The Kane Chronicles, Book Three:
 Serpent's Shadow: The Graphic Novel

Disney Electronic Content

A collection of books featuring Percy Jackson and his army of young demigods on different adventures.

Olympians: Dionysos Disney-Hyperion
 ORPHAN, CLOCK KEEPER, AND THIEF,
 twelve-year-old Hugo lives in the walls of a busy Paris train station, where his survival depends on secrets and anonymity. But when his world suddenly interlock with an eccentric girl and her grandfather, Hugo's undercover life, and his most precious

secret, are put in jeopardy. A cryptic drawing, a treasured notebook, a stolen key, a mechanical man, and a hidden message from Hugo's dead father form the backbone of this intricate, tender, and spellbinding mystery.

The Complete Kane Chronicles Penguin UK

Thrown from Mount Olympus as a newborn and caught by Thetis and Eurynome, who raised him on the island of Lemnos, Hephaistos had an aptitude for creating beautiful objects from a very young age. Despite his rejection from Olympus, he swallowed his anger and spent his days perfecting his craft. His exquisitely forged gifts and weapons earned him back his seat in the heavens, but he was not treated as an equal—his brothers and

sisters looked down at him for his lame leg, and even his own wife, Aphrodite, was disloyal. In this installment of the bestselling Olympians graphic novel series, witness Hephaistos' wrath as he creates a plan that'll win him the respect he deserves.

Percy Jackson & the Olympians Random House Books for Young Readers

He's b-a-a-ack! Despite their best efforts, Carter and Sadie Kane can't seem to keep Apophis, the chaos snake, down. Now Apophis is threatening to plunge the world into eternal darkness, and the Kanes are faced with the impossible task of having to destroy him once and for all.

Unfortunately, the magicians of the House of Life are on the brink of civil war, the gods are divided, and the young initiates

of Brooklyn House stand almost alone against the forces of chaos. The Kaness' only hope is an ancient spell that might turn the serpent's own shadow into a weapon, but the magic has been lost for a millennia. To find the answer they need, the Kaness must rely on the murderous ghost of a powerful magician who might be able to lead them to the serpent's shadow . . . or might lead them to their deaths in the depths of the underworld. Nothing less than the mortal world is at stake when the Kane family fulfills its destiny in this thrilling conclusion to the Kane Chronicles. This non-stop thrill ride is adapted and brought to life by Orpheus Collar, who previously adapted and illustrated the rest of the Kane Chronicles series: *Red Pyramid*, *The Graphic Novel*; and *Throne of Fire*, *The Graphic Novel*.

Disney Electronic Content

The Highlights Book of Things to Do is the essential book of pure creativity and inspiration. Kids ages seven and up will find hundreds of ways to build, play, experiment, craft, cook, dream, think, and become outstanding citizens of the world. This highly visual, hands-on activity book shows kids some of the best ways to do great things--from practicing the lost arts of knot-tying, building campfires, connecting circuits, playing jump rope, drawing maps, and writing letters, to learning how to empower themselves socially, emotionally, and in their communities. The final chapter, *Do Great Things*, inspires kids become caring individuals, confident problem solvers, and thoughtful people who can change the world. Full List of Chapters: *Things to Do Inside Things to Do Outside Science Experiments to Do Things to Build Things to Do with Your Brain Things to Do in the Kitchen Things to Draw Things to Write Things to Do with Color Things to Do with Paper More Things to Do with Recycled Materials Do Great Things National Parenting Seal of Approval Winner, National Parenting Product Award (NAPPA) Winner, Mom's Choice Award, Gold*

A Wrinkle in Time: The Graphic Novel
Hyperion

In the final volume of the New York Times-bestselling *Olympians* graphic novel series, author/artist George O'Connor focuses on Dionysos, the god of wine and madness. The *Olympians* saga draws to a close with the tale of Dionysos, the last Olympian, and maybe, just maybe, the first of a new type of God. His story is told by the first Olympian herself, Hestia, Goddess of the hearth and home. From her seat in the center of Mt. Olympus, Hestia relates the rise of Dionysos, from

his birth to a mortal mother, to his discovery of wine, his battles with madness and his conquering of death itself, culminating, finally, in his ascent to Olympus and Godhood.

Brooklyn House Magician's Manual Puffin

Since their mother's death, Carter and Sadie have become near-strangers. While Sadie has lived with her grandparents in London, Carter has traveled the world with their father, the famed Egyptologist Dr. Julius Kane. /DIVDIVOne night, Dr. Kane brings the siblings together to the British Museum, where he hopes to set things right for his family. Instead, he unleashes the Egyptian god Set, who banishes him to oblivion and forces the children to flee for their lives. Soon, Sadie and Carter discover that all the gods of Egypt are waking, and that Set now has his sights on them. To stop him, the duo embarks on a dangerous journey across the globe, one that brings them ever closer to the truth about their family and its connection to a secret order that has existed since the time of the pharaohs. The heart-stopping action and magic explode off the page in *The Red Pyramid*, *The Graphic Novel*, based on the worldwide best-selling novel by Rick Riordan.

