## FINLEY BOONE

---

Dark Stranger the Trilogy Independently Published

"Hands down the best book series I have ever read. I Devour the books and coming from somebody who reads all the time this is an extreme compliment. I can't wait to read more please please keep writing! your writing style and everything is perfect I have never read such a well-written book where the story line develops with so many characters I love knowing what's going on with everybody I love that you switch characters back and forth it is so awesome. Also the steamy love scenes are to die for!" "This book sent me on the most amazing adventure that I hope never ends." "You will not be disappointed!! Don't miss this series!! Wow and Wow! Roller Coaster! Grown folks stuff! Not teenage paranormal romance but complicated, complex adult relationships, intrigue, mystery, hot sex, fantasy, and romance! This is EVERYTHING you'll ever want in a paranormal fantasy series!! It will make you cry, make you laugh, make you cheer for the heroes and heroines! All of the characters are well developed with strengths and weakness, beauty and flaws. Exciting plots! Intriguing twists and turns! You'll enjoy the mythical, the fantasy, the history! This is a wonderful series! I'm having trouble trying to find something to keep me busy until the next book!! And it doesn't come out until June! What in the hell am I going to do with myself!! Fates help me." KIAN AND SYSSI'S STORY IS A 3-PART SERIES! "Ok, these are probably the BEST books I have read in a long time. The writer is extraordinarily talented in bringing her cast of characters to life. If you like mysteries and love stories that are not typical --written by one of the best authors I have read in a really long time then please pick up the first book and read them." "Love Love Love this book! This book had me hooked right from the beginning! This is probably the best series I've read and that's saying a lot since some of my favorite Authors are JR Ward, Christine Feehan and Sherrilyn Kenyon!" "Best in the genre I. T. Lucas pens an exceptionally well developed story. Many writers in this genre are predictable and formulaic. The Children of the Gods series is never predictable. This series stands with the best of fantasy writers - the fact that it is romance fantasy is almost beside the point. That said, even the sex scenes are well done and NOT predictable! A must read." "I love this series. I am a huge BDB fan. never miss a book EVER. Now I have added this series to that list. So well written and never drags on--always a page turner. And it is not typical stuff, it is very unique! An absolute must read!" "I literally read this entire series in 3 days and now I'm going through character withdrawal waiting for the next. I.T. Lucas is an amazing writer with a brilliant mind and has quickly been added to my favorite author list." Syssi's paranormal foresight lands her a job at Dr. Amanda Dokani's neuroscience lab, but it fails to predict the thrilling yet terrifying turn her life will take. Syssi has no clue that her boss is an immortal who'll drag her into a secret, millennia-old battle over humanity's future. Nor does she realize that the professor's imposing brother is the mysterious stranger who's been starring in her dreams. Since the dawn of human civilization, two warring

factions of near-immortals - the descendants of the gods of old - have been secretly shaping its destiny. Leading the clandestine battle from his luxurious L.A. high-rise, Kian is surrounded by his clan, yet alone. Descending from a single goddess, clan members are forbidden to each other. And as the only other immortals are their hated enemies, Kian and his kin have been long resigned to a lonely existence of fleeting trysts with human partners. That is, until his sister makes a game-changing discovery - a mortal seeress who she believes is a dormant carrier of their genes.

*Dark Dream's Trap* Createspace Independent Publishing Platform

A Wrinkle in Time is the winner of the 1963 Newbery Medal. It was a dark and stormy night—Meg Murry, her small brother Charles Wallace, and her mother had come down to the kitchen for a midnight snack when they were upset by the arrival of a most disturbing stranger. "Wild nights are my glory," the unearthly stranger told them. "I just got caught in a downdraft and blown off course. Let me sit down for a moment, and then I'll be on my way. Speaking of ways, by the way, there is such a thing as a tesseract." A tesseract (in case the reader doesn't know) is a wrinkle in time. To tell more would rob the reader of the enjoyment of Miss L'Engle's unusual book. A Wrinkle in Time, winner of the Newbery Medal in 1963, is the story of the adventures in space and time of Meg, Charles Wallace, and Calvin O'Keefe (athlete, student, and one of the most popular boys in high school). They are in search of Meg's father, a scientist who disappeared while engaged in secret work for the government on the tesseract problem.

