Supernatural, The Television Series Insight Editions

After witnessing the murder of his wife at the hands of a demon, patriarch John Winchester begins a journey into the dark world of the supernatural, seeking a way to hunt down and kill the creature that took Mary. But what of his two sons - can a newly widowed father balance fighting evil and raising his children?

The Supernatural Book of Monsters, Demons, Spirits and Ghouls Harper Collins

Sam and Dean Winchester know all the secrets their father recorded in his journal. Now you can, too. On November 2, 1983, Sam and Dean Winchester lost their mother to a demonic supernatural force. In the wake of the tragedy, their father, John, set out to learn everything he could about the paranormal evil that lives in the dark corners and on the back roads of America . . . and how to kill it. In his personal journal, he not only compiled folklore, legend, and superstition about all manner

of otherworldly enemies but he also recorded his experiences—hunting the creature that killed his wife even as he raised his two sons. Part prequel, part resource guide, John Winchester's Journal finally gives fans the ultimate companion book for Supernatural. It's all here: the exorcism Sam and Dean used in "Phantom Traveler," John's notes on everything from shape-shifters to Samuel Colt, Dean's first hunt, Sam's peewee soccer team . . . and John's single-minded pursuit of a growing and deadly evil.

This deluxe edition dissects the show season by season, state by state, tracking the Winchester brothers as they travel across the U.S. in their distinctive classic car. Join them as they hunt all those things that go bump in the night, seek vengeance on the Yellow-Eyed Demon that killed their parents, deal with the Knights of Hell, and stop the bona fide Apocalypse! Illustrated with full-color images, behind-the-scenes photos, exclusive production art, and other elements—such as continuity photos and even the covers of the in-universe Supernatural novels by Chuck Shurley—this is the ultimate guide to Supernatural for the show's legion of fans.

The Secret Science Insight Editions

Once upon a time not long ago, two responsible college professors, Lynn the psychologist and

Kathy the literary scholar, fell in love with the television show Supernatural and turned their oh-so-practical lives upside down. Plunging headlong into the hidden realms of fandom, they scoured the Internet for pictures of stars Jensen Ackles and Jared Padalecki and secretly penned racy fan fiction. And then they hit the road—crisscrossing the country, racking up frequent flyer miles with alarming ease, standing in convention lines at 4 A.M. They had white-knuckled encounters with overly zealous security guards one year and smiling invitations to the Supernatural set the next. Actors stripping in their trailers, fangirls sneaking onto film sets; drunken confessions, squeals of joy, tears of despair; wallets emptied and responsibilities left behind; intrigue and ecstasy and crushing disappointment—it's all here. And yet even as they reveled in their fandom, the authors were asking themselves whether it's okay to be a fan, especially for grown women with careers and kids. “Crazystalkerchicks”—that's what they heard from Supernatural crew members, security guards, airport immigration officials, even sometimes their fellow fans. But what Kathy and Lynn found was that most fans were very much like themselves: smart, capable women looking for something of their own that engages their brains and their libidos. Fangasm pulls back the curtain on the secret worlds of fans and famous alike, revealing Supernatural behind the scenes and discovering just how much the cast and crew know about what the fans are up to. Anyone who's been tempted to throw off the constraints of respectability and indulge a secret passion—or hit the road with a best friend—will want to come along.

SUPERNATURAL Hunter's Journal Wildstorm

"Time travel, UFOs, mysterious planets, stigmata, rock-throwing poltergeists, huge footprints, bizarre rains of fish and frogs-nearly a century after Charles Fort's Book of the Damned was originally published, the strange phenomenon presented in this book remains largely unexplained by modern science. Through painstaking research and a witty, sarcastic style, Fort captures the imagination while exposing the flaws of popular scientific explanations. Virtually all of his material was compiled and documented from reports published in reputable journals, newspapers and periodicals because he was an avid collector. Charles Fort was somewhat of a recluse who spent most of his spare time researching these strange events and collected these reports from publications sent to him from around the globe. This was the first of a series of books he created on unusual and unexplained events and to this day it remains the most popular. If you agree that truth is often stranger than fiction, then this book is for you"--Taken from Good Reads website.

I was a nanny in need of a job. He was darkness personified. I had little to call my own. He was filthy rich, powerful, and dangerous. The assignment was simple, and my goal was too. Take care of his son. Keep my head down. When he least expects it, destroy him. It should have been easy. I thought it would be until I looked into his stark blue eyes. Kissing the enemy is a bad idea, but so is falling in love with him. He doesn't know my crumbling foundation is built on lies. When he discovers the truth, I'll find out if he's as brutal as I believe. I came here to steal his life. I didn't count on him stealing my heart. A complete, full-length dark mafia romance standalone in the *Underworld Kings* series.

