The Pathfinder Society is a globe-trotting organization of adventurers, scholars, and warriors all dedicated to exploration, collecting lost knowledge and treasure, and sharing it with the world.

Lost Omens: Pathfinder Society Guide details everything players and GMs need to know about the Pathfinder Society, from the basics of membership, to the Society's various factions, to the various lodges littered throughout the Inner Sea region. This book is the go-to source for the history and lore of the Pathfinder Society and features new rules content including new equipment, wayfinders, and support for Pathfinder-related archetypes! A useful book in its own right, this helpful volume is a must-have for participants in Paizo's massive Pathfinder Society worldwide organized play

campaign, and a great way to get involved in the international campaign!

CALCULUS I WITH PRECALCULUS, developed for one-year courses, is ideal for instructors who wish to successfully bring students up to speed algebraically within precalculus and transition them into calculus. The Larson Calculus program has a long history of innovation in the calculus market. It has been widely praised by a generation of students and professors for its solid and effective pedagogy that addresses the needs of a broad range of teaching and learning styles and environments. Each title is just one component in a comprehensive calculus course program that carefully integrates and coordinates print, media, and technology products for successful teaching and learning. Two primary objectives guided the authors in writing this book: to develop precise, readable materials for students that clearly define and demonstrate concepts and rules of calculus and to design comprehensive teaching resources for instructors that employ proven pedagogical techniques and saves the instructor time.
