JIMENEZ KARSYN

Yearling
An extraordinary new novel from Jasmine Warga, Newbery Honor-winning author of *Other Words for Home*, about loss and healing—and how friendship can be magical. Cora hasn't spoken to her best friend, Quinn, in a year. Despite living next door to each other,

they exist in separate worlds of grief. Cora is still grappling with the death of her beloved sister in a school shooting, and Quinn is carrying the guilt of what her brother did. On the day of Cora's twelfth birthday, Quinn leaves a box on her doorstep with a note. She has decided that the only way to fix things is to go back in time to the moment before her brother changed all their lives forever—and stop him.

In spite of herself, Cora wants to believe. And so the two former friends begin working together to open a wormhole in the fabric of the universe. But as they attempt to unravel the mysteries of time travel to save their siblings, they learn that the magic of their friendship may actually be the key to saving themselves. *The Shape of Thunder* is a deeply moving story, told with exceptional grace, about friendship and loss—and how believing in impossible things can help us heal.

Swear to Howdy

Penguin

A moving novel about learning to find happiness in the face of uncertainty and discovering a love that transcends the boundary between life

and death. Seventeen-year-old Alex Byrd is about to have the worst day of her life, and the best. A routine blood test that will reveal her leukaemia has returned, but she also meets Jamie Orange. Some people believe in love at first sight, and some don't. I believe in love in four days. I believe in falling. Both teenagers have big dreams, but also big obstacles to overcome. 'Promise me you won't try to die,' I said. 'Ever.' 'Promise me you won't either,' he countered. 'It's not really something I can control.'

[After the Kiss](#) Yearling Books

Echo in Time delivers on "the possibility of an equally thrilling sequel" (Kirkus Reviews) to *Erasing Time*. After being pulled 400 years

into the future, twins Taylor and Sheridan have found some refuge from the government of Traventon, which used the dangerous Time Strainer to yank the girls from the past. Yet the threat of the dangerous technology still looms. Taylor and an ally, Joseph, are selected to go on a mission to destroy the time machine and weapon. But their actions before they do may have major consequences for the future and the past. Action-packed and romantic, this futuristic sequel to *Erasing Time* is perfect for fans of dystopian and sci-fi novels such as *The Maze Runner* by James Dashner, *Across the Universe* by Beth Revis, and *Matched* by Ally Condie.

The Secret Life of Lincoln Jones
goobookstore
Someone is spray-painting graffiti all over Cedar Valley and it is up to fifth-grader Nolan Byrd, also known as Shredderman, to expose the vandal.

Flipped HarperCollins
After running away from her fifth foster home, Holly, a twelve-year-old orphan, travels across the country, keeping a journal of her experiences and struggle to survive.

Flipped Ember
Fans of *Real Friends* and *Be Prepared* will love this energetic, affecting graphic memoir, in which a young girl uses her active imagination to navigate middle school as well as the fallout from her parents' divorce. Tori has never

lived in just one world. Since her parents' divorce, she's lived in both her mom's house and her dad's new apartment. And in both places, no matter how hard she tries, her family still treats her like a little kid. Then there's school, where friendships old and new are starting to feel more and more out of her hands. Thankfully, she has books-and writing. And now the stories she makes up in her head just might save her when everything else around her—friendships, school, family—is falling apart. Author Tori Sharp takes us with her on a journey through the many commonplace but complex issues of fractured families, as well as the beautiful fantasy narrative that

helps her cope, gorgeously illustrated and full of magic, fairies, witches and lost and found friendships. *Secret Identity* Yearling Books

