Sheila Rae's Peppermint Stick Board Book and Finger Puppet Harper Collins

When you are alone, you can do all sorts of things -- pretend you are tiny (or enormous), hear things other people can't hear, and see things they can't see. Being alone is fine -- sometimes. Kevin Henke's first book makes it clear that he remembers his own childhood and respects that time in others. His remarkable paintings have a life and luminescence that are unforgettable.

Owen Scholastic Inc.

Sheila Rae, the Brave is a warm, humorous, and loving story of sibling sympathy and support. Just because Sheila Rae is older, she doesn't always know better! This classic picture book about overcoming fear is written and illustrated by Kevin Henkes, the nationally bestselling and celebrated creator of Lilly's Purple Plastic Purse, Owen, and Kitten's First Full Moon. "I am very brave," Sheila Rae said, patting herself on the back. She wasn't afraid of anything—not thunder, not lightning, not the big black dog at the end of the block. And when she wanted to walk home a new way and Louise wouldn't, she called her sister a scaredy-cat and set out alone. But all the bravado in the world failed to help when Sheila Rae found herself lost. Luckily, her sister was not far behind. "Children will love it."—School Library Journal