*Darkness Chosen* Independently Published

Absolution. David had given and received it. The few short hours since he'd emerged from the coma had felt incredible. He'd finally been free of the guilt and pain, and for the first time since Jonah's death, he had felt truly happy and optimistic about the future. He'd survived the transition into immortality, had been accepted into the clan, and was about to marry the most wonderful woman on the face of the planet, his true love mate, his salvation, his everything. What could have possibly gone wrong? Just about everything. The last thing David had expected when he called home with the happy news about his and Sari's upcoming nuptials was to find out that his mother and her husband were missing. He'd already lost his brother and father. Why was fate so cruel to him? Hadn't he suffered enough?

*Dark Guardian Found* Puffin

Considered by many the greatest war novel of all time, All Quiet on the Western Front is Erich Maria Remarque's masterpiece of the German experience during World War I. I am young, I am twenty years old; yet I know nothing of life but despair, death, fear, and fatuous superficiality cast over an abyss of sorrow. . . . This is the testament of Paul Bäumer, who enlists with his classmates in the German army during World War I. They become soldiers with youthful enthusiasm. But the world of duty, culture, and progress they had been taught breaks in pieces under the first bombardment in the trenches. Through years of vivid horror, Paul holds fast to a single vow: to fight against the principle of hate that meaninglessly pits young men of the same generation but different uniforms against one another . . . if only he can come out of the war alive. "The world has a great writer in

Erich Maria Remarque. He is a craftsman of unquestionably first rank, a man who can bend language to his will. Whether he writes of men or of inanimate nature, his touch is sensitive, firm, and sure."—The New York Times Book Review

*Dark Enemy Taken* Children of the Gods Paranorma

Ann Smith loves her handsome, dynamic boss, Jasha Wilder, but her daring plan to seduce him goes awry when she encounters a powerful wolf who-before her horrified eyes-changes into the man she adores. She soon discovers she can't escape her destiny, for she is the woman fated to break the curse that binds his soul.

*The Enemy* Createspace Independent Publishing Platform

Attending a charity gala as the clan's figurehead, Onegus is ready for the pesky socialites he'll have a hard time keeping away. Instead, he encounters an intriguing beauty who won't give him the time of day. Bad things happen when Cassandra gets all worked up, and given her fiery temper, the destructive power is difficult to tame. When she meets a gorgeous, cocky billionaire at a charity event, things just might start blowing up again.

*Dark Stranger the Dream* Children of the Gods Paranorma

Book 3, Immortal : When Kian confesses his true nature, Syssi is not as much shocked by the revelation as she is wounded by what she perceives as his callous plans for her. If she doesn't turn, he'd be forced to erase her memories and let her go. His family's safety demands secrecy--no one in the mortal world is allowed to know that immortals exist. Resigned to the cruel reality, Syssi is determined to enjoy what little time she has with Kian, one day at a time.

*Dark Haven Illusion* Children of the Gods Paranorma

Amanda suspects that something fishy is going on onboard the Anna. But when her investigation of the peculiar all-female Russian crew fails to uncover anything other than more speculations, she decides it's time to stop playing detective and face her real problem--a man she shouldn't want but can't live without. Will Amanda find a way to reconcile her feelings for Dalhu? Will Dalhu find a way to redeem himself in Amanda's eyes? Will Andrew find Bhathian's long-lost lover and child?

**They Called Us Enemy - Expanded Edition** Random House Trade Paperbacks

In the wake of a devastating disease, everyone sixteen and older is either dead or a decomposing, brainless creature with a ravenous appetite for flesh. Teens have barricaded themselves in buildings throughout London and venture outside only when they need to scavenge for food. The group of kids living a Waitrose supermarket is beginning to run out of options. When a mysterious traveler arrives and offers them safe haven at Buckingham Palace, they begin a harrowing journey across London. But their fight is far from over??the threat from within the palace is as real as the one outside it. Full of unexpected twists and quick-thinking heroes, *The Enemy* is a fast-paced, white-knuckle tale of survival in the face of unimaginable horror.