No doubt the years hunting monsters and saving the universe have had their toll on the Winchesters, but their toughest and most gruesome battles are contained in this book. Think Lucifer was diabolically clever? Think again. No son is more wayward than the one who squanders his intellect and academic career pursuing questions as poignant as “Half-awesome? That's full-on good, right?” Gathered here for the first time since the formation of Purgatory, a collection of research so arcane and horrific that it would make even the late, great Bobby Singer blush. *Supernatural* and *Philosophy* tackles all the big ideas in the long-running hit show *Supernatural*, covering thorny issues in a fun and accessible way. Even those unfamiliar with the show will find fascinating insights into Heaven, Hell, Angels, Demons, God, and Lucifer. A unique collection of insights into the many philosophical, religious, and paranormal topics in the hit TV show, *Supernatural Accessible* treatment of thorny issues for a general audience Written by philosophical fans of the show, for philosophical fans of the show Those unfamiliar with the show will still find fascinating insights into Heaven, Hell, Angels, Demons, God, Lucifer, and Good and Evil Contributors tackle issues ranging from the biological classifications of monsters, to the epistemological problems of ghost hunting

Twenty-two years ago, Sam and Dean Winchester lost their mother to a mysterious and demonic supernatural force. In the years after, their father, John, taught them about the paranormal evil that lives in the dark corners and on the back roads of America . . . and he taught them how to kill it. Sam and Dean are headed for Key West, Florida, home to Hemingway, hurricanes, and a whole lot of demons. The tropical town has so many ghouls on the loose that one of its main moneymakers has long been a series of ghost tours. But the tours are no more, not since one of the guides was found dead of an apparent heart attack . . . his face frozen in mid-scream. No one knows what horrors he saw, but the Winchester brothers are about to find out. Soon they'll be face-to-face with the ghosts of the island's most infamous residents, demons with a hidden agenda, and a mysterious ancient power looking for revenge. It's up to Sam and Dean to save the citizens of Key West . . . before the beautiful island is reduced to nothing more than a pile of bones.

Twenty-two years ago, Sam and Dean Winchester lost their mother to a mysterious and demonic supernatural force. In the years after, their father, John, taught them about the paranormal evil that lives in the dark corners and on the back roads of America...and he taught them how to kill it. Sam and Dean have set out on a road trip to the Grand Canyon, but this is no vacation for the brothers. On a stretch of deserted rangeland just beyond the canyon's stunning vistas, mysterious murder sprees have occurred every forty years. The area's inhabitants have been few and far between in years past, but a nearby mega-mall is about to celebrate its grand opening—and attract thousands of fresh victims. The Winchester boys are determined to protect locals and shoppers alike, but they never anticipated they'd be fighting a group of killers this vicious, this vindictive, this . . . dead. A deadly horde of animal spirits and human ghosts has arisen to terrorize this tiny corner of the Arizona desert. If Sam and Dean can't figure out why, the wide-open spaces of the West will once again become a desolate frontier . . . and the witch's canyon will be the brothers' final resting place.

How a Show, and the Support of Its Fandom, Changed—and Saved—Lives *Supernatural*, a three-time People's Choice Award winner for Favorite Sci-Fi/Fantasy TV Show and Tumblr's 2015 Most Reblogged "Live Action TV," has made a name for itself by supporting and encouraging its fans to

"always keep fighting," and a memorable line from early in the show's run, "Family don't end with blood," became an inspiring mantra for many who found community in the fandom. In 25 powerful chapters written by *Supernatural*'s actors and fans, including series lead Jared Padalecki, plus special messages from Jensen Ackles, Misha Collins, and Mark Sheppard, *Family Don't End with Blood: Cast and Fans On How Supernatural Has Changed Lives* examines the far reach of the show's impact for more than a decade. *Supernatural* has inspired fans to change their lives, from getting "sober for Sam" to escaping a cult to pursuing life-long dreams. But fans aren't the only ones who have been changed. The actors who bring the show to life have also found, in the show and its community, inspiration, courage, and the strength to keep going when life seemed too hard. Including essays and special messages from *Supernatural*'s cast: • Jared Padalecki ("Sam Winchester") • Jensen Ackles ("Dean Winchester") • Misha Collins ("Castiel") • Mark Sheppard ("Crowley") • Jim Beaver ("Bobby Singer") • Ruth Connell ("Rowena MacLeod") • Osric Chau ("Kevin Tran") • Rob Benedict ("Chuck Shurley aka God") • Kim Rhodes ("Sheriff Jody Mills") • Briana Buckmaster ("Sheriff Donna Hanscum") • Matt Cohen ("Young John Winchester") • Gil McKinney ("Henry Winchester") • Rachel Miner ("Meg Masters") Collected and edited by Lynn S. Zubernis, a clinical psychologist, professor, and passionate *Supernatural* fangirl, *Family Don't End with Blood* provides an insightful and often uplifting look into the way international fan communities become powerful, positive forces in the lives of so many. In keeping with the show's message to "always keep fighting," a portion of the proceeds from the book will be donated to RANDOM ACTS, a nonprofit founded by Misha Collins, and AT TITUDES IN REVERSE, whose mission is to educate young people about mental health and suicide prevention.
