"Where God gives the gift, the 'foolishness of preaching' is still mighty. But best of all is a team of two: one to deliver the preliminary intellectual barrage, and the other to follow up with a direct attack on the heart." An inveterate scholar, throughout his lifetime C.S. Lewis wrote on any number of topics. While his most famous essays concern his thoughts on Christianity, he was also interested in literature, masculinity, domestic life, and war. In the nineteen essays collected in *Present Concerns*, he touches on all of these and more. Though wide-ranging, these essays all share one thing: C.S. Lewis's characteristic pragmatism and persuasiveness. Many of the essays included were written between 1940 and 1945, and so pertinently reflect on the issues raised by World War II: democratic values, the need for a new chivalry, and the cynicism of the modern soldier, all of which remain relevant today. "Lewis gives us permission to admit our own doubts, our own angers and anguishes, and to know that they are part of the soul's growth."--Madeleine L'Engle

[The Collected Letters of C.S. Lewis](#) Createspace Independent Pub  
C. S. Lewis was a prolific letter writer, and his personal correspondence reveals much of his private life, reflections, friendships, and the progress of his thought. This second of a three-volume collection contains the letters Lewis wrote after his conversion to Christianity, as he began a lifetime of serious writing. Lewis corresponded with many of the twentieth century's major literary figures, including J. R. R. Tolkien and Dorothy Sayers. Here we encounter a surge of letters in response to a new audience of laypeople who wrote to him after the great success of his BBC radio broadcasts during World War II -- talks that would ultimately become his masterwork, *Mere Christianity*. Volume II begins with C. S. Lewis writing his first major work of literary history, *The Allegory of Love*, which established him as a scholar

with imaginative power. These letters trace his creative journey and recount his new circle of friends, "The Inklings," who meet regularly to share their writing. Tolkien reads aloud chapters of his unfinished *The Lord of the Rings*, while Lewis shares portions of his first novel, *Out of the Silent Planet*. Lewis's weekly letters to his brother, Warnie, away serving in the army during World War II, lead him to begin writing his first spiritual work, *The Problem of Pain*. After the serialization of *The Screwtape Letters*, the director of religious broadcasting at the BBC approached Lewis and the "Mere Christianity" talks were born. With his new broadcasting career, Lewis was inundated with letters from all over the world. His faithful, thoughtful responses to numerous questions reveal the clarity and wisdom of his theological and intellectual beliefs. Volume II includes Lewis's correspondence with great writers such as Owen Barfield, Arthur C. Clarke, Sheldon Vanauken, and Dom Bede Griffiths. The letters address many of Lewis's interests -- theology, literary criticism, poetry, fantasy, and children's stories - - as well as reveal his relationships with close friends and family. But what is apparent throughout this volume is how this quiet bachelor professor in England touched the lives of many through an amazing discipline of personal correspondence. Walter Hooper's insightful notes and comprehensive biographical appendix of the correspondents make this an irreplaceable reference for those curious about the life and work of one of the most creative minds of the modern era.

*The Cambridge Companion to C. S. Lewis* Harper Collins  
[www.delphiclassics.com](http://www.delphiclassics.com)

*Selected Literary Essays* HarperCollins

In this humorous and perceptive exchange between two devils, C. S. Lewis delves into moral questions about good vs. evil, temptation, repentance, and grace. Through this wonderful tale, the reader emerges with a better understanding of what it means to live a faithful life.

[The Theology of C. S. Lewis](#) Fount

Have you ever questioned life and wonder why you? Can you hear yourself saying, "Is there more to life than this?" I can identify this with you. Did you know? Our brain process approximately 70,000

thoughts on an average day. Often many wonder why so many give up and quit in life. In this book I will show you how to rise above mediocrity. No more settling for less than God's best and only fantasizing about your heart desires - Its time you Rise Above, Now.

*The Collected Works of C.S. Lewis* Zondervan

On the heels of her mother's death, Hope Logan reluctantly returned to her grandparents' home place in search of a journal that revealed explosive crimes and atrocities of the past that had haunted her grandma for nearly sixty-five years. Bitterness, unforgiveness, and anger consumed her as she set out to solve the mystery that surrounded her grandma's life. The dark evil secret that was contained in the journal only deepened her resentment of God. Because of her quest, she came in contact with many strong believers, especially a handsome young pastor and three senior citizens. In that small town in the foothills of the mountains of North Carolina, Hope's bitterness, unforgiveness, and anger slowly began to fade in the light of the strong faith of the young pastor and three senior citizens. She discovered the true meaning of faith and hope in Christ in the midst of adversity. Carolyn Digh Griffin, a native North Carolinian, resides in Waxhaw, North Carolina, with her husband, Hoyle. She is retired from Union County Public Schools where she was an Administrative Assistant to the Assistant Superintendent. She has two daughters and four grandchildren who also reside in the Old North State.

