Where Does the Search
for Truth Lead? When

Tenzin Lhakpa is fifteen years old, his parents give him over to a local temple in Tibet as an offering. Unable to change his fate, he wholeheartedly embraces his life as a monk and begins a quest for full enlightenment through the teachings of Buddhism. From his local monastery to the famed

Potala Palace in Lhasa, Tibet, he learns deep mysteries of Tibetan Buddhism. Yearning to study with the current Dalai Lama, he eventually escapes from China by means of an excruciating, two-thousand-mile, secret trek over the Himalayas—barefoot, with no extra gear, changes of

clothing, or money. His dream is realized when he finally sits under the Dalai Lama himself. But his desire to go deeper only grows, leading him to unexpected conclusions.... Follow the fascinating, never-before-told, true story of what causes a highly dedicated Tibetan Buddhist monk to make the radical decision to walk away from the teachings of Buddha and leave his monastery to follow Jesus Christ. Discover the reasons other monks want him dead before he can share

his story with others. Leaving Buddha dares to expose the mysterious world of Tibetan Buddhism, with its layered teachings, intricate practices—and troubling secrets. Ultimately, it tells a moving story about the search for truth, the path of enlightenment, and how no one is beyond the reach of a loving God. This gripping narrative will resonate with people from all backgrounds and nations. [The Graveyard Book](#)

Ecclesiastes or, The Preacher Simon and Schuster
It takes a graveyard to raise a child. Nobody Owens, known as Bod, is a normal boy. He would be completely normal if he didn't live in a graveyard, being raised by ghosts, with a guardian who belongs to neither the world of the living nor the dead. There are adventures in the graveyard for a boy—an ancient Indigo Man, a gateway to the

abandoned city of ghouls, the strange and terrible Sleer. But if Bod leaves the graveyard, he will be in danger from the man Jack—who has already killed Bod's family.

The Life You Long For
Fortress Press

A beautiful invitation to discover your place in God's heart and let him set the pace for your

life—from a wife and mother, singer-songwriter, and worship leader for Passion Conferences and IF:Gathering “Christy Nockels is a gentle, strong voice shepherding us into a fuller life with Jesus at the very center. This book will restore your weary soul.”—Jennie Allen, New York Times bestselling author of *Get Out of Your Head* and founder and visionary of IF:Gathering Christy Nockels knows firsthand how easily our desire to serve God—even when using the gifts He

has given us—can overshadow our delight in simply being with Him. When God called her to lay down her ministry for a season, Christy was forced to confront how her sense of purpose and worth had become tangled up in her work. God then lovingly invited her to discover true rest in His presence as she learned to live as the Beloved. In *The Life You Long For*, Christy shows us how to let go of hustle and achievement and instead find our identity in the quiet center of God's

love. As we delight in being with Him, we are filled to overflowing with contentment and love that propel us into an entirely new way of being, one in which every act of service and every encounter with the people around us arise from a heart at rest. With irresistible warmth and grace, this book calls you to step fully into the life you didn't even realize you've been seeking, as you find your highest calling not in a duty to uphold but in a beautiful identity to live out.

The book consists primarily of interviews between Strobel (a former legal editor at the Chicago Tribune) and biblical scholars such as Bruce Metzger. Each interview is based on a simple

question, concerning historical evidence (for example, "Can the Biographies of Jesus Be Trusted?"), scientific evidence, ("Does Archaeology Confirm or Contradict Jesus' Biographies?"), and "psychiatric evidence" ("Was Jesus Crazy When He Claimed to Be the Son of God?"). Together, these interviews compose a case brief defending Jesus' divinity, and urging readers to reach a verdict of their own.

One of the most important works of twentieth-century American literature, Zora Neale Hurston's beloved 1937 classic, *Their Eyes Were Watching God*, is an enduring Southern love story sparkling with wit, beauty, and heartfelt wisdom. Told in the captivating voice of a woman who refuses to live in sorrow, bitterness, fear, or foolish romantic dreams, it is the story of fair-skinned, fiercely

independent Janie Crawford, and her evolving selfhood through three marriages and a life marked by poverty, trials, and purpose. A true literary wonder, Hurston's masterwork remains as relevant and affecting today as when it was first published -- perhaps the most widely read and highly regarded novel in the entire canon of African American literature.

The God of Hope and the End of the World

Columbia University Press
A New York Times Notable

Book Louise Erdrich, the New York Times bestselling, National Book Award-winning author of *LaRose* and *The Round House*, paints a startling portrait of a young woman fighting for her life and her unborn child against oppressive forces that manifest in the wake of a cataclysmic event. The world as we know it is ending. Evolution has reversed itself, affecting every living creature on earth. Science cannot stop the world from running backwards, as woman after woman gives

birth to infants that appear to be primitive species of humans. Twenty-six-year-old Cedar Hawk Songmaker, adopted daughter of a pair of big-hearted, open-minded Minneapolis liberals, is as disturbed and uncertain as the rest of America around her. But for Cedar, this change is profound and deeply personal. She is four months pregnant. Though she wants to tell the adoptive parents who raised her from infancy, Cedar first feels compelled to find her

birth mother, Mary Potts, an Ojibwe living on the reservation, to understand both her and her baby's origins. As Cedar goes back to her own biological beginnings, society around her begins to disintegrate, fueled by a swelling panic about the end of humanity. There are rumors of martial law, of Congress confining pregnant women. Of a registry, and rewards for those who turn these wanted women in. Flickering through the chaos are signs of increasing repression: a

shaken Cedar witnesses a family wrenched apart when police violently drag a mother from her husband and child in a parking lot. The streets of her neighborhood have been renamed with Bible verses. A stranger answers the phone when she calls her adoptive parents, who have vanished without a trace. It will take all Cedar has to avoid the prying eyes of potential informants and keep her baby safe. A chilling dystopian novel both provocative and prescient, *Future Home of*

the Living God is a startlingly original work from one of our most acclaimed writers: a moving meditation on female agency, self-determination, biology, and natural rights that speaks to the troubling changes of our time. *Falling Upward* Harper Collins
This document's purpose is to spell out the Church's understanding of the nature of revelation--the process whereby God communicates with human beings. It touches upon questions about

Scripture, tradition, and the teaching authority of the Church. The major concern of the document is to proclaim a Catholic understanding of the Bible as the "word of God." Key elements include: Trinitarian structure, roles of apostles and bishops, and biblical reading in a historical context.
