Full of Scripture and challenging to the reader, "Pleasing People" takes aim at a common problem: the desire to be liked by others. The penetrating exercises throughout the text will help readers see how the sin of being enslaved to

approval manifests itself in their lives. (Practical Life)

Jesus said, "Blessed are the peacemakers." But it often seems like conflict and disagreement are unavoidable. Serious, divisive conflict is everywhere-within families, in the church, and out in the world. And it can seem impossible to overcome its negative force in our lives. In *The*

Peacemaker, Ken Sande presents a comprehensive and practical theology for conflict resolution designed to bring about not only a cease-fire but also unity and harmony. Sande takes readers beyond resolving conflicts to true, life-changing reconciliation with family members, coworkers, and fellow believers. Biblically based, *The Peacemaker* is full of godly wisdom and useful suggestions that are easily applied to any relationship needing reconciliation. Sande's years of experience as an attorney and as president of Peacemaker Ministries will strengthen readers' confidence as they stand in the gap as peacemakers. *The Disciple-Making Parent* P & R Publishing

For most of church history, hospitality

was central to Christian identity. Yet our generation knows little about this rich, life-giving practice.

Tragic confrontations at schools throughout the past two decades are striking evidence that teens need help and training in peaceful conflict resolution. God knows each conflict a teen goes through--with their families,

friends, and teachers--and he is in control. In this student edition of *The Peacemaker*, Ken Sande and Kevin Johnson show teens, youth leaders, parents, and pastors, how they can apply biblical principles to conflict situations, allowing for forgiveness and reconciliation instead of hatred or violence. With an approachable style that treats teens with respect, this much-needed resource can be used individually or as part of a small group or youth group study.

### **Distinguishing Chemical Imbalances, Brain Disorders, and Disobedience**

*Peacemaking for Families: A Biblical Guide to Managing Conflict in Your Home* Conflict is inevitable, but peace, especially among Christians, is essential. When conflict turns into peace,

frustration becomes clarity and turmoil becomes unity. When conflict turns into peace, God is glorified. But how do we find peace without ignoring our problems? How do we pursue unity without compromising on our principles? *The Path of a Peacemaker* offers a simple, proven path to a lifestyle of peace. It guides you through an examination of your own personal story, identifying the origins of your hopes and fears. It invites you to understand and embrace God's approach to conflict, take responsibility for your own part in conflict, and connect with others in a spirit of humility as you learn to listen first, ask for forgiveness, and move forward, even if the conflict remains unresolved. Pastors, counselors, and anyone who is dealing with conflict at

home, work, church, or with friends will find this book a vital tool.

Making peace can be challenging, but God has graciously given us clear and helpful truths that are effective in any conflict between people. This practical and handy booklet offers four distinct ways to help a culture of peace flourish in your office, church, and home. The four sections are: "Biblical Peacemaking: Building Real Relationships" by Ken Sande and Gary Friesen Is there a relationship in your life that is hindered or broken by conflict? The four principles in this section are drawn from Scripture. They provide a simple framework that you can learn to apply to any

relationship. You can be a peacemaker! "God's Search and Rescue Plan: Church Discipline" by David V. Edling Church discipline! Those words may be irrelevant to many Christians, or they may seem overly harsh and judgmental to many others. This section tells a story that sets the context for Christians to more fully appreciate God's primary purpose for church discipline--RECOVERY! "Words That Cut: Learning to Take Criticism in Light of the Gospel" by Rev. Alfred Poirier How do you react to criticism? Do you pout or feel humiliated? Do you play down your error and try to shift the blame? Or do you seek to defend yourself, boasting about your "good deeds" in order to prove the criticism wrong? This section contains good news that will change your view of

criticism. "Judging Others: The Danger of Playing God" by Ken Sande As we interact with other people, we must constantly make judgments about their words and actions so that we can respond to them appropriately. But the Bible warns that we are prone to look for the worst in people at times, and we judge them more critically than they deserve. This section provides practical ways to guard against this tendency and to follow Jesus' example of making accurate and charitable judgments about others.

**Culture of Peace** Moody Publishers Attorney Ken Sande, executive director of Peacemaker Ministries, lays out biblical principles for managing conflict and reconciling differences between individuals, following Christ's admonition

that we live in peace and harmony. Resolving Everyday Conflict Baker Books Paul David Tripp expertly traverses the deepest recesses of the human heart and compassionately invites fellow Christian travelers to journey with him into God's bigger kingdom. Readers will be encouraged, excited, and motivated by hope as they learn how to set aside their "little kingdom" attachments—which can expertly masquerade within the church as Christian activism, legalism, emotionalism, formalism, creedalism, and externalism—in favor of God's expansive and soul-freeing eternal quest. Tripp demonstrates through sound, biblical principles how humanity is made by God to transcend far beyond the mere physical realm, and humans

are likewise created to be "glory junkies;" those whose visionary lives are governed by God's grand purposes rather than existing only within their narrow, self-interested confines. Tripp shows Christians how to "transcend" through daily, moment-by-moment practical methodology that transforms individuals into the image of Christ. Within this purpose-driven framework, Paul David Tripp compels believers to see beyond the worldly deception of personal achievement, success, materialism to break free from this ungodly fulfillment that is too easily satisfied with a mediocre walk with Christ. Instead the author invites committed sojourners to a life characterized by an unyielding passion that pursues God simply for the pleasure

of his glorious company and, in the process, affect eternal change in a hurting, hopeless world.

A Biblical Guide to Managing Conflict in Your Home P & R Publishing

When human beings are involved in any endeavor, conflict is inevitable. But the best fight is the one a church never has to have because its members have been intentionally cultivating practices that lead to peace and preserve unity.

Whether they are dealing with conflict right now or hoping to avoid it later, church members, pastors, and ministry leaders will benefit from the proactive approach to peacemaking found in *The Peacemaking Church*, which will equip them with the knowledge and practices they need to instill in their church leadership and membership. Conflict abounds in the church of Jesus Christ. Reconciliation within the body, however, will not happen with the right 'method' or 'set of principles.' In *Making Peace*, readers are challenged to place their church and all of its dissension under the Lordship of Jesus Christ.

 Seminaries generally are not very  
 effective in equipping pastors to be  
 ministers of reconciliation, says pastor  
 and experienced mediator Alfred Poirier.  
 The result is pastors trained in biblical  
 exposition, well-ordered worship, and  
 good theology, but with little practical  
 know-how about one of the most  
 important functions they will be  
 expected to perform: conflict resolution.  
 The Peacemaking Pastor provides a  
 survey of the nature and kinds of conflict  
 typical in the pastorate to bring to light  
 the need to recover the ministry of  
 reconciliation. Poirier, chairman of the

board of Peacemaker Ministries, shows pastors the importance of a reconciliation ministry, gives them a theological framework for peacemaking, and provides practical tools for facilitating the peacemaking process. Written by a pastor for pastors, this insightful book will encourage and equip seminaries and ministry leaders in their original calling—promoting a culture of peacemaking in the church.

Age of Opportunity Baker Books

The world is filled with messages for women about pregnancy. Popular books and well-meaning family and friends offer unsolicited advice about what to expect and how to stay healthy—sometimes resulting in joy and excitement but other times leading to discouragement and fear. The Bible, too, has a lot to say about childbirth—offering real hope that nothing in this world can match. In *Labor with Hope*, Gloria Furman helps women see topics such as pregnancy, infertility, miscarriage, birth pain, and new life in the framework of the larger biblical narrative, infusing cosmic meaning into their personal experience by exploring how they point to eternal realities.

Women will see that only Christ can provide the strength they desperately need in order to labor with hope.
