Essay from the year 2016 in the subject American Studies - Literature, grade: 94, LCC International University, course: Introduction to Literature, language: English, abstract: Arthur Miller's play "Death of a Salesman" is a realistic drama consisting of two Acts and a Requiem. It was written in 1949. The play brightly depicts the main character Willie Loman as a person having a wide-spread unreachable "American dream" - the idea that dominates in people's minds as a symbol of success and happiness. Miller said: "...a lot of people give a lot of their lives to a company or even the government, and when they are no longer needed, when they are used up, they're tossed aside...Willie Loman's situation is even more common now than it was then [1949]. A lot of people are eliminated earlier from the productive life in this society than they used to be" (Mays, 2010, p. 1736). Willie represents the one who tried to fulfill this dream to be a salesman and failed being

"eliminated from productive life". Even being old and having wife Linda and two adult sons Biff and Happy, Willie willfully continues going against himself. The plot combines present actions and flashbacks - as a reality and illusion, which is one of the main themes of "Death of a Salesman". Willie betrayed his real wishes and life path, and, although he is responsible for failing his self-realization in life, his environment as well as his wife's and sons' influence contributed to the elimination of real dreams to the same extend as he himself did. *CliffsNotes on Miller's Death of a Salesman* Pen and Sword

 Eddie Carbone is a longshoreman and a straightforward man, with a strong sense of decency and of honour. For Eddie, it's a privilege to take in his wife's cousins, straight off the boat from Italy. But, as his niece begins to fall for one of them, it's clear that it's not just, as Eddie claims, that he's too strange, too sissy, too careless for her, but that something bigger, deeper is wrong, and wrong inside Eddie, in a way he can't face. Something which threatens the happiness of their whole family.

Death of a Salesman is regarded as one of the greatest American plays. Its popularity in America is explained by the fact that its theme is related closely to the social realities of life in that country. It is, also, essentially a "modernistic" play and it makes a powerful impression upon the reader because of its realism and pathos. This book is a critical study of the play and is designed to meet the examination requirements of advanced university students. Every aspect of the play has thoroughly been discussed and every point of view has been included. No originality is claimed for this book. It is not a research paper. The object was to co-ordinate and simplify available critical material and to present it to the student in an intelligible and assimilable form.

Seminar paper from the year 2004 in the subject Interpreting / Translating, grade: 2,0, Johannes Gutenberg University Mainz (Fachbereich Angewandte Sprach- und Kulturwissenschaft), course: Highlights of Mid-20th -Century American Drama, 7 entries in the bibliography, language: English, abstract: Since the existence of life on earth there has been the struggle between the stronger and the weaker of all creatures. The species that had adapted best obtained the greatest chance to prevail in this "combat." In exactly the same way we can consider the history of mankind as a surviving of the fittest. Nowadays it is not the physique alone that decides if somebody gets above the others or not. It's more or less the right combination of certain abilities, ambitions and values that make up the secret of success. Nevertheless we can still talk about a kind of natural selection. Although skills and knowledge can be trained, and abilities and competences can be improved by means of special learning methods, somebody who wants to be at the top must already have a certain biological and genetic qualification. Willy Loman, the main character of the play Death of a Salesman, is a salesman past sixty years of age. In his youth he believes that he has found the secret to success. Willy is convinced that he will make it if he tries his luck in the business and starts his career in a selling firm. He never has any doubt about achieving his aim as he is of the opinion to have all traits of character and competences he needs. But in reality Willy can be considered as a looser and a poor guy who only claims himself to be at the top. He brings up his two boys in these illusions and is assured of having chosen the right way. The paper deals on the one hand with the main character of the play himself, his dreams, illusions and wrong values that finally lead to his failure and suicide. On the other hand it treats the influence that these illusions exert on his two boys and their wrong up

Seminar paper from the year 2008 in the subject American Studies - Literature, grade: 2.0, University of Paderborn, language: English, abstract: He wants to live on through something - and in his case, his masterpiece is his son. I think all of us want that, and it gets more poignant as we get more anonymous in this world. This quote, said by the author of Death of a Salesman Arthur Miller in 1984, provides just a slight insight into the father-son relationship of Willy and Biff Loman which I will analyze in the present term paper in depth. Moreover, I will have a closer look at the Loman family and how they interact. Firstly, the author will be briefly introduced and the background and the reasons for writing the play are pointed out. Furthermore I will give an overview of the drama and its structure and formal aspects. After this my attention will be directed on the Loman family and I will initially focus on its members and characterize them. Then I will analyze how the relationship between Willy and Biff has developed and why it fails during the play. Finally, I will give a conclusion which will sum up the most important findings which I figured out during my analysis.

In his Nautilus Award-winning classic Touching Spirit Bear, author Ben Mikaelson delivers a powerful coming-of-age story of a boy who must overcome the effects that violence has had on his life. After severely injuring Peter Driscal in an empty parking lot, mischief-maker Cole Matthews is in major trouble. But instead of jail time, Cole is given another option: attend Circle Justice, an alternative program that sends juvenile offenders to a remote Alaskan Island to focus on changing their ways. Desperate to avoid prison, Cole fakes humility and agrees to go. While there, Cole is mauled by a mysterious white bear and left for dead. Thoughts of his abusive parents, helpless Peter, and his own anger cause him to examine his actions and seek redemption—from the spirit bear that attacked him, from his victims, and, most importantly, from himself. Ben Mikaelson paints a vivid picture of a juvenile offender, examining the roots of his anger without absolving him of responsibility for his actions, and questioning a society in which angry people make victims of their peers and communities. Touching Spirit Bear is a poignant testimonial to the power of a pain that can destroy, or lead to healing. A strong choice for independent reading, sharing in the classroom, homeschooling, and book groups.
