Winner of the Tony Hillerman Fiction Award "A crime novel that transcends the genre—a twisting, high-stakes story with characters so real and so recognizably human, that it breaks your heart a little. Brilliant." -Shari Lapena, author of the New York Times bestseller *The Couple Next Door* Ex-FBI agent Brigid Quinn, now happily settled in Tucson, doesn't visit her family in Florida much. But her former partner on the force, Laura Coleman—a woman whose life she has saved and who has saved her life in turn—is living there now. So when Laura calls about a case that is not going well, Brigid doesn't hesitate to get on a plane. On leave from the Bureau, Laura has been volunteering for a legal group trying to prove the innocence of a man who is on death row for killing his family. Laura is firmly convinced that he didn't do it, while Brigid isn't so sure—but the date for his execution is coming up so quickly that they'll have to act fast to find any evidence that may absolve him before it's too late... *A Twist of the Knife*, Edgar Award and CWA Gold Dagger finalist Becky Masterman's third Brigid Quinn novel, is the masterful follow-up to *Fear the Darkness* and *Rage Against the Dying*.

Scorpia Akashic Books

Following a long-standing feud and looking to settle the score, a woman decides to dismantle her home—alone and by hand—and move it across a frozen pond during a harsh New England winter in this mesmerizing debut. Home is certainly not where Del's heart is. After a local scandal led to her parents' divorce and the rest of her family turned their backs on her, Del left her small town and cut off contact. Now, with both of her parents gone, a chance has arrived for Del to retaliate. Her uncle wants the one thing Del inherited: the family home. Instead of handing the place over, and with no other resources at her disposal, Del decides she will tear the place apart herself—piece by piece. But Del will soon discover, the task stirs up more than just old memories as relatives—each in their own state of unraveling—come knocking on her door. This spare, strange, magical book is a story not only about the powerlessness and hurt that run through a family but also about the moments when brokenness can offer us the rare chance to start again.
