PRESTON SWANSON

With a Little Help from Our Friends

Liveright
Publishing
Saralee Rosenberg's
compelling debut novel,
told in a warm, wise and
endearing voice, is about
sisters, mothers and
daughters, and loss,
sacrifice and love. When
Shelby Lazarus returns
home to Long Island in
the midst of a family
crisis, she is forced to face
all the issues from which
she originally ran
away—her mother's
untimely death, her
father's second marriage,
her sister's neuroticism,
and her own life's path.
When her Jewish mother
cannot help but meddle in
her daughters' lives from
the afterlife, it seems all
that Shelby needed was a
little help from above.

This poignant novel,
peppered with some
wonderful humour, is sure
to hit the heart of the
women's fiction market.

RINGO: WITH A LITTLE
HELP

With a Little Help from My Friends

Mariner
Books
This conversation-based

approach accelerates
language acquisition for
EL students and advances
academics and
social-emotional learning
for all. The authors
present a research-based
pedagogical model to help
K-12 teachers modify the
way they plan and
implement their lessons
to better support the
linguistic, cognitive, and
social-emotional
development of culturally
and linguistically diverse
students. "The authors
remind us that we are
working too hard in our
roles as providers of
knowledge and literacy.
Rather, a focus on
collaborative interactions
among students better
enables their autonomy,
mutual learning, and self-
directed paths to meaning
and knowledge. The
teacher onus is reduced,
yet students' ownership
and confidence are
bolstered in more
socioconstructive and
effectual ways. This work
is a must read for all
educators!" —Socorro G.
Herrera, Kansas State
University and author of
Accelerating Literacy for
Diverse Learners
"Describes a system of
classroom practice that
centers on discourse-rich
pedagogies. This book

makes an important
contribution to the
growing field of culturally
and linguistically
sustaining instructional
strategies." —Cory
Buxton, College of
Education, Oregon State
University "The authors'
detailed model for
achieving 'joint productive
activity' transforms the
mysterious alchemy of
'great teaching' into a
thoughtful, collaborative,
and mindful process all
teachers can use to
engage students in
learning." —Betsy R.
Rymes, Penn Graduate
School of Education
*Colleague Support in
Schools* Rowman &
Littlefield
From comedian Quinta
Brunson comes a deeply
personal and funny
collection of essays
featuring anecdotes about
trying to make it when
you're broke, overcoming
self-doubt and depression,
and how she's used
humor to navigate her
career in unusual
directions. Quinta Brunson
is a master of viral
Internet content: without
any traditional
background in media, her
humorous videos were the
first to break through on
Instagram's platform,
receiving millions of

views. From there, Brunson's wryly observant POV attracted the attention of BuzzFeed's motion picture development department, leading her to produce viral videos there about topics like interracial dating, millennial malaise, and seeing your ex in public. Now, Brunson is bringing her comedic chops to the page in *She Memes Well*, an earnest, laugh-out-loud collection about her weird road to Internet notoriety. In her debut essay collection, *Quinta* applies her trademark humor and heart to discuss what it was like to go from student loan debt-broke to "halfway recognizable--'don't I know you somewhere?'" level-of-fame. With anecdotes that range from the funny and zany--like her experience trying to find her signature hairstyle--to more grounded material about living with depression, Brunson's voice is entirely authentic and eminently readable. Perfect for fans of Phoebe Robinson's *You Can't Touch My Hair*, Samantha Irby's *We Are Never Meeting in Real Life*, and Issa Rae's *The Misadventures of Awkward Black Girl*, *She Memes Well* will charm

and entertain a growing, engaged audience. *How One Therapist and a Circle of Strangers Saved My Life* Margaret K. McElderry Books
 A REESE'S BOOK CLUB PICK * NEW YORK TIMES BESTSELLER The refreshingly original and "startlingly hopeful" (Lisa Taddeo) debut memoir of an over-achieving young lawyer who reluctantly agrees to group therapy and gets psychologically and emotionally naked in a room of six complete strangers—and finds human connection, and herself. Christie Tate had just been named the top student in her law school class and finally had her eating disorder under control. Why then was she driving through Chicago fantasizing about her own death? Why was she envisioning putting an end to the isolation and sadness that still plagued her despite her achievements? Enter Dr. Rosen, a therapist who calmly assures her that if she joins one of his psychotherapy groups, he can transform her life. All she has to do is show up and be honest. About everything—her eating habits, childhood, sexual history, etc. Christie is skeptical, insisting that

that she is defective, beyond cure. But Dr. Rosen issues a nine-word prescription that will change everything: "You don't need a cure. You need a witness." So begins her entry into the strange, terrifying, and ultimately life-changing world of group therapy. Christie is initially put off by Dr. Rosen's outlandish directives, but as her defenses break down and she comes to trust Dr. Rosen and to depend on the sessions and the prescribed nightly phone calls with various group members, she begins to understand what it means to connect. "Often hilarious, and ultimately very touching" (People), *Group* is "a wild ride" (The Boston Globe), and with Christie as our guide, we are given a front row seat to the daring, exhilarating, painful, and hilarious journey that is group therapy—an under-explored process that breaks you down, and then reassembles you so that all the pieces finally fit. *Help!* Oxford University Press
 With three generations of one family we share moments that are meant to be savored in this special book that beautifully illustrates the

words John Lennon and Paul McCartney's world-renowned song "In My Life." There are places I'll remember, in my life, though some have changed... One gift with a bright bow starts a young girl on a path...one her mother follows with her as she explores, grows, and rides off on her own, only to return again with her own daughter in tow. This hauntingly beautiful book shares the small moments of that journey that are meant to be remembered and savored in the lyrics of this classic song.

