Greta and the Goblin King Lonely Raven Studios

In the midst of a 1981 meteor shower in Iowa, a homicidal maniac escapes from prison and returns to the farm where his nineteen-year-old son, Ry, must summon three childhood toys--Mr. Furrington, Jesus Christ, and Scowler--to protect himself, his eleven-year-old sister, Sarah, and their mother.

The Son & His Hope Flawed

From New York Times Bestseller, Pepper Winters, comes her most poignant tale yet. This edition contains both books: THE BOY & HIS RIBBON and THE GIRL & HER REN. The complete RIBBON DUET. "What do you do when you meet your soul mate? No wait...that's too easy. What do you do when you meet your soul mate and have to spend a lifetime loving him in secret? I'll tell you what you do. You lie." REN Ren was eight when he learned that love doesn't exist—that the one person who was supposed to adore him only cared how much he was worth. His mother sold him and for two years, he lived in terror. But then...he ran. He thought he'd run on his own. Turned out, he took something of theirs by accident and it became the one thing he never wanted and the only thing he ever needed. DELLA I was young when I fell in love with him, when he switched from my world to my everything. My parents bought him for cheap labour, just like they had with many other kids, and he had the scars to prove it. At the start, he hated me, and I could understand why. For years he was my worst enemy, fiercest protector, and dearest friend. But by the end...he loved me. The only problem was, he loved me in an entirely different way to the way I loved him. And slowly, my secret drove us apart. ★6 Stars! The boy and his Ribbon... Is the most painfully heartbreaking, soul shattering, addictive, unforgettable, and most beautiful masterpiece I have ever read! -S, Goodreads Reviewer ★ALL THE STARS I was in the mood for an emotional love story and this delivered it in spades. Provocative and utterly mesmerizing! --Olgatherebelreader ★Ms.Winters has created a hell of a masterpiece. An absolute damn masterpiece. I think I hate her a little for making me love this story so much! -M. Michelle ★ This book. God, this book is one of the best books I have ever had the pleasure of reading. Without a doubt and with so much confidence I can say and will say this is the best book of 2018. 6 stars, S Goodreads