Lauren Layne kicks off her *Sex, Love & Stiletto* series with a delightful short novel! In *After the Kiss*, the star columnist of *Stiletto* magazine will do anything for a story. Anything . . . except fall in love. Julie Greene loves flings. Loves steamy first dates, sizzling first kisses, and every now and then, that first sexy romp between the sheets. Comfy pants, sleepy Sundays, movie nights on the couch? Shudder. But when Julie gets assigned the hardest story of her career—a first-person account of that magical shift between dating and “I

do”—she’ll need a man brave enough to give a total commitment-phobe a chance at more. Normally, Mitchell Forbes would be exactly that man. A devastatingly hot workaholic who tends to stay in relationships for far too long, he should be the perfect subject for Julie’s “research.” But what Julie doesn’t know is that Mitchell is looking to cut loose for once in his life. And the leggy journalist notorious for avoiding love is exactly the type of no-strings fling he’s looking for. In other words, Mitchell is the polar opposite of what Julie needs right now. And, at the same time, he’s exactly what she wants. Praise for *After the Kiss* “Packed with loads of sizzle and Snickerlicious fun, Lauren Layne’s *After*

the Kiss is a knock-your-stilettos-off, total page-turning treat that had me fan-girling up within the first chapter. I absolutely loved this read!”—USA Today bestselling author Mira Lyn Kelly “Funny, intelligent, and touching, Lauren Layne’s *After the Kiss* is a delightful debut.”—Ruthie Knox, USA Today bestselling author of *Flirting with Disaster* Lauren Layne’s New York Times bestselling Oxford Novel series can be read in any order: *IRRESISTIBLY YOURS* *I WISH YOU WERE MINE* *SOMEONE LIKE YOU* *I KNEW YOU WERE TROUBLE* *I THINK I LOVE YOU* Don’t miss any of Lauren Layne’s hot reads: *The Love Unexpectedly* series: *BLURRED LINES* |

Just One Night Knopf
Books for Young
Readers
From the author of *The
Running Dream* comes
a heart-swelling
historical tale of
friendship, family, and
the power of sisterhood
to help heal the
wounds of the past and
step boldly into the
future. Ginny Rose and
Peggy were best

friends at seven,
picking peaches on hot
summer days. Peggy's
family owned the farm,
and Ginny Rose's were
pickers, escaping the
Oklahoma dust storms.
That didn't matter to
them then, but now,
ten years, hard miles,
and a world war later,
Ginny Rose's family is
back in town and their
differences feel
somehow starker.
Especially since
Peggy's new best
friend, Lisette, is a
wealthy banker's
daughter. Still, there's
no denying what all
three girls have in
common: Families with
great fissures that are
about to break wide
open. And a
determination to not
just accept things as
they are anymore. This
summer they will each
make a stand. It's a
season of secrets

revealed. Of daring plans to heal old wounds. Of hearts won and hearts broken. A summer when everything changes because you're seventeen, and it's time to be bold. And because it's easier to be brave with a true friend by your side.

An Anthology

Yearling

Fifth-grader Nolan Byrd, tired of being called names by the class bully, has a secret identity-- Shredderman!

Rarity from the Hollow

Ember

"The most winning junior detective ever in teen lit. (Take that, Nancy Drew!)"

—Midwest Children's Book Review What Sammy should have done was put the binoculars down and call 911. What she

does instead is tighten up the focus on her right eye to get a better look. There's something very familiar about this thief. But when Sammy eventually spills her story to Officer Borsch, he doesn't believe her. He treats her like some snot-nosed little kid. Well, Sammy's not going to stand for that. She's a snot-nosed seventh grader now, and she knows what she saw. And somehow she's going to prove it. The Sammy Keyes mysteries are fast-paced, funny, thoroughly modern, and true whodunits. Each mystery is exciting and dramatic, but it's the drama in Sammy's personal life that keeps readers coming back to see what happens next with her love interest

Casey, her soap-star mother, and her mysterious father.

Echo in Time Flipped

In alternating chapters, two teenagers describe how their feelings about themselves, each other, and their families have changed over the years.

Sinister Substitute

Novel Units,
Incorporated
Possessing strong opinions and beliefs, Carolyn seems to have a hold on the world and knows her place in it, but the summer before she enters sixth grade, everything seems to change as she enters a new stage in her life.
Reprint.

A Sex, Love & Stiletto Novel

Yearling Books
After spending one life-changing day in Paris with laid-back Dutch actor Willem De Ruiter,

sheltered American good girl Allyson “Lulu” Healey discovered her new lover had disappeared without a trace. Just One Day followed Allyson’s quest to reunite with Willem; Just One Year chronicled the pair’s year apart from Willem’s perspective. Now, back together at last, this delectable e-novella reveals the couple’s final chapter.

