Gītā-mādhurya Motilal
Banarsidass

Description: Makhan Lal
Sen's The Ramayana of
Valmiki is a modernized
version in English prose of
the great Sanskrit epic
Ramayana. The appeal
and freshness of epic
poems transcend all
limitations imposed by
time, space, age, caste,

creed, society and
language. All, irrespective
of their age, succumb to
the charms and
fascinating personalities
of its heroes, who have
inspired countless men of
different generations and
spurred them on to
perform almost
superhuman task. Modern
civilization owes most of
dazzling achievements to
such inspiration. Valmiki's
Ramayana is something

more than an epic. No one has built shrines in honour of Homer's heroes, to worship them as God. In contrast, from the time of its composition to this day, Valmiki's hero never lacked devotees. The reason for this strange phenomenon lies in this: in the Greek epics the cause is ambition, and the effect is the valour of its heroes; in Ramayana the cause is the moral welfare of society and the effect is the ideal conduct of its heroes under the most trying circumstances that destiny can weave. Rama

is a personification of all that is expected of an ideal son, ideal brother, ideal husband, ideal prince, ideal ally, ideal commander and an ideal king. Translation of epics and rendering them in prose, is, at the best of times, an hazardous and arduous job. Here the translator has done his best to capture to a remarkable degree the grandeur of the epic, the loftiness of its thought, the simplicity and elegance of its enduring beauty. This book, being one of those rare ones

which elevates one's soul, should find a place under every roof.

Sociolinguistics in Hindi Contexts Rajpal and Sons

One of India's greatest epics, the Ramayana pervades the country's moral and cultural consciousness. For generations it has served as a bedtime story for Indian children, while at the same time engaging the interest of philosophers and theologians. Believed to have been composed by Valmiki sometime

between the eighth and sixth centuries BCE, the Ramayana tells the tragic and magical story of Rama, the prince of Ayodhya, an incarnation of Lord Visnu, born to rid the earth of the terrible demon Ravana. An idealized heroic tale ending with the inevitable triumph of good over evil, the Ramayana is also an intensely personal story of family relationships, love and loss, duty and honor, of harem intrigue, petty jealousies, and destructive ambitions. All this played out in a

universe populated by larger-than-life humans, gods and celestial beings, wondrous animals and terrifying demons. With her magnificent translation and superb introduction, Arshia Sattar has successfully bridged both time and space to bring this ancient classic to modern English readers.

Unlock the mysteries and insights of Indian astrology Vedic astrology--known as Jyotish in its home of India--can be a powerful channel of insights and revelations in your daily life. But how to unlock this complex tool? Vedic Astrology for Beginners breaks down the core concepts of Vedic astrology, showing you how to analyze your birth chart to better understand your personality, relationships, and life path. Discover the ancient origins of Vedic astrology

and its differences from Western astrology. Explore detailed profiles of each planet, zodiac sign, and the other essential elements of a Jyotish natal horoscope. With these foundational steps, you'll gain a better understanding of your physical, emotional, and spiritual experiences--and even begin to anticipate your future. In Vedic Astrology for Beginners, you'll find: Key components--Learn the basic elements of Vedic astrology, including the planets, signs, houses,

and lunar mansions--each representing or influencing areas of your life. Chart your birth--Get started on analyzing your birth chart with a primer on the processes of assembly and evaluation, plus an example chart analysis. Astrological resources--Explore a glossary of helpful Sanskrit terms and determine your exact planetary placements with handy calculation charts. Relieve stress and start bringing balance to your life with Vedic Astrology for Beginners.

उपयुक्त है।

Otto Harrassowitz Verlag
The object of this volume
is to provide within a
moderate compass a
compendious account of
the history, institutions,
and culture of ancient
India from the dim ages of
antiquity to the
establishment of Moslem
rule. It has not been
planned to meet the
needs of any particular
class of readers. Its
primary purpose is to
serve alike students,

scholars, and all others,
interested in the study of
ancient Indian history, as
a book of ready use and
reference. The pages
which follow every
attempt has been made
to avoid presenting a
mass of the dry bones of
historical fact or over-
burdening the account
with intricate discussions
on knotty problems of
history, on the one hand,
and giving a mere general
and readable survey of
India's long and
fascinating past, on the
other. I have endeavoured
to tap and utilise properly

the available sources of
information, literary,
epigraphic, and
numismatic, and also to
embody and set forth in a
consistent manner the
results of up-to-date
researches on different
topics and epochs. All the
materials have been
patiently sifted and
critically examined with
the sole desire to arrive at
historical truth and
scientific accuracy; and
the unfortunate tendency,
manifest in some modern
publications, to extol or
decry without warrant any
of the manifold aspects

of India's panoramic story, has been scrupulously eschewed. This book gives an authoritative, up-to-date, and compendious account of the history, institutions and culture of India from the earliest times to the advent of the Moslem period. It is based on all available materials - literary, epigraphic, and numismatic - and is written in a most elegant, sober, and lucid style. The author brings to bear upon his task not only profound scholarship and critical acumen but also scrupulous regard for

historical truth, the accuracy of facts and impartiality of judgement. The merit of the book has been enhanced by an exhaustive Bibliography and a comprehensive Index. Students, scholars and the general reader alike will find the book highly interesting, useful and valuable for study and references.