*Dark Queen's Quest* Little, Brown Books for Young Readers

Welcome to Safe Haven, where not everything is what it seems. On a quest to process personal pain, Anastasia joins the Safe Haven Spiritual Retreat. Through meditation, self-reflection, and hard work, she hopes to shed the shackles of society, free herself of her father's crippling expectations, and most importantly, make peace with the voices in her head. This is where she belongs. Except, membership comes with a hefty price, doubts are sacrilege, and leaving is not as easy as walking

out the front gate. Is living in utopia worth the sacrifice? Anastasia believes so until a new acolyte changes her mind not only about Safe Haven but also about herself and the world she lives in.

**Books 4-6: Dark Enemy Trilogy** Candlewick Press

"One of the best PNR series ever written." I just can't put these books down! I.T. Lucas is a masterful storyteller and has woven a complex world filled with engaging characters, intense stories and amazing dialogue that draws the reader in and never lets go. Both Turner and Bridget appear in earlier stories and Ms. Lucas has made this their time to shine. As has been her pattern, there is a second story about Roni and Sylvia that has been developing along with others that is barreling to a conclusion. Finally, we have the conflict with The Doomers and human trafficking. That's another shoe that's sure to drop in future stories."Series is fantastic! IT Lucas did it again. Can't wait for next book. I could read this series a number of times. The characters are so diverse & the story line is awesome. If you've read Black Dagger Brotherhood you have to try this series." "Love, love, love this series!!! IT Lucas has such a gift for writing. She takes a character like Victor who doesn't show a lot of emotion, and gets you so invested in his story that you are rooting for a happy ending for him. I can't WAIT for the next book in the series to see what happens!!!!" "This is a series not to be missed. Truly, one of the best Paranormal Romance series ever written." "FANTASTIC SERIES. This series is absolutely one of my favorite. I love being able to follow the lives of the characters from book to book and keep up with what is going on in their lives. In DARK OPERATIVE, Bridget meets Turner and the possibility of a long awaited love presents itself, but with obstacles on the horizon, there is a possibility that their romance will not be realized. As usual, I am anxiously awaiting the next installment. Oh, did I say I LOVE this series!!" "Brilliant as always. Totally captivating! This series gets me Every. Single. Time. My heart goes out to Bridget and Turner. I hope they are lovemates!-----As a brilliant strategist and the only human entrusted with the secret of immortals' existence, Turner is both an asset and a liability to the clan. His request to attempt transition into immortality as an alternative to cancer treatments cannot be denied without risking the clan's exposure. On the other hand, approving it means risking his premature death. In both scenarios, the clan will lose a valuable ally. When the decision is left to the clan's physician, Turner makes plans to manipulate her by taking advantage of her interest in him. Will Bridget fall for the cold, calculated operative? Or will Turner fall into his own trap?-----The loneliness didn't bother Turner. He was entirely satisfied with his own company. Even sex wasn't a strong enough motivator to seek out partners other than the paid kind. Dealing with people in any capacity other than professional was a strain. He wasn't a charmer who knew how to pick up women, and he didn't arm himself with the latest jokes and sports statistics to entertain company. The things he liked to talk about were as effective at prompting others' hasty departure as small talk was for him. Bridget, however, was not only highly intelligent but one of the most alluring women he had ever encountered, maybe because she wasn't as transparent to him as most people were. And she was hot. As much as Turner liked to believe he was all brain and not susceptible to primal urges, apparently they were still there, lying dormant until the right woman triggered their resurgence. And yet, he could have stifled his immediate and quite disturbing attraction to the doctor if not for the mixed signals she was sending him. Those subtle flirtatious comments confused him. Was she like that with all her patients?

**A Shadow of Death** John Wiley and Sons

When the rescue team returns with Amanda and the chained Dalhu to the keep, Amanda is not as thrilled to be back as she thought she'd be. Between Kian's contempt for her and Dalhu's imprisonment, Amanda's budding relationship with Dalhu seems doomed. Things start to look up when Annani offers her help, and together with Syssi they resolve to find a way for Amanda to be with Dalhu. But will she still want him when she realizes that he is responsible for her nephew's murder? Could she? Will she take the easy way out and choose Andrew instead?

