Erotic Desires: A Collection of Erotic Short Stories Sophie Palmer

"Secrets and Seduction" is a short story collection of five newly written Victorian romantic and erotic short stories and includes the following stories: The Lady in White Fallen Woman Nightly Hunting French Liaisons The Old Rose Garden Please note: These short stories includes erotic adult themes such as: Forbidden desire, romantic liaisons, debauchery, seduction, bisexual, threesome (MFF), semi-rough lovemaking, sensual erotica, and lesbian romance themes. Extracts from the stories: "But still, this was nothing like that. It truly was the most innocent kiss. Nothing more, and nothing less," he thought as he gently pressed his lips against hers. And there was something absolutely maddening about kissing this slow and careful. Something perfectly irresistible about kissing so softly and restrained with the knowledge of what could be should they crossed the line. "Like walking on spring

ice when you are tipsy," Ewan thought. Exhilarating, fun, but utterly dangerous." - From the short story "The Lady in White" An extract from the story: "For months I had longed for her, even though I had not completely understood it myself, or perhaps was unwilling to admit it, and now when she was in my arms, kissing me and caressing my breasts through the black linen maid's dress, it felt like my skin was on fire everywhere she touched me." - From the short story "Fallen Woman" "Warm, soft skin and ringlets of chestnut-coloured hair clouded his mind, obscured his vision and repeatedly diverted his focus. And when she skilfully managed to undo his coarse wool trousers so that his naked hardness suddenly was allowed to press directly against her unclad thighs and bottom, he knew that the battle was lost." - From the short story "Nightly Hunting" "At first he could not exactly identify what it was that was wrong, distracted by the combination of increasing carnal lust and the fact that his attentiveness was somewhat diminished since he had just woken up. Therefore, it was not until he felt a second female body embracing him from behind and a soft thigh entangle itself in between his own legs that Louis understood that something was very clearly amiss. "Qu'est-ce qui se passe?" he asked out loud in French, too confused to remember to speak English. 'What is happening?' - From the short story "French Liaisons" Product details: Category: Victorian Romance and Erotica Format: Kindle eBook Written and published: 2013 Length: ~ 35500 words Proofread by Pauline Nolet Publisher: My Secret Quill About the author: Lady T. L. Jennings is a shy writer who loves the Victorian era and afternoon tea. Older Woman: Collection of Explicit Erotic Short Stories My Secret Quill

Please note: These short stories includes erotic adult themes such as: Romantic liaisons, passion, bondage, bisexual, threesome (MMF), semi-rough lovemaking, and gay romance themes. "Corsets and Cravings" is a short story collection of five newly written Victorian romantic and erotic short stories and includes the following stories: Under the Full Moon Sinful Dealings The Pianoforte Secret Letters The Castle in the Mist Extracts from the stories: "Reader, he kissed me! At first, tender and careful. Tentatively, perhaps to see if I would resist him or not. However, I kissed him back, full of passion. An entire summer of suppressed desire and longing rose towards the surface. I buried my hands in his hair and he cupped my face as the kiss continued and grew into forbidden emotions, which irreversibly whirled through my body. Not caring about my completely indecent behaviour or the fact that we were outdoors I let my hands slip in under his shirt and touch him, which made him moan softly and kiss me deeper." - From the short story "The Pianoforte" "What are you doing?" Timothy asked in a strangled voice, as they finally removed his trousers and the rest of his clothes. He could not see what they were doing since he was blindfolded, but that only increased the anticipation. He should feel vulnerable, blindfolded and with tied arms behind his back, however instead it strangely made him feel both safe and extremely excited at the same time. No one replied to his question and he moaned quietly in expectation. - From the short story "Sinful Dealings" "He stood petrified as he felt her lips against his, her naked body pressed against his. For a moment rage, sorrow, and passion fought inside of him before passion claimed victory. He pulled her closer and kissed her back, deeply and with no regrets. Their lovemaking was neither slow, nor gentle, but an act of burning need and desire. Henry embraced her and she could feel his craving and hardness against her, which had a most arousing effect. He cradled her naked bottom and kissed her deeply, exploring her with his tongue. She smelled and tasted like the woods, wild and untamed." - From the short story "Under the Full Moon" Reviews: "I loved this! Descriptive, sensual and a very pleasant read. I enjoyed it very much." "...It's a lovely story..." Rated four stars by readers' reviews. Sweet - Big Compilation of Taboo Sexy Short Hot Erotic Stories Lucy Sterling

