stirs up long forgotten memories and a girlhood crush, on not one teen-turned-hot-cowboy, but two. Jack and Sam. Fortunately for her, in Bridgewater, one cowboy's never enough. **KEYWORDS:** romance books, contemporary romance, small town, new adult romance, best friends, cowboy romance, western romance, menage, mfm romance, marriage and family, series starter, first in series, romance series, romance saga, romantic family saga, bestseller romance, steamy, sexy, heartwarming, heart-warming, family, love, love books, kissing books, emotional journey, captivating romance, emotional, healing, hot, hot romance,

In God's Name 63 Documents the Government Doesn't Want You to Read The steamy first book in The Pleasure Wars series by USA Today Bestselling Historical Romance Author Jess Michaels Amid all the lies and scandals that fuel Society's gossip mill, one truth has stood out: House Rothcastle and House Windbury have always hated each other. Lady Ava Windbury prays the feud will someday end, to no avail. One dreadful night, her brother accidentally causes the death of Christian Rothcastle's sister, a tragedy that leaves both men maimed. Consumed by grief, Christian makes a grim decision. He will kidnap Lady Ava so that her family will feel the pain of loss as keenly as he feels the loss of his own sister. But once he has Ava in his clutches, desire takes unexpected hold. Even more surprising, she willingly surrenders to his every sexual whim—after haggling over the terms of giving up her virginity. Too late, he realizes she is using her body for peace, not war. But just as their affair of revenge turns into an affair of the heart, the past rears its ugly head to take matters into its own hands... Length: Full Length Novel Heat Level: Naughty, naughty CW: Violent accident (on page), abuse (described) This book is the first book in The Pleasure Wars series.

A friends-to-lovers romance, where one of them is a virgin and the other can't stop thinking about it. Adam True or false? Men and women can't be friends. I used to say true, until I met Kayla. Yes, she's a goddess, but it's completely platonic. So when she asks me to pose as her fiancé at a party, I'm all in. Especially since her sleazeball ex will be

there. Can you believe this weasel dumped her at the altar? I've got your back, Kayla. What are friends for? But now I'm worried I played the part too well because we're heading home, and she makes a confession: she's tired of saving herself for marriage and wants me to be her first. Her first! I can't go there. The woman has committed relationship written all over her, something I'm never doing again for good reason. Except when I tell her no, she starts considering other candidates. I can't let her be with some random guy! I can't cross the line either. She doesn't know what she's asking! She doesn't know what she's doing! Someone has to stop her. Kayla Only Adam will do. This romantic comedy stands alone with a swoonworthy happy-ever-after! No cliffhangers. Hardware Security: A Hands-On Learning Approach provides a broad, comprehensive and practical overview of hardware security that encompasses all levels of the electronic hardware infrastructure. It covers basic concepts like advanced attack techniques and countermeasures that are illustrated through theory, case studies and well-designed, hands-on laboratory exercises for each key concept. The book is ideal as a textbook for upper-level undergraduate students studying computer engineering, computer

science, electrical engineering, and biomedical engineering, but is also a handy reference for graduate students, researchers and industry professionals. For academic courses, the book contains a robust suite of teaching ancillaries. Users will be able to access schematic, layout and design files for a printed circuit board for hardware hacking (i.e. the HaHa board) that can be used by instructors to fabricate boards, a suite of videos that demonstrate different hardware vulnerabilities, hardware attacks and countermeasures, and a detailed description and user manual for companion materials. Provides a thorough overview of computer hardware, including the fundamentals of computer systems and the implications of security risks Includes discussion of the liability, safety and privacy implications of hardware and software security and interaction Gives insights on a wide range of security, trust issues and emerging attacks and protection mechanisms in the electronic hardware lifecycle, from design, fabrication, test, and distribution, straight through to supply chain and deployment in the field *Eine Nacht Voller Seligkeit (Sexy Romance)* Bridger Media