#### **Dark Warrior Mine** Penguin

Includes: Dark Enemy Taken ★ Dark Enemy Captive ★ Dark Enemy Redeemed ★ Bonus short story: The Fates' Post-Wedding Celebration. "I could not stop reading! This read is brilliant. If you are a current fan of J. R. Ward and have read The Brotherhood Series, then these books are for you. Great Suspense, Drama and sex all rolled into a package that I T Lucas writes seamlessly... I am waiting for the next installment impatiently just as I do for the Brotherhood Series." "I still can't get over just how absolutely amazing this series is!! To intertwine Greek Mythology and history in all aspects as well as current events is absolutely mind blowing! So much so that when you really look at it can certainly seem plausible..." Dark Enemy Taken Since the dawn of human civilization, two warring factions of immortals, the descendants of the gods of old, have been secretly shaping its destiny. Amanda's small clan champions progress and peace, while their powerful enemy, the Doomers, propagates ignorance and war. Descending from a single goddess, the only one to survive the ancient cataclysm that wiped out her kind, Amanda's clan members are forbidden to each other. And as the only other known immortals are their hated enemies, they've been long resigned to a lonely existence of fleeting trysts with human partners. That is, until Amanda, the goddess's youngest daughter and a researcher of paranormal abilities, makes a game-changing discovery; two of her test subjects might be dormant carriers of the immortal gene. But before she can prove it, she gets snatched off a Beverly Hills street by a huge Doomer. Dalhu can't believe his luck when he stumbles upon the beautiful immortal professor. Presented with a once in a lifetime opportunity to grab an immortal female for himself, he kidnaps her and runs. If he ever gets caught, either by her people or his, his life is forfeit. But for a chance of a loving mate and a family of his own, Dalhu is prepared to do everything in his power to win Amanda's heart, and that includes leaving the Doom brotherhood and his old life behind. Amanda soon discovers that there is more to the handsome Doomer than his dark past and a hulking, sexy body. But succumbing to her enemy's seduction, or worse, developing feelings for a ruthless killer is out of the question. No man is worth life on the run, not even the one and only immortal male she could claim as her own. Her clan and her research must come first. Dark Enemy Captive When the rescue team returns with Amanda and the chained Dalhu to the keep, Amanda is not as thrilled to be back as she thought she'd be. Between Kian's contempt for her and Dalhu's imprisonment, Amanda's budding relationship with Dalhu seems doomed. Things start to look up when Annani offers her help, and together with Syssi they resolve to find a way for Amanda to be with Dalhu. But will she still want him when she realizes that he is responsible for her nephew's murder? Could she? Will she take the easy way out and choose Andrew instead? Dark Enemy Redeemed On board the Anna, Amanda suspects that something fishy is going on. But when her investigation of the peculiar all-female Russian crew fails to uncover anything other than more speculation, she decides it's time to stop playing detective and face her real

problem—a man she shouldn't want but can't live without. Will Amanda find a way to reconcile her feelings for Dalhu? Will Dalhu find a way to redeem himself in Amanda's eyes? Will Andrew find Bhathian's long-lost lover and child? Bonus Short Story: The Fates' Post-Wedding Celebration

#### *Dark Power Unleashed* HarperCollins

"Move over Romeo and Juliet!" "Once in while a book or series comes along that simply won't let you put it down and this was one of those great finds! I normally find myself skimming through characters to get to the ones I like, but not this time! I loved every sentence of every character introduced and simply want more!" Since the dawn of human civilization, two warring factions of near-immortals - the descendants of the gods of old - have been secretly shaping its destiny. While Amanda's small clan champions progress and peace, their powerful enemies, the Doomers, propagate ignorance and war. Descending from a single goddess - the only one to survive the ancient cataclysm that wiped out her kind - Amanda's clan members are forbidden to each other. And as the only other known immortals are their sworn enemies, they've been long resigned to a lonely existence of fleeting trysts with human partners. That is, until Amanda, the goddess's youngest daughter and a researcher of paranormal abilities - makes a game-changing discovery; two of her test subjects might be dormant carriers of the immortal gene. But before she can prove it, she gets snatched off a Beverly Hills street by a huge Doomer. Dalhu can't believe his luck when he stumbles upon the beautiful immortal professor. Presented with a once in a lifetime opportunity to grab an immortal female for himself, he kidnaps her and runs. If he ever gets caught, either by his people or hers, his life is forfeit. #### **Gathering Blue** Createspace Independent Publishing Platform

