dazzling reader-favorite  
about the choices that go  
into a life well lived, from  
the acclaimed author of  
How To Stop Time and  
The Comfort Book.  
Somewhere out beyond  
the edge of the universe  
there is a library that  
contains an infinite

number of books, each  
one the story of another  
reality. One tells the story  
of your life as it is, along  
with another book for the  
other life you could have  
lived if you had made a  
different choice at any  
point in your life. While  
we all wonder how our  
lives might have been,  
what if you had the  
chance to go to the library  
and see for yourself?

Would any of these other lives truly be better? In *The Midnight Library*, Matt Haig's enchanting blockbuster novel, Nora Seed finds herself faced with this decision. Faced with the possibility of changing her life for a new one, following a different career, undoing old breakups, realizing her dreams of becoming a glaciologist; she must search within herself as she travels through the *Midnight Library* to decide what is truly fulfilling in life, and what makes it worth living in the first

place.

More than 100 fun food-crafting ideas that will engage, delight, and amaze kids-from actress, entrepreneur, and mom, Sarah Michelle Gellar, and former Martha Stewart Living editor Gia Russo. Why stop with making basic brownies? Why not put them on a stick and decorate them? Why not take boring broccoli and turn it into a yummy cheese muffin instead? Sarah Michelle Gellar learned quickly that to get her kids to be adventurous with food,

she had to involve them in preparing it. She wanted that process to be fun and help them develop self-confidence, creative thinking, and even math skills! So Sarah and co-author Gia Russo came up with more than 100 fun food-crafting ideas that take basic food preparation to a surprising new level. Organized by month, the book offers projects for every occasion and theme, including Super Bowl, Valentine's Day, Shark Week, Halloween, and even a Star Wars Day

with licensed Star Wars creations! The possibilities are endless!

Good Taste Harper Collins  
A New York Times Best Cookbook of Fall 2016 • A warm and inviting guide to turning birthdays, holidays, and everyday occasions into cherished traditions, with more than 100 time-tested recipes—from the creator

of the popular blog and book *Dinner: A Love Story* and author of the New York Times bestseller *Dinner: The Playbook* "Families crave rituals," says Jenny Rosenstrach, and by rituals she means not just the big celebrations—Valentine's Day dinners, Mother's Day brunches, Halloween send-offs, Thanksgiving feasts, holiday cocktail parties—but the little ones we may not even realize are rituals: a platter of deluxe nachos on Super Bowl Sunday, or a bowl of creamy mashed potatoes

after every braces-tightening session. Whether simple or elaborate, daily or annual, these rituals all serve the same purpose for Rosenstrach: to bring comfort, connection, and meaning to every day. 100+ recipes, including: • popovers, apple fritters, and golden pancakes, perfect for sleepover mornings or birthday breakfasts • “Interfaith Sliders”: one version with ham and another with brisket • Rosenstrach’s legendary chocolate Mud Cake—plus an entire

section on birthdays, including a one-size-fits-all party planner that does not rely on pizza • complete menus for Thanksgiving, Christmas, and New Year’s Eve • and, of course, dozens of Rosenstrach’s signature family dinners: Grilled Soy-Glazed Pork Chops, Harissa Roasted Chicken, Crispy Chickpeas with Yogurt Sauce and Naan, Grilled Spicy Shrimp Tacos with Avocado Butter and Summer Cabbage, and more In this digital, overscheduled age, How to Celebrate

Everything helps families slow down, capture the moments that matter—and eat well while doing it. Praise for How to Celebrate Everything “I have been an ardent fan of Jenny Rosenstrach’s beautiful writing for years. I always know that every word of her books will be something to savor, and How to Celebrate Everything will strike a chord with anyone who enjoys family, friends, and delicious food.”—Ree Drummond, New York Times bestselling author

of *The Pioneer Woman Cooks* “Enjoy How to Celebrate Everything for the easy-to-follow recipes. But even more satisfying are the wonderful anecdotes of family life and [Jenny Rosenstrach’s] genial examination of the lasting role that food plays in our lives beyond the plate.”—Family Circle (September “What We’re Reading” Pick) “With characteristic warmth and humor, [Rosenstrach] urges readers to ritualize and celebrate the small moments in family life by sharing stories from her

own. . . . Rosenstrach is a skilled storyteller and introduces each occasion with an engaging essay before offering up the much-loved recipes that inspired it. . . . A delicious and delightful ode to the ways family and food intertwine, reinforcing each other.”—Booklist “Featured recipes are proven kid friendly and presented with humorous mommy angst and nostalgic commentary . . . Rosenstrach inspires, reminding us that the real celebration is family itself.”—Publishers

Weekly “This well-designed cookbook comes with a side helping of lifestyle inspiration.”—Library Journal