**C.S. Lewis and J.R.R. Tolkien as Writers in Community**  
Delphi Classics

A repackaged edition of the revered author's poetry—a collection of verse that exemplifies and celebrates his breadth of knowledge, his wide-ranging interests, both spiritual and earthly, and his never-ending search to find God and understand the mysteries of the world. Known for his fiction and philosophical nonfiction, C. S. Lewis—the great British writer, scholar, lay theologian, broadcaster, Christian apologist, and bestselling author of *Mere Christianity*, *The Screwtape Letters*, *The Great Divorce*, *The Chronicles of Narnia*, and many other beloved classics—was also an accomplished poet. In *Poems*, Lewis dives

deep into a wide range of subjects—from God to nature to love to unicorns—revealing his extensive imagination and sense of wonder.

**54 Works by C. S. Lewis, Including The Chronicles of Narnia** HarperCollins

C.S. Lewis' writings are prized for their genius at communicating the philosophical and theological rationale of Christianity in simple, everyday language. Now, for the first time in one volume, this inspired collection of three Lewis bestsellers--The Pilgrim's Regress, Christian Reflections and God in the Dock--allows you to sample some of the best ideas and arguments of this engaging Christian writer.

**The Screwtape Letters** Strelbytskyy Multimedia Publishing (Updated 2018 Edition!) Despite his status as one of the most influential and intelligent Christian authors of the 20th century, C.S. Lewis never thought of himself as a professional theologian. While he was well-read in many types of literary genres, he did not go to Seminary to obtain a Masters in Theology and study a year of Old Testament Hebrew and New Testament Greek. He was not a Pastor who preached sermons to a congregation for many years but a raw, honest philosopher and professor of literature who wrote as well as any Christian of his time could. He had a gift for clearly articulating his perspectives on a variety of issues. Above all, he was humble, in that he had an honest evaluation of both his strengths and his weaknesses. I believe this is one of the main reasons why he is still so enjoyable to read even after all these years. In terms of his theology, Lewis himself said he was an "Anglican but not especially 'high,' nor especially 'low,' nor especially anything else." So the theology of C.S. Lewis is not something one can immediately discover by simply perusing a certain book of his to see exactly where he stands on certain doctrinal issues; it is much more subtle and convoluted than that. But in this book, you will find his different thoughts from his many books about certain Christian doctrines and topics pieced together in an easy-to-follow format (Lewis has written nearly 60 books but none of them are on systematic theology). This book offers very clear depictions of his theology concerning subjects such as the doctrine of inspiration, original sin, human depravity, human origins, evolution, intelligent design, theodicy, love and marriage, redemption, grace, new creation, and grief, as his authentic reaction to God after his wife's death is conveyed. The

final chapter and appendix also contain all of his greatest quotes arranged and sorted by topic as well as excerpts, quotes, and summaries from most of his books in a quick, easy-to-read, bullet-point format. These last two sections are a particularly great resource to draw from as you can quickly learn about the main points Lewis conveys in his bestselling books.

*Delphi Complete Works of C. S. Lewis (Illustrated)* Cambridge University Press

A repackaged edition of the revered author's definitive collection of short fiction, which explores enduring spiritual and science fiction themes such as space, time, reality, fantasy, God, and the fate of humankind. From C.S. Lewis—the great British writer, scholar, lay theologian, broadcaster, Christian apologist, and author of *Mere Christianity*, *The Screwtape Letters*, *The Great Divorce*, *The Chronicles of Narnia*, and many other beloved classics—comes a collection of his dazzling short fiction. This collection of futuristic fiction includes a breathtaking science fiction story written early in his career in which Cambridge intellectuals witness the breach of space-time through a chronoscope—a telescope that looks not just into another world, but into another time. As powerful, inventive, and profound as his theological and philosophical works, *The Dark Tower* reveals another side of Lewis's creative mind and his longtime fascination with reality and spirituality. It is ideal reading for fans of J. R. R. Tolkien, Lewis's longtime friend and colleague.

*The Company They Keep* HarperCollins

A masterfully constructed book of psycho-spiritual poems that may make you laugh; may make you cry, but you surely will not be bored – a profoundly unique creative literary experience, chronicling the last thirty years of a great Mystic's journey toward spiritual purification, illumination, resurrection, and ascension. *Rain of Grace*, *New & Selected Poems* is more than just another typical book of poetry; it is an extraordinary transformative symphonic poetical encounter.