"A masterpiece of thriller and mystery! The author did a magnificent job developing characters with a psychological side that is so well described that we feel inside their minds, follow their fears and cheer for their success. The plot is very intelligent and will keep you entertained throughout the book. Full of twists, this book will keep you awake until the turn of the last page." --Books and Movie Reviews, Roberto Mattos (re Once Gone) WAITING (The Making of Riley Paige—Book Two) is book #2 in a new psychological thriller series by #1

bestselling author Blake Pierce, whose free bestseller *Once Gone* (Book #1) has received over 1,000 five star reviews. Brilliant 22 year old FBI intern Riley Paige struggles to decode the riddles of the sadistic serial killer dubbed by media as the “clown killer”—but finds it all becomes too personal when she herself, targeted, is in a battle for her life. Recent college graduate Riley Paige is accepted into the prestigious FBI summer internship program, and is determined to make a name for herself. Exposed to many departments of the FBI, she thinks it will be a quiet summer—until a serial killer holds Washington by suspense. Dubbed the “clown killer,” he dressed and paints his victims as clowns, and mocks the FBI with tantalizing riddles in the media. He leaves everyone to wonder: is he a clown himself? It seems that only Riley has the mind brilliant enough to decode the answers. And yet the journey into this killer’s mind is too dark—and the battle too personal—for Riley to come out unscathed. Can she win this deadly game of cat and mouse? An action-packed thriller with heart-pounding suspense, *WAITING* is book #2 in a riveting new series that will leave you turning pages late into the night. It takes readers back 20 plus years—to how Riley’s career began—and is the perfect complement to the *ONCE GONE* series (A Riley Paige Mystery), which includes 13 books and counting. Book #3 in *THE MAKING OF RILEY PAIGE* series is also now available!

An illustrated A-to-Z guide to amps from the award-winning author of *Guitar Encyclopedia*! This book is for fans of guitar amplifiers and the history that lies behind them. Starting with early amp models like the Gibson EH-150 that was first used with Gibson’s EH-150 lap-steel guitar and later the Charlie Christian ES-150 guitar, it then delves into the development of Fender, Vox, and Orange amps, and goes right up to the modern boutique designers like Industrial, Dr. Z, Fargen, and Fuchs. Also featured are such tube amp classics as the Seymour Duncan Convertible head, ahead of its time in offering tube-switching before THD Amps existed. Other amp designers profiled include: Carvin *

Danelectro/Silvertone * Engel * Epiphone * Line 6 * MESA/Boogie* Pignose * Paul Reed Smith * Premier * Roland * Seymour Duncan * and many, many more! Emmy Award-winning guitarist, composer, and producer Brian Tarquin takes on the unique subject matter of the electric guitar's sidekick and partner-in-crime to create this informative and enthralling reference guide. Interviews with various amp makers as well as players, and a foreword by Michael Molenda of *Guitar Player* magazine, all bring you closer to those glowing tubes and tones. *Guitar Amplifier Encyclopedia* provides an expansive education on all the best amps’ every nuance, and how they each changed the history of sound.

The goal of this book is to help students learn to use LabVIEW™ on their own. Learning with LabVIEW is the textbook that accompanies the LabVIEW Student Edition from National Instruments, Inc. This textbook, as well as the LabVIEW software (LabVIEW software is not included with this book), has undergone a significant revision from the previous edition. Learning with LabVIEW teaches basic programming concepts in a graphical environment and relates them to real-world applications in academia and industry. Understanding and using the intuitive and powerful LabVIEW software is easier than ever before. As you read through the book and work through the examples, we hope you will agree that this book is more of a personal tour guide than a software manual.

A new shifter romance series from New

York Times & USA Today Bestselling author Cristina Rayne *Previously published as Transformation, Revelation, Ramification, and Infiltration. Book One: Tempted by the Jaguar Kylie Moore has a secret, one she and her adoptive father have carefully guarded for over a decade since the night her parents disappeared. However, when she is randomly attacked one night in her apartment complex's parking lot, that one violent act sets in motion events that reveal not only her long-dormant shifter heritage in the worst possible way, but could also railroad her efforts of finding out what really happened to her parents. Suddenly finding herself the center of attention among Riverford's shifter clans, Kylie's only hope of navigating such a dangerous minefield of politics and perpetual battles over territory is Hunter, a too-sexy-for-her-peace-of-mind jaguar shifter that might be her key to gaining insider access to the hidden and secretive shifter society. Now Kylie must decide whether to integrate more deeply into Hunter's jaguar clan in order to take advantage of this rare opportunity or to run while her secret still remains uncovered. To stay would mean deliberately putting herself in more danger than Kylie may be prepared to handle, especially when Hunter, the person she must rely on, may be hiding something as well. Book Two: Accepting the Jaguar Kylie knew from the beginning that getting romantically involved with Hunter was an extremely bad idea, and now because of the Pandora's Box she inadvertently blew wide open in order to protect him, more than just Hunter may now determine the consequences she and those she loves will ultimately end up paying. Contains strong adult content and language. Search Terms: Multicultural romance,