[Race, Punishment, and the Afterlife of Mass Incarceration](#) HarperCollins

You've read the book. You've seen the movie. Now submerge yourself in the thrilling, stunning, and action-packed graphic novel. Mythological monsters and the gods of Mount Olympus seem to be walking out of the pages of twelve-year-old Percy Jackson's textbooks and into his life. And worse, he's angered a few of them. Zeus's master lightning bolt has been stolen, and Percy is the prime suspect. Now, he and his friends have just ten days to find and return Zeus's stolen property and bring peace to a warring Mount Olympus. Series creator Rick Riordan joins forces with some of the biggest names in the comic book industry to tell the story of a boy who must unravel a treachery more powerful than the gods themselves.

Greetings, initiate! Carter Kane, here. Congratulations on reaching Brooklyn House in one piece. You are quite clearly descended from Egyptian royalty, with magical powers gifted from the gods. But what good is power without knowing how to use it? That's where this training manual comes in. It's packed with quizzes, stories and inside info on the Ancient Egyptian deities. For those with the blood of the pharaohs, this is your first step

down the path of the gods. But beware, anything can happen in the world of Egyptian magic . . . Forming a trio with *HOTEL VALHALLA* and *CAMP HALF-BLOOD CONFIDENTIAL*, this companion guide gives readers the inside scoop on Brooklyn House - the safe haven in New York for magicians like Carter and Sadie Kane.

Expanding upon his viral TEDx Talk, psychology professor and social scientist John V. Petrocelli reveals the critical thinking habits you can develop to recognize and combat pervasive false information that harms society in *The Life-Changing Science of Detecting Bullshit*. *Bullshit* is the foundation of contaminated thinking and bad decisions leading to health consequences, financial losses, legal consequences, broken relationships, and wasted time and resources. No matter how smart we believe ourselves to be, we're all susceptible to bullshit—and we all engage in it. While we may brush it off as harmless marketing sales speak or as humorous, embellished claims, it's actually much more dangerous and insidious. It's how Bernie Madoff successfully swindled billions of dollars from even the most experienced financial experts with his Ponzi scheme. It's how the protocols of Mao Zedong's Great Leap Forward resulted in the deaths of 36 million people from starvation. Presented as truths by authority figures and credentialed experts, bullshit appears legitimate, and we accept their words as gospel. If we don't question the information we receive from bullshit artists to prove their thoughts and theories, we allow these falsehoods to take root in our memories and beliefs. This faulty data affects our decision making capabilities, sometimes resulting in regrettable life choices. But with a little dose of skepticism and a commitment to truth seeking, you

can build your critical thinking and scientific reasoning skills to evaluate information, separate fact from fiction, and see through bullshitter spin. In *The Life-Changing Science of Detecting Bullshit*, experimental social psychologist John V. Petrocelli provides invaluable strategies not only to recognize and protect yourself from everyday bullshit, but to accept your own lack of knowledge about subjects and avoid in engaging in bullshit just for societal conformity. With real world examples from people versed in bullshit who work in the used car, real estate, wine, and diamond industries, Petrocelli exposes the red-flag warning signs found in the anecdotal stories, emotional language, and buzzwords used by bullshitters that persuade our decisions. By using his critical thinking defensive tactics against those motivated by profit, we will also learn how to stop the toxic misinformation spread from the social media influencers, fake news, and op-eds that permeate our culture and call out bullshit whenever we see it.

[Debunking Howard Zinn](#) Disney Electronic Content

Carter and Sadie Kane, descendants of the magical House of Life, are in pretty big trouble. Despite their bravest efforts, Apophis, the giant snake of Chaos, is still threatening to plunge the world into eternal darkness. Now the Kanes must do something no magician has ever managed - defeat Apophis himself. No pressure there then. Battling against the forces of Chaos, their only hope is an ancient spell - but the magic has been lost for a millennia. Will they find the serpent's shadow, or will they be led to their deaths in the depths of the Underworld? Don't miss any of the explosive action in the final thrilling instalment of the Kane Chronicles Trilogy.

