[Nyasia Sylvester 2](#) Sex and Horror Forney has for several years been

illustrating the Seattle alt-weekly The Stranger's "Lustlab" classified ads by interpreting the most interesting, outrageous, or idiosyncratic ad in that week's paper, that is awarded the appellation "Lustlab Ad of the Week." "Lustlab" is the category encompassing the kinkiest personal ads in the paper, and every week the page attracts Seattle's finest lovers, kinksters, perverts, and the perv-curious, and each week, Forney chooses one ad, edits the text, and creates a comic combining that text and imagery. She uses her brushwork in many different styles—bold and graphic, fine and detailed, cartoony, or elegant, depending on the tone of the ad. She uses a variety of resource materials for inspiration, from early erotic photography to Tom of Finland

to Wacky Packages-style send-ups of consumer products to original designs. Exhibitionists, voyeurs, threesomes, moresomes, tops, bottoms, switches, rope-lovers, spankers, spankees, bi-curious men, bi-curious women, lesbians with prison fantasies, masturbation clubs—Forney illustrates them all in her bemused, affectionate, witty, and elegant style. p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 13.9px Arial; color: #424242}

Between the 1960s and the early '80s Italy went crazy for the 'fumetti sexy', a genre of comics with a unique brand of twisted humour, violence, and up-front sensuality. Wilder and weirder than you can imagine, they were some of the most outrageous and shocking comics ever produced. One of the most accomplished and prolific fumetti cover artists was Alessandro Biffignandi, whose artworks featured horror, fantasy and sci-fi elements. This book collects some of the sexiest and most provocative examples of his work, which is highly coveted by collectors today.

This is the comic/tragic story of three people caught up in a chaotic world beginning in Tuscany during the rise of Mussolini and ending in Bethel, Massachusetts, during the pre-war Great Depression. The novel is a tapestry of colorful characters who weave in and out of the lives of its three major characters: Damiano di Cappo, his bastard son, Giacomo, and Sofia, who is earth mother and conscience-pricker to both. Damiano is the wild, sexually obsessed son of Florentine nobility. Giacomo, idiot- and artist-savant, was conceived through Damiano's adolescent passion for the voluptuous and much older family servant, Mariella. Sofia, a mail-order bride from a southern Italian village, arrives in Bethel in time to attend the wake of her intended husband-to-be and, thus, faces the fate of a stranger in a strange land. Back in Italy, the headstrong Damiano, in a savage rage, accidentally kills his father, whose ostensible goodness he despairs ever attaining. Damiano flees from Italy with an unwanted Giacomo at his heels. In Switzerland, he has a mysterious and chilling encounter with a beautiful woman,

who he comes to believe is an agent of the devil and who holds his soul in bondage. In a peculiar twist of fate, Damiano and Giacomo set sail for America. There, Damiano's encounters with Sofia cause him to believe that she is the agent of his salvation. This obsession leads to a violently bizarre climax, wherein Sofia is hailed as a saint by some and a sinner by others, and Giacomo, in his paintings, mocks the father he once adored.

Brandon McKinney is a man reborn. Newly awakened to the notion of consensual power exchange and the submissive urges inside him, he begs for a second chance from the man who opened his eyes to this world: Silicon Valley superstar Jonathan Watkins. But no birth is absent pain, and Brandon's is no exception. He fears he's not strong enough to see it through. Jonathan knows better. He's seen the iron core inside his new submissive, and the wounded heart inside him too. He means to teach Brandon to heal the one with the other. They have five months left on their contract, after all, and Jonathan has done more with less before. It's tough to stay objective, though, when you're falling in love. Shame Brandon doesn't feel the same. He's only there for the three-million-dollar payout at contract's end--a fact that Jonathan, nursing his own wounded heart, reminds himself of each day. For even as Brandon's barriers break and his mind expands, even as he grows to love his place at Jonathan's feet, he'll never love life with a sadist--especially one who cannot escape the public eye. "This title is #2 of the Power Play series." "Reader discretion advised. This title contains the following sensitive themes: heavy kink."
