The Piano Shop on the Left Bank John Wiley & Sons
 Nidali, the rebellious daughter of an Egyptian-Greek mother and a Palestinian father, narrates the story of her childhood in Kuwait, her teenage years in Egypt (to where she and her family fled the 1990 Iraqi invasion), and her family's last flight to Texas. Nidali mixes humor with a sharp, loving portrait of an eccentric middle-class family, and this perspective keeps her buoyant through the hardships she encounters: the humiliation of going through a checkpoint on a visit to her father's home in the West Bank; the fights with her father, who wants her to become a famous professor and stay away from boys; the end of her childhood as

Iraq invades Kuwait on her thirteenth birthday; and the scare she gives her family when she runs away from home. Funny, charming, and heartbreaking, *A Map of Home* is the kind of book Tristram Shandy or Huck Finn would have narrated had they been born Egyptian-Palestinian and female in the 1970s.

A SAT grammar prep guide that focuses on concepts consistently tested on the Writing section of the SAT. A guide to the SAT Essay, with a strategy to help you write consistently strong essays.

ACT Premier 2016-2017 with 8 Practice Tests Test Prep Books

Walking his two young children to school every morning, Thad Carhart passes an unassuming little storefront in his Paris neighborhood. Intrigued by its simple sign—Desforges Pianos—he enters, only to have his way barred by the shop's imperious owner. Unable to stifle his curiosity, he finally lands the proper introduction, and a world previously hidden is brought into view. Luc, the atelier's master, proves an indispensable guide to the history and art of the piano. Intertwined with the story of a musical friendship are reflections on how pianos work, their glorious history, and stories of the people who care for them, from amateur pianists to the craftsmen who make the mechanism sing. The Piano Shop on the Left Bank is at once a beguiling portrait of a Paris not found on any map and a tender account of the awakening of a lost childhood passion. Praise for The Piano Shop on the Left Bank: "[Carhart's] writing is fluid and lovely enough to lure the rustiest plunker back to the piano bench and the most jaded traveler back to Paris." —San Francisco Chronicle "Captivating . . . [Carhart] joins the tiny company of foreigners who have written of the French as verbs. . . . What he tries to capture is not the sight of them, but what they see." —The New York Times "Thoroughly engaging . . . In part it is a book about that most unpredictable and pleasurable of human

experiences, serendipity. . . . The book is also about something more difficult to pin down, friendship and community.” -The Washington Post “Carhart writes with a sensuousness enhanced by patience and grounded by the humble acquisition of new insight into music, his childhood, and his relationship to the city of Paris.” -The New Yorker NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST BOOK WORLD

Workhouses and women's work McGraw Hill Professional NATIONAL BOOK AWARD FINALIST • NATIONAL BESTSELLER • A twisting, haunting true-life murder mystery about one of the most monstrous crimes in American history, from the author of *The Lost City of Z*. In the 1920s, the richest people per capita in the world were members of the Osage Nation in Oklahoma. After oil was discovered beneath their land, the Osage rode in chauffeured automobiles, built mansions, and sent their children to study in Europe. Then, one by one, the Osage began to be killed off. The family of an Osage woman, Mollie Burkhart, became a prime target. One of her relatives was shot. Another was poisoned. And it was just the beginning, as more and more Osage were dying under mysterious circumstances, and many of those who dared to investigate the killings were themselves murdered. As the death toll rose, the newly created FBI took up the case, and the young director, J. Edgar Hoover, turned to a former Texas Ranger named Tom White to try to unravel the

mystery. White put together an undercover team, including a Native American agent who infiltrated the region, and together with the Osage began to expose one of the most chilling conspiracies in American history.