[Katie the Catsitter Book 2: Best Friends for Never](#) Disney Electronic Content

Since their mother's death, Carter and Sadie have become near strangers. While Sadie has lived with her grandparents in London, her brother has traveled the world with their father, the brilliant Egyptologist, Dr. Julius Kane. One night, Dr. Kane brings the siblings together for a "research experiment" at the British Museum, where he hopes to set things right for his family. Instead, he unleashes the Egyptian god Set, who banishes him to oblivion and forces the children to flee for their lives. From the creator of the hit Percy Jackson series.

The Serpent's Shadow Puffin

A "persuasive and essential" (Matthew Desmond) work that will forever change how we look at life after prison in America

through Miller's "stunning, and deeply painful reckoning with our nation's carceral system" (Heather Ann Thompson) Each year, more than half a million Americans are released from prison and join a population of twenty million people who live with a felony record. Reuben Miller, a chaplain at the Cook County Jail in Chicago and is now a sociologist studying mass incarceration, spent years alongside prisoners, ex-prisoners, their friends, and their families to understand the lifelong burden that even a single arrest can entail. What his work revealed is a simple, if overlooked truth: life after incarceration is its own form of prison. The idea that one can serve their debt and return to life as a full-fledge member of society is one of America's most nefarious myths. Recently released individuals are faced with jobs that are off-limits, apartments that cannot be occupied and votes that cannot be cast. As *The Color of Law* exposed about our understanding of housing segregation, *Halfway Home* shows that the American justice system was not created to rehabilitate. Parole is structured to keep classes of Americans impoverished, unstable, and disenfranchised long after they've paid their debt to society. Informed by Miller's experience as the son and brother of incarcerated men, captures the stories of the men, women, and communities fighting against a system that is designed for them to fail. It is a poignant and eye-opening call to arms that reveals how laws, rules, and regulations extract a tangible cost not only from those working to rebuild their lives, but also our democracy. As Miller searchingly explores, America must acknowledge and value the lives of its formerly imprisoned citizens.

The Case for Keto Little, Brown

For fifty years, the medical establishment has preached the same rules for losing weight: restrict calories, eat less, and exercise more. Yet in that time, obesity in the United States has skyrocketed. So why has this prescription so clearly failed? Based on twenty years of investigative reporting and interviews with more than a hundred practicing physicians who embrace ketogenic (low-carbohydrate, high-fat) eating as the best formula for health, here bestselling author Gary Taubes puts the keto movement in the necessary historical and scientific perspective. He makes clear the vital misconceptions about obesity and diet (no, people do not become fat simply by eating too much or being sedentary; hormones play the critical role) and uses collected clinical experience from the medical community to provide much-

needed practical advice on healthy eating. A groundbreaking manifesto for the fight against obesity and diabetes, in *The Case for Keto*, Taubes reveals why the established rules about eating healthfully might be the wrong approach to weight loss for most people, and how ketogenic diets can help many of us achieve and maintain a healthy weight for life.

The Throne of Fire Disney Electronic Content

Percy Jackson and the Last Olympian is the fifth awesome adventure in Rick Riordan's top-ten bestselling series. Half Boy. Half God. ALL Hero. Most people get presents on their sixteenth birthday. I get a prophecy that could save or destroy the world. It happens when you're the son of Poseidon, God of the Sea. According to an ancient prophecy, I turn sixteen and the fate of the entire world is on me. But no pressure. Now Kronos, Lord of the Titans, is beginning his attack on New York City. And the dreaded monster Typhon is also heading our way. So it's me and forty of my demi-god friends versus untold evil . . .

_____ 'Riordan takes the reader back to the stories we love; then shakes the cobwebs out of them' Eoin Colfer 'Witty and inspired. Gripping, touching and deliciously satirical' The Times 'Puns, jokes and subtle wit, alongside a gripping storyline' Telegraph 'Perfectly paced, with electrifying moments chasing each other like heartbeats' New York Times 'It's Buffy meets Artemis Fowl. Thumbs up' Sunday Times 'Funny . . . very exciting . . . but it's the storytelling that will get readers hooked. After all, this is the stuff of legends' Guardian _____ The Percy Jackson series: Percy Jackson and the Lightning Thief Percy Jackson and the Sea of Monsters Percy Jackson and the Titan's Curse Percy Jackson and the Battle of the Labyrinth Percy Jackson: The Demigod Files The Heroes of Olympus series: The Lost Hero The Son Of Neptune The Mark of Athena The Heroes of Olympus: The Demigod Files The Kane Chronicles series: The Red Pyramid The Throne of Fire The Serpent's Shadow The Magnus Chase series: Magnus Chase and the Sword of Summer Magnus Chase and the Hammer of Thor Magnus Chase and the Ship of the Dead The Trials of Apollo series: The Dark Prophecy The Hidden Oracle The Burning Maze