Sammy Keyes and the Night of Skulls

Pan Macmillan
A classic he-said-she-said romantic comedy, with bonus content including a Q&A with the author. All I've ever wanted is for Juli Baker to leave me alone. For her to back off – you know, just give me some space. Juli has been making Bryce's life hell from the moment they met. All

he wants is to live a normal life, without some crazy person mooning after him. The first day I met Bryce Loski, I flipped.

Honestly, one look at him and I became a lunatic. It's his eyes. But she doesn't see it that way. In her eyes, they're meant for each other, even though he might not realize it yet. That is, until the eighth grade, when everything flips. And just as Juli starts to realize that Bryce may not be all he seemed, Bryce begins to think that there's more to Juli than meets the eye . . .

Wendelin Van Draanen's *Flipped* is a modern-day classic about first love and not judging a book by its cover. A romantic comedy-of-errors told in alternating chapters by two fresh, funny

voices.

All the Way Home

Harper Collins
From condemned prisoner to food taster for the Commander of Ixia, from apprentice to a charismatic assassin to warrior with ever-evolving magical powers, Yelena is a remarkable heroine like none you've ever experienced. Follow her amazing journey through Maria V. Snyder's breathtaking fantasy series, which New York Times bestselling author Mercedes Lackey calls "engaging and entirely original...fascinating in its rich detail." Bundle includes *Poison Study*, *Magic Study* and *Fire Study*, and also includes as a special bonus, the online read written exclusively for eHarlequin.com, *Assassin Study!*

The Study Series
Bundle Yearling Books
"The most winning junior detective ever in teen lit. (Take that, Nancy Drew!)"
—Midwest Children's Book Review
The bad news: Sammy's made a deadly mistake. The good news: No one knows she did it. The delicious dilemma: Everyone thinks her archenemy Heather is to blame. Now Heather is in a major jam, and in some ways it's only fair—Heather has pinned more than a few crimes on Sammy. Besides, there are distractions galore to keep Sammy from confessing. Like the end of the school year. And the Farewell Dance. Especially the dance, since she's going with Heather's (dreamy) brother Casey. But Sammy

knows the truth has an uncanny way of resurfacing, and when it does, the stench can be more vile than the junior high cafeteria. The Sammy Keyes mysteries are fast-paced, funny, thoroughly modern, and true whodunits. Each mystery is exciting and dramatic, but it's the drama in Sammy's personal life that keeps readers coming back to see what happens next with her love interest Casey, her soap-star mother, and her mysterious father. *Sammy Keyes and the Hotel Thief* Harper Collins
When a school bus accident leaves sixteen-year-old Jessica an amputee, she returns to school with a prosthetic limb and her track team finds a

wonderful way to help rekindle her dream of running again.

The Peach Rebellion

Yearling

It's August 1941, and Brick and Mariel both love the Brooklyn Dodgers. Brick listens to their games on the radio in Windy Hill, in upstate New York, where his family has an apple orchard; Mariel, once a polio patient in the hospital in Windy Hill, lives in Brooklyn near the Dodgers' home, Ebbets Field. She was adopted by Loretta, a nurse at the hospital, and has never known what happened to her own mother. Someday, somehow, she plans to return to Windy Hill and find out. When a fire destroys their orchard, Brick's parents must leave the farm to find work. They

send him to live in Brooklyn with their friend Loretta, even though Brick knows that their elderly neighbors need his help to pick what's left of the apples. The only good thing about Brooklyn is seeing the Dodgers play—that, and his friendship with Mariel. Maybe, together, they'll find a way to return to Windy Hill, save the harvest, and learn the truth about Mariel's past.

Sammy Keyes and the Dead Giveaway Knopf Books for Young Readers

Two thirteen-year-old boys share neighborhood adventures, complaints about their older sisters, family secrets, and even guilt that bind them together in a special friendship. *Runaway* Penguin UK

After reading her mother's secret collection of romance novels during her parent's difficult

separation, seventeen-year-old Evangeline Logan begins a quest for the perfect kiss.