A special fiftieth anniversary edition of Kurt Vonnegut's masterpiece, "a desperate, painfully honest attempt to confront the monstrous crimes of the twentieth century" (Time), featuring a new introduction by Kevin Powers, author of the National Book Award finalist *The Yellow Birds* Selected by the Modern Library as one of the 100 best novels of all time *Slaughterhouse-Five*, an American classic, is one of the world's great antiwar books. Centering on the infamous World War II firebombing of Dresden, the novel is the result of what Kurt Vonnegut described as a twenty-three-year struggle to write a book about what he had witnessed as an American prisoner of war. It combines historical fiction, science fiction, autobiography, and satire in an account of the life of Billy Pilgrim, a barber's son turned draftee turned optometrist turned alien abductee. As Vonnegut had, Billy experiences the destruction of Dresden as a POW. Unlike Vonnegut, he experiences time travel, or coming "unstuck in time." An instant bestseller, *Slaughterhouse-Five* made Kurt Vonnegut a cult hero in American literature, a reputation that only strengthened over time, despite his being banned and censored by some libraries and schools for content and language. But it was precisely those elements of Vonnegut's writing—the political edginess, the genre-bending inventiveness, the frank

violence, the transgressive wit—that have inspired generations of readers not just to look differently at the world around them but to find the confidence to say something about it. Authors as wide-ranging as Norman Mailer, John Irving, Michael Crichton, Tim O’Brien, Margaret Atwood, Elizabeth Strout, David Sedaris, Jennifer Egan, and J. K. Rowling have all found inspiration in Vonnegut’s words. Jonathan Safran Foer has described Vonnegut as “the kind of writer who made people—young people especially—want to write.” George Saunders has declared Vonnegut to be “the great, urgent, passionate American writer of our century, who offers us . . . a model of the kind of compassionate thinking that might yet save us from ourselves.” Fifty years after its initial publication at the height of the Vietnam War, Vonnegut’s portrayal of political disillusionment, PTSD, and postwar anxiety feels as relevant, darkly humorous, and profoundly affecting as ever, an enduring beacon through our own era’s uncertainties. “Poignant and hilarious, threaded with compassion and, behind everything, the cataract of a thundering moral statement.”—The Boston Globe

#### **The Secrets of Happy Families** Independently Published

Mildred Hubble's first term at Miss Cackle's Academy for Witches starts badly when, unlike her classmates, she can't control her broom, her kitten, or her spells.

*Dark Power Untamed* Dial Press Trade Paperback

When Kian confesses his true nature, Syssi is not as much shocked by the revelation as she is wounded by what she perceives as his callous plans for her. If she doesn't turn, he'd be forced to erase her memories and let her go. His family's safety demands secrecy--no one in the mortal world is allowed to know that immortals exist. Resigned to the cruel reality, Syssi is determined to enjoy

what little time she has with Kian, one day at a time.

"...I was completely hooked from start to finish and did not want to put it down until I was done! I found myself devastated that the story was over already and wanting to read more..."-

OnlineBookClub.org While sheltered in the clan's stronghold, Syssi is unaware that Kian and Amanda are not human, and neither are the supposedly religious fanatics that are after her. She feels a powerful connection to Kian, and as he introduces her to a world of pleasure she never dared imagine, his dominant sexuality is a revelation. Considering that she's completely out of her element, Syssi feels comfortable and safe letting go with him. That is, until she begins to suspect that all is not as it seems. Piecing the puzzle together, she draws a scary, yet wrong conclusion... Kian and Syssi's story culminates in Book 3 of the series: *Dark Stranger Immortal*, and the characters embark on a new adventure in book 4: *Dark Enemy Taken*.

*Dark Queen's Army* HarperCollins

The trap is set, but who is the hunter and who is the prey? Find out in this heart-pounding conclusion to the Dark Dream trilogy.

**The Children Of The Gods** Createspace Independent Publishing Platform

"This is one of the best paranormal series being written. I have read all 19, pre-ordered the next 2 and have listened to 13 on audible. I was very happy to see Bridget get her HEA and Turner join the family. This series always leaves you excited about what is happening and what is to come. It was great getting to meet the real Turner. Thanks I T Lucas for another 5- Star read." Get ready for the exciting finale of Bridget and Turner 's story!
