The wisdom of the Native American traditions is increasingly recognized as a source of true inspiration in the troubled times we are all experiencing today. Here are peoples who have long understood the importance of living in harmony with the Earth and who understand the interconnectedness of all things. In this collection of extracts, the author takes readers through the essence of Native American wisdom with the words of such visionaries as Black Elk. There are many principles of this ancient tradition that are acutely appropriate for us all in the modern world and which can inspire our hearts, guide our thoughts and bring joy and hope to our lives.

Chakras are your body's spiritual centres of vibrant, healing energy. This beginner's guide explains the seven major chakras, how to awaken them and how to channel their energy for optimum health and well-being. Exploring the mental and physical aspects of each chakra, the chapters reveal how diet, yoga and meditation can bring balance and harmony to your daily life. To complete this holistic treatment, the sections on crystals and essential oils show further ways of boosting vitality and cleansing mind, body and spirit.

THE MANUAL FOR LIVING is the first and best primer for living the best possible life -- as helpful in the twenty-first century as it was in the first.

Epictetus's teachings rank among the greatest wisdom texts of human civilization. Epictetus taught that philosophy is a way of life and not just a theoretical discipline. To Epictetus, all external events are beyond our control; we should accept calmly and dispassionately whatever happens. However, individuals are responsible for their own actions, which they can examine and control through rigorous self-discipline. By putting into practice the ninety-three wise instructions that make up *The Art of Living*, readers learn to successfully meet the challenges of everyday life.

Sherlock Holmes' wit and wisdom, combined with some sly illustrations, will help you deduce the best way to mindfully solve the mysteries of modern life! In our pursuit of happiness, is it possible we have overlooked some crucial clue? Time to turn your days into a thrilling adventure! The game's afoot. In this age of nano-tech and quantum physics, the thinking of Sherlock Holmes returns to remind us that success in life depends on noticing the tiny details that others do not. "You know my method. It is founded upon the observation of trifles." (Holmes) If you find life puzzling and incomprehensible, who better to help you understand what's going on than Sherlock Holmes? Holmes reminds us that life makes a lot more sense if you know what to look for. Listen to Holmes and you'll know that life isn't random. Holmes has lots of life lessons to offer us. His great career wasn't only down to spotting clues. He was a specialist in deduction, a master of disguise, a genius at setting traps and a prince of daring-do, happy to brave a moor at midnight and face a demon hound. He also knew how to choose his friends, and find the perfect ally in his dear Watson. After all, the great detective unmasked the Sussex Vampire, caught the Creeping Man and destroyed the evil genius Moriarty. Compared to this, shouldn't our worries be a piece of cake? Illustrated with Glenn Dakin's trademark witty cartoons and insightful observations.

One of the most popular and profound inspirational writers of all time shares simple wisdom for living a happy and fulfilling life. This book is a collection of Gibran's words on how to live. Here are his thoughts on what it means to live in community and solitude and what gives life meaning, along with his often prescient views on government, organized religion, wealth, and commerce. Gibran's sensibility feels contemporary. He did not recognize any ultimate authority outside of the human soul: "it were wiser to speak less of God, whom we cannot understand and more of each other, whom we may understand." This is the essential Gibran, with 88 selections organized into 5 sections that elucidate answers to the questions that each of us face: 1. Living a wise life 2. Community wisdom 3. Wise exchange 4. Wisdom from solitude 5. Wisdom beyond words this inspirational gift volume gently guides readers through life's big issues: meaning and mortality, good and evil, and discovering an authentic spiritual path. Suitable for all gift-giving occasions, it is a book that delights, informs, and inspires.