A New Catechism

Manipal Universal Press
CONTRIBUTIONS TO THE
SOCIOLOGY OF
LANGUAGE brings to
students, researchers and
practitioners in all of the

social and language-related sciences carefully selected book-length publications dealing with sociolinguistic theory, methods, findings and applications. It approaches the study of language in society in its broadest sense, as a truly international and interdisciplinary field in which various approaches, theoretical and empirical, supplement and complement each other. The series invites the attention of linguists, language teachers of all interests, sociologists,

political scientists, anthropologists, historians etc. to the development of the sociology of language.

Understanding

Muhammad and Muslims

Satlok Ashram

Peace cannot be attained as long as there are ideologies that promote hate. People don't naturally do evil. They do evil when indoctrinated. Good people do evil things when they perceive injustice. Often their perception is imaginary. Masses of people can be manipulated to believe that they are victimized.

They then become filled with hate, seek revenge and commit atrocities while considering themselves righteous and justifying every cruelty. Islam is one such a doctrine. Why are there no freedom of speech and no true democracy in any Islamic country? Why do they abuse and treat their women as objects? Why do all Muslim countries have dismal Human Rights record? Why they riot and murder innocent people over the silliest things? What drives so many of them to

terrorism? Why they are constantly at war with everyone, and with each other? To understand Muslims, we must understand their prophet. Islam is Muhammadism. His biographers reported Muhammad used to withdraw to a cave and spend days wrapped in his thoughts. He felt spasms, heard bells ringing and saw ghosts. He thought he had become demon possessed, but his wife reassured him he had become a prophet. Convinced of his superior

status, Muhammad was intolerant of those who rejected him, assassinated those who criticized him, raided, looted, and massacred entire populations. He reduced thousands to slavery. He raped, and allowed his men to rape their female captives. All of this, he did with a clear conscience and a sense of entitlement. He was magnanimous to those who admired him, but vengeful towards his detractors. He believed he was the most perfect human creation and that

the universe was created because of him. Understanding Muhammad ventures beyond the stories. It unravels the mystique of the most influential, and yet the most enigmatic man in history. Muslims emulate their prophet. Only by understanding him can we know what makes them tick, and predict these most unpredictable people. Gaṇeśapurāṇa The Floating Press Starts with the nakshatra systems under the first part.

The Ramayana Motilal Banarsidass Publishe Valmiki RamayanRajpal and SonsSanskrit stanzasTorvey RāmāyaṇaSundarakanda m of Srimad Valmiki Ramayana Autobiography of a Yogi Roli Books The Concise Yoga Vasistha a clear, provocative summary of one of the leading texts of Hinduism. Swami Venkatesananda continues the long tradition of elaborating on and clarifying the teachings of the sage

Vasistha. It captures the verve of the original text while eliminating needless repetition. For the specialist, this book makes available a handy guide to the original Sanskrit without sacrificing philosophical depth. To the comparative religionist, it provides an occasion for understanding how Hinduism has been able to accommodate seemingly opposite schools of thought without giving way to the platitudes which mar many syncretic

movements.

The Mâlavikâgnimitra
Quest Books

This book offers a translation of the seven thousand verses of the second book of the medieval Hindu text, the Ganesa Purana, one of two Puranas dedicated to the important elephant-headed god. In this book the reader is given many narratives about Ganesas ascent to earth in order to

kill demonic figures who threaten to overthrow the correct world order. In addition, these narratives contain myths about Ganesa's birth and family as well as some extended and quite humorous myths about ideal devotees of the god. The translation is preceded by a long introduction offering a geographical and historical context for the Ganesa Purana. Following the translation are very extensive notes which bring our points of philological interest, but focus mainly on the

literary structure of the text and the methods used to present the many myths and narratives in a coherent and fully integrated manner.

Uttararāmacharita

Walter de Gruyter GmbH & Co KG

This volume brings together leading scholars of Sikhism and of Sikh art to assess and interpret the remarkable art resource known as the Kapany Collection, using it to introduce to a broad public the culture, history, and ethos of the Sikhs. Fifteen renowned scholars

contributed essays describing the passion and vision of Narinder and Satinder Kapany in assembling this unparalleled assemblage of great Sikh art, some of which has been displayed in exhibitions around the globe. The Kapany's legacy of philanthropic work includes establishing the Sikh Foundation (now celebrating its 50th year) and university endowments for Sikh studies. Through this profusely illustrated book's chapters, scholars examine the full range of

Sikh artistic expression and of Sikh history and cultural life, using artworks from the Kapany Collection.

Here is the charming narration of incarnation of 11th Ansh (constituent) of Lord Shiva as Sankat Mochan Hanuman. The contents of this book in Hindi and English are full of colourful illustrations. Its reading gives mental peace inspiring self-

realisation and confidence.

Rāmacaritamānasa

Rowman & Littlefield

The autobiography of Paramahansa Yogananda (1893 - 1952) details his search for a guru, during which he encountered many spiritual leaders and world-renowned scientists. When it was published in 1946 it was the first introduction of many westerners to yoga and meditation. The famous opera singer Amelita Galli-Curci said

about the book:

"Amazing, true stories of saints and masters of India, blended with priceless superphysical information-much needed to balance the Western material efficiency with Eastern spiritual efficiency-come from the vigorous pen of Paramhansa Yogananda, whose teachings my husband and myself have had the pleasure of studying for twenty years."