The Oxford Handbook of Music and Virtuality

Candlewick Press
The Oxford Handbook of Emerging Adulthood is the first and only comprehensive compilation spanning the field of emerging adulthood.

A Novel Simon and Schuster

Little Elephant is the happiest boy on the block with a little help from his daddy, who is always in the background helping out his son. Full color.

A, B, See the Beatles!

Dorrance Publishing
Craig Johnson's Walt Longmire series features a protagonist who, together with his best friend, serves as champion of, intermediary

between, and observer of a variety of nondominant groups, including women and the Northern Cheyenne. The blend of mystery and cultural exploration highlights the importance of tolerance and mutual understanding for all people, regardless of group membership.

This article originally appeared in *Clues: A Journal of Detection*, Volume 28, Issue 2.

Cross-Disciplinary Perspectives on Human Mobility and Cultural Encounters in Education Settings

THE BOOKER PRIZE • A

modern masterpiece that "reminds us of the power of truth in the face of evil"

(People)—and can be read

on its own or as a sequel

to Margaret Atwood's

classic, *The Handmaid's*

Tale. "Atwood's powers

are on full display" (Los

Angeles Times) in this

deeply compelling Booker

Prize-winning novel, now

updated with additional

content that explores the

historical sources, ideas,

and material that inspired

Atwood. More than fifteen

years after the events of

The Handmaid's Tale, the

theocratic regime of the

Republic of Gilead

maintains its grip on

power, but there are signs

it is beginning to rot from

within. At this crucial

moment, the lives of three

radically different women

converge, with potentially

explosive results. Two

have grown up as part of

the first generation to

come of age in the new

order. The testimonies of

these two young women

are joined by a third: Aunt

Lydia. Her complex past

and uncertain future

unfold in surprising and pivotal ways. With *The Testaments*, Margaret Atwood opens up the innermost workings of Gilead, as each woman is forced to come to terms with who she is, and how far she will go for what she believes.

An Angel on My

Shoulder Wildside Press LLC

Friendship is remembering all of those precious girlhood moments we spent with our dearest pals, a variety of shared experiences that helped mold us into who we are today. Heidi Wozniak's friendship-inspired gift book is the perfect token of gratitude for those friends who've been by your side all of these years, through so many ages and stages. Heidi's delicate watercolors blend beautifully with nostalgic prose, creating a perfect gift for the friends who've been there through thick and thin. Because as any good pal knows, the days would be much bleaker if it weren't for a little help from our friends!

Pepper's Lonely Hearts Club Band * She Loves You * Ticket to Ride * Twist and Shout * When I'm Sixty-Four * Yellow Submarine * Yesterday * and more.

Creating Community as We Grow Older Little Simon

A work of unparalleled candor and splendid beauty, *The Lyrics* celebrates the creative life and the musical genius of Paul McCartney through 154 of his most meaningful songs. From his early Liverpool days, through the historic decade of The Beatles, to Wings and his long solo career, *The Lyrics* pairs the definitive texts of 154 Paul McCartney songs with first-person

commentaries on his life and music. Spanning two alphabetically arranged volumes, these commentaries reveal how the songs came to be and the people who inspired them: his devoted parents, Mary and Jim; his songwriting partner, John Lennon; his "Golden Earth Girl," Linda Eastman; his wife, Nancy McCartney; and even Queen Elizabeth, among many others. Here are the origins of "Let It Be," "Lovely Rita," "Yesterday," and "Mull of Kintyre," as well as McCartney's literary influences, including Shakespeare, Lewis Carroll, and Alan Durband, his high-school English teacher. With images from McCartney's personal archives—handwritten texts, paintings, and photographs, hundreds previously unseen—*The Lyrics*, spanning sixty-four years, becomes the definitive literary and visual record of one of the greatest songwriters of all time.

Migration, Education and Translation Vanderbilt University Press

In this wordless picture book, a cat named Spot ventures out an open window and through a city on a journey, while his

owner tries to find him. *A Novel* Teachers College Press
Celebrate friendship with this lyrical picture book that beautifully illustrates John Lennon and Paul McCartney's world-renowned words from "With a Little Help from My Friends." In this gorgeously illustrated Classic Board Book, the universally loved song "With a Little Help From My Friends" comes to life, proving that sometimes, all you need is a little help from your friends!

The Beatles Lyrics

Simon and Schuster
You probably knew Molly Ivins as an unabashed civil libertarian who used her rapier wit and good ole Texas horse sense to excoriate political figures she deemed unworthy of our trust and respect. But did you also know that Molly was one helluva cook? And we're not just talking chili and chicken-fried steak, either. Molly Ivins honed her culinary skills on visits to France—often returning with perfected techniques for saumon en papillote or delectable clafouti aux cerises. Friends who had

the privilege of sharing Molly's table got not only a heaping helping of her insights into the political shenanigans of the day, but also a mouth-watering meal, prepared from scratch with the finest ingredients and assembled with the same meticulous attention to detail that Molly devoted to skewering a political recalcitrant. In *Stirring It Up with Molly Ivins*, her longtime friend, fellow reporter, and frequent sous-chef Ellen Sweets takes us into the kitchen with Molly and introduces us to the private woman behind the public figure. She serves up her own and others' favorite stories about Ivins as she recalls the fabulous meals they shared, complete with recipes for thirty-five of Molly's signature dishes. These stories reveal a woman who was even more fascinating and complex than the "professional Texan" she enjoyed playing in public. Friends who ate with Molly knew a cultured woman who was a fluent French speaker, voracious reader, rugged outdoors aficionado, music lover,

loyal and loving friend, and surrogate mom to many of her friends' children, as well as to her super-spoiled poodle. They also came to revere the courageous woman who refused to let cancer stop her from doing what she wanted, when she wanted. This is the Molly you'll be delighted to meet in *Stirring It Up with Molly Ivins*.