Summary: An unwelcome marriage proposal to secure the future for young Elizabeth and an accident in the old library leads to unexpected situations, as Elizabeth wants to learn more about intimate liaisons by secretly looking at the erotic session of an amorous couple. Keywords: Voyeurism, marriage proposal, arousal, supernatural theme, library. An extract from the story: "Are you ready?" he asked, stroking and kissing her nipples. "Yes, please!" she said, panting, and started to pull at his trousers. "No, no, none of that..." he said teasingly, but reluctantly, as he moved her hands away. "Not yet," he added and smiled roguish at her disappointed sigh. I stayed petrified in front of the window as the scene continued before me. I felt feverish and out of breath myself, wishing with all my heart that someone would make love to me like that, but also keenly aware of that I was watching something entirely private and that it was both wicked and wrong of me to stay and look. However, I did not - could not! - leave. My Secret Quill

No-one can read the thousands of erotic books and pamphlets that the English reading public were offered in the 19th Century. This anthology hopes to stimulate readers into exploring further erotic adventures by offering a selection of Victorian pleasures. This anthology of delicious and deviant love combines bawdy, obscene, salacious and humorous stories where themes of sado-masochism, incest and flagellation recur, sometimes shocking but often affectionate.

Big Butt: A Super Collection of Erotic Short Stories Whitney Delaney

Summary: During the winter holidays Ethan is returning home to his family's estate in the remote part of England, close to the Scottish border. After a family argument he goes to sleep half-drunk, however, in the middle of the night he receives an unexpected nightly visitor in his private bedchamber. Keywords: Winter, desire, candlelight, succubus, surrendering. An extract from the story: "The bedside candle lit up every inch of her female body; the slim hips, the pale flesh, and the beautiful small, rounded breasts, one with a small birthmark just above the pink nipple. It suddenly became very

hard to breathe or to have coherent thoughts. She bent over him, kissing him again, mumbling in his ear: "I have waited for this for too long. We both know we want this." Her nimble fingers had managed to undo his breeches and now she touched him without any layers of clothes between them. The feeling was intoxicating, but he still tried, feeble and almost delirious, to protest until she carefully guided him inside." Booklover ~ The fifth story from "Lust and Lace", a Victorian Romance and Erotic short story collection Whitney Delaney

Summary: Strange dreams and suppressed desire are haunting the young master of a large and neglected mansion. Without knowing, the new servant, Victor, is the source of forbidden temptation. Keywords: Forbidden temptation, male erotica, suppressed desire, fellatio, lucky charms. An extract from the story: "Anything else, sir?" he said and just slightly leaned closer, while his mind was rebelling against his behaviour. What was he

doing? Was he insane? He would lose his employment! Ah, but he had not done anything wrong. Not yet. "Anything, sir... What do you want me to do?" "Seduce me," James whispered back, breathlessly. "As you wish, Master," Victor said softly, as he gave free rein to his yearning and kissed him lightly. The kiss started gently, lips touching wet lips in short breaths, but as hands explored flesh, the kiss grew deeper and tongues met. They kissed again and half wrestled toward the old four-poster bed, ripping the bed curtains aside. Fantasy: A Super Collection of Erotic Short Stories April Bryan

Summary: There is an old rose garden across the fields behind Halifax manor in Yorkshire where no one ever comes. Abandoned for years, moss and climbing ivy vines have long ago claimed the wooden pergolas and overgrown the white marble statues around the forgotten pond in the middle of the garden. No one ever comes there except Georgina; a young woman who everyone thinks is a little bit peculiar ever since that strange accident. But when her brother hires a couple of workers and a new gardener from the village to help clear up the gardens around the estate, everything will change... An extract from the story: "Did you not know that it is forbidden to run in the rose garden?" he mumbled and kissed my hair softly. "You made that up," I accused him and tried to move away from him; however, he would not let me get away. Instead, he pulled me closer, and kissed and gently nibbled my earlobe. It tickled a little, but I also found it rather exciting, something that I knew he was perfectly aware of. I shivered despite the warm summer day. "There is a punishment for running in my garden," he continued and left a trail of soft kisses along my throat. I felt his grip around my waist increase slightly, and one of his hands travelled downwards and stroked my lower back. My heart beat faster, which was not entirely a result of having been running. "There is not." I giggled in protest. "Besides, technically it is my garden and not yours! The old rose garden belongs to my family's estate, after all." "No one can own a garden, you silly girl. It belongs to the person who takes care of it, of course. Everyone knows that..."

Sharing is Good: A Collection of Erotic Short Stories Lucy Sterling

Summary: The first snow has already fallen and covered London in white. A lone writer by the name of William is working late, when he notices a flickering light at the opposite of the street, by the neglected Winchester cemetery. He decides to investigate it further... Keywords: Yearning, vampires, vulnerability, hunger, mild ravishment. An extract from the story: "...Not responsible for my actions..." she whispered slowly and stood up, tip-toe, and kissed him. He was too surprised to draw back. When he tried, she had already placed her unexpectedly strong arms around his neck, and he lacked the strength to pry them away. In fact, he felt strangely helpless, as if it were someone else who acted instead of him as he kissed her in return. His hands involuntarily reached her waist and pulled her closer. She, on the other hand, shredded his clothes as if they were made of paper, and pulled him down toward the floor with him on top of her.
