The Riddle of the Ruby Gazelle Upstart Books

Big girls don't cry--they go after what they want--in this "fresh, fun, adorable" (Lori Wilde) romantic comedy. Thanks to her bangin' curves, Valerie Carmichael has always turned heads--with the exception of seriously sexy Logan Mathis. Just Valerie's luck that the object of her lust-filled affection is also best friends with her overprotective brother. But Valerie's determined to get Logan's attention . . . even if it means telling a teeny little lie to get a job at his new bar. Logan can't remember a time when Valerie didn't secretly fuel all his hottest fantasies. Now the curvaceous she-devil is working behind his bar, tempting him every damn night. It's only when he finds Valerie's naughty things-to-do list that Logan decides to break every rule in the book--by making each red-hot deed a reality. No one warned them that they were going to fall this hard. And no one warned them that sometimes the smallest secrets can have the biggest consequences.

Caught by the Pizza Boy Forever

Daniel Whitlock is terrified of going to sleep. And rightly so: he sleepwalks, with no awareness or memory of his actions. Including burning down Kenny Cooper's house--with Kenny inside it--after Kenny brutally beat him for being gay. Back in the tiny town of Logan after serving his prison sentence, Daniel isolates himself in a cabin in the woods and chains himself to his bed at night. Like the rest of Logan, local cop Joe Belman doesn't believe Daniel's absurd defense. But when Bel saves Daniel from a retaliatory fire, he discovers that Daniel might not be what everyone thinks: killer, liar, tweaker, freak. Bel agrees to control Daniel at night--for the sake of the other townsfolk. Daniel's fascinating, but Bel's not going there. Yet as he's drawn further into Daniel's dark world, Bel finds that he likes being in charge.

And submitting to Bel gives Daniel the only peace he's ever known. But Daniel's demons won't leave him alone, and he'll need Bel's help to slay them once and for all--assuming Bel is willing to risk everything to stand by him.

Facing the Sunshine and Avoiding the Shadows Closet Books

I know that it might be, like, gauche of me to spill the secrets of my chic brethren, but the rest of the world has a right to know. So I've gone ahead and compiled a really long list of some tactics that I have observed my friends and colleagues employ in order to lose weight. And I'm, like, a really good source because I went to a super legit fashion school and I did a bunch of internships at really fancy places. ... Just so you know, this book is totally just FYI and is completely satirical. Like, I just want to make you laugh, or something. No one should take any of this to heart ... I really love the people in my life, but ... they're obvi unhinged and their habits should definitely not be emulated.--Foreword, page 8.

Biography about the Author's life. Portsmouth has been the home of Michael Franckeiss since his birth in 1933. Only twice has he spent lengthy spells away from his beloved city - neither time by choice The second was when he was in the RAF on National Service, but the first happened much earlier in his life, and was an experience shared by many thousands of young people during World War II - he was an evacuee. The Nazi bombing of our towns and cities forced parents to send their children to live with total strangers in the comparative safety of the British countryside. Of course this separation was extremely traumatic, especially for the mothers, but Michael maintains that for the vast majority of the kids it was a magical adventure. Just to get to his new home he had his first ever ride on a train and in a car Moving from the cluttered grey city streets to the vast green open spaces of the New Forest transported Michael to a land he never knew existed; a completely different world His overwhelming memory from this time is of the kindness of the people of Woodgreen and Breamore whose peaceful homes had been 'invaded' by the 'townies'.His moving account of returning after many years to visit his first 'billet lady' vividly dispels the widely-held belief that an evacuee's lot was one of cruelty and bitter unhappiness.

Now they've been thrown together in a wedding party. It's awkward, but survivable . . . until Jake stops acting like a jerk, and starts acting like the man she'd always hoped he could be. Aesthetics: A Reader in Philosophy of the Arts, fourth edition, contains a selection of ninety-six readings organized by individual art forms as well as a final section of readings in philosophical aesthetics that cover multiple art forms. Sections include topics that are familiar to students such as painting, photography and movies, architecture, music, literature, and performance, as well as contemporary subjects such as mass art, popular arts, the aesthetics of the everyday, and the natural environment. Essays are drawn from both the analytic and continental traditions, and multiple others that bridge this divide between these traditions. Throughout, readings are brief, accessible for undergraduates, and conceptually focused, allowing instructors many different syllabi possibilities using only this single volume. Key Additions to the Fourth Edition The fourth edition is expanded to include a total of ninety-six essays with nineteen new essays (nine of them written exclusively for this volume), updated organization into new sections, revised introductions to each section, an increased emphasis on contemporary topics, such as stand-up comedy, the architecture of museums, interactivity and video games, the ethics of sexiness, trans/gendered beauty, the aesthetics of

junkyards and street art, pornography, and the inclusion of more diverse philosophical voices. Nevertheless, this edition does not neglect classic writers in the traditional aesthetics: Plato, Aristotle, Hume, Kant, Hegel, Heidegger, Collingwood, Bell, and writers of similar status in aesthetics. The philosophers writing new chapters exclusively for this fourth edition are: • Sondra Bacharach on street art • Aili Bresnahan on appreciating dance • Hina Jamelle on digital architecture • Jason Leddington on magic • Sheila Lintott on stand-up comedy • Yuriko Saito on everyday aesthetics • Larry Shiner on art spectacle museums in the twenty-first century • Peg Brand Weiser on how beauty matters • Edward Winters on the feeling of being at home in vernacular architecture, as in such urban places as bars.

My Country Haven Simon and Schuster

For too long the global sex industry and its vested interests have dominated the prostitution debate repeating the same old line that sex work is just like any job. In large sections of the media, academia, public policy, government and the law, the sex industry has had its way. Little is said of the damage, violation, suffering, and torment of prostitution on the bodies and minds of mostly women and children, nor of the deaths, suicides and murders that are routine in the sex industry. "Prostitution Narratives: Stories of Survival in the Sex Trade" refutes the lies and debunks the myths spread by the industry through the lived experiences of women who have survived prostitution."

In this evocative ethnography, Omri Elisha examines the hopes, frustrations, and activist strategies of American evangelical Christians as they engage socially with local communities. Focusing on two Tennessee megachurches, *Moral Ambition* reaches beyond political controversies over issues such as abortion, same-sex marriage, and public prayer to highlight the ways that evangelicals at the grassroots of the Christian Right promote faith-based causes intended to improve the state of social welfare. The book shows how these ministries both help churchgoers embody religious virtues and create provocative new opportunities for evangelism on a public scale. Elisha challenges conventional views of U.S. evangelicalism as narrowly individualistic, elucidating instead the inherent contradictions that activists face in their efforts to reconcile religious conservatism with a renewed interest in compassion, poverty, racial justice, and urban revivalism.