*Mere Christianity/Screwtape Letters - Collector Box* Xulon Press

This C. S. Lewis collection is formatted to the highest digital standards. The edition incorporates an interactive table of contents, footnotes and other information relevant to the content which makes the reading experience meticulously organized and enjoyable. Novels: *The Chronicles of Narnia: The Lion, the Witch and the Wardrobe* *Prince Caspian The Voyage of the Dawn*

Transposition On Obstinacy in Belief The Weight of Glory Clive Staples Lewis (1898-1963) was a British novelist, poet, academic, medievalist, literary critic, essayist, lay theologian, broadcaster, lecturer, and Christian apologist. He is best known for his fictional work, especially *The Chronicles of Narnia*, *The Screwtape Letters* and *The Space Trilogy*, and for his non-fiction Christian apologetics, such as *Mere Christianity*, *Miracles*, and *The Problem of Pain*.*

*New & Selected Poems* Zondervan

What was it like to have C. S. Lewis as a teacher? Most people know C. S. Lewis through his writings, but in his lifetime he was first and foremost a teacher. Now those who were influenced by what they learned from his teaching offer a unique view of one of the most influential Christian writers of all time. What was it like to study under C. S. Lewis when he taught at Oxford and Cambridge? How did his influence and teaching create a legacy that has influenced educators since? *C. S. Lewis Remembered* is a collection of interviews and essays that offer personal perspectives on Lewis the teacher and Lewis the man. These recollections portray him in all his humanity: both the irascibility and the brilliance, both the ferocity of his intellectual precision and the eagerness of his curiosity. Some of this book's contributors chose to study with Lewis because of his Christian faith. Others admired him as a scholar but never shared Lewis's interest in religion. Still others shared his "mere Christianity" but

differed with him over his Protestantism. But all of them came into contact with Lewis when they were young adults, whether they were students, colleagues, or those who knew him informally as a teacher. Many of them followed in his footsteps and became educators as well. Former students such as W. Brown Patterson, Peter Milward, and Peter Bayley talk about what it was like to study under Lewis. A recent lecture by Walter Hooper and essays by such noted scholars as Barbara Reynolds offer additional insight on Lewis and his influence. Also included are pieces by Lewis's godson, Lawrence Harwood; a transcript of an interview with Owen Barfield, a friend who knew Lewis from the time Lewis returned to Oxford after World War I and who played an important role in Lewis's shift from atheism to belief in God; and a hitherto unpublished sketch of Lewis by Mary Shelley Neylan. In addition, an article that appeared in *SF Horizons*, a magazine for science fiction fans, offers a transcript of a taped conversation between C. S. Lewis, Kingsley Amis, and Brian Aldiss.

**The C. S. Lewis Collection: Complete Works** e-artnow

This is an extensive collection of short essays and other pieces by C.S. Lewis brought together in one volume for the first time. As well as his many books, letters and poems, C.S. Lewis also wrote a great number of essays and shorter pieces on various subjects. He wrote extensively on Christian theology and the defence of faith, but also on various ethical issues and on the nature of

literature and story-telling. In the ESSAY COLLECTION we find a treasure trove of Lewis's reflections on diverse topics.

*The Chronicles of Narnia* Cambridge University Press

Killian knows all about vampires and aliens. They're not real. But when a handsome swimmer climbs into her storm-tossed boat an hour from her summer destination, the worlds of fantasy and reality suddenly collide... Cuttylea Island has no mall, no social scene, and no action. But it does have a mysterious stone tower, ageless islanders, and a secret as astonishing as a mermaid's tale... Before the summer is through, Killian will find the truth of her family's past...and the role she is destined to play in a centuries-old curse.

*Adventures in Collecting His Works* Createspace Independent Publishing Platform

The writer of popular works such as *The Chronicles of Narnia* series for children has also touched the world with his biographical journey to Christianity. Lewis was a profound thinker with the rare ability to communicate the philosophical and theological rationale of Christianity in simple yet amazingly effective ways. In *The Pilgrim's Regress*, Lewis records his search for meaning and spiritual satisfaction that eventually led him to Christianity. *God in the Dock* contains forty-eight essays and twelve letters that cover topics as varied as the logic of theism, good and evil, miracles, and ethics. And in *Christian Reflections*,

he addresses Christianity and literature, Christianity and culture, petitionary prayer, modern theology, and biblical criticism.

**Chronicles of Narnia, The Screwtape Letters, Screwtape**

**Proposes a Toast** Hampton Roads Publishing

A comprehensive 2010 single-volume study surveying C. S. Lewis's career as an academic, Christian thinker, and creative writer.

**The Collected Works of C. S. Lewis** Bbs Publishing Corporation

The creators of 'Narnia' and 'Middle Earth', C.S. Lewis and J.R.R. Tolkien were friends and colleagues. They met with a community of fellow writers at Oxford in the 1930s and 1940s, the group known as the Inklings. This study challenges the standard interpretation that the Inklings had little influence on one another's work.

**The Complete Collection** Simon and Schuster

Seven Spiritual Masterworks by C. S. Lewis This classic collection includes C. S. Lewis's most important spiritual works: *Mere Christianity* *The Screwtape Letters* *The Great Divorce* *The Problem of Pain* *Miracles* *A Grief Observed* *The Abolition of Man* *C. S. Lewis Remembered* Zondervan

A forceful and accessible discussion of Christian belief that has become one of the most popular introductions to Christianity and one of the most popular of Lewis's books. Uncovers common ground upon which all Christians can stand together.
