TATE HART

Homer & Langley

ReadHowYouWant.com

From Alan Furst, whom

The New York Times calls

"America's preeminent

spy novelist," comes an

epic story of romantic

love, love of country, and

love of freedom—the story

of a secret war fought in

elegant hotel bars and

first-class railway cars, in

the mountains of Spain

and the backstreets of

Berlin. It is an inspiring,

thrilling saga of everyday

people forced by their

hearts' passion to fight in

the war against tyranny.

By 1938, hundreds of

Italian intellectuals,

lawyers and journalists,

university professors and

scientists had escaped

Mussolini's fascist

government and taken

refuge in Paris. There,

amid the struggles of

émigré life, they founded

an Italian resistance, with

an underground press

that smuggled news and

encouragement back to

Italy. Fighting fascism

with typewriters, they

produced 512 clandestine

newspapers. The Foreign

Correspondent is their

story. Paris, a winter night

in 1938: a murder/suicide

at a discreet lovers' hotel.

But this is no romantic traged—it is the work of the OVRA, Mussolini's fascist secret police, and is meant to eliminate the editor of *Liberazione*, a clandestine émigré newspaper. Carlo Weisz, who has fled from Trieste and secured a job as a foreign correspondent with the Reuters bureau, becomes the new editor. Weisz is, at that moment, in Spain, reporting on the last campaign of the Spanish civil war. But as soon as he returns to Paris, he is pursued by the French *Sûreté*, by agents of the OVRA, and by officers of the British Secret Intelligence Service. In the desperate politics of Europe on the edge of war, a foreign correspondent is a pawn, worth surveillance, or blackmail, or murder. The *Foreign Correspondent* is the story of Carlo Weisz and a handful of antifascists: the army officer known as "Colonel Ferrara," who fights for a lost cause in Spain; Arturo Salamone, the shrewd leader of a resistance group in Paris; and Christa von Schirren, the woman who becomes the love of Weisz's life, herself involved in a doomed resistance underground in Berlin. The *Foreign Correspondent* is Alan

Furst at his absolute best—taut and powerful, enigmatic and romantic, with sharp, seductive writing that takes the reader through darkness and intrigue to a spectacular denouement.

The Chronicles of a Family Man Turned Filthy Comedian

Thomas Nelson

A spirit hunter is the

target of deadly danger

and Otherworldly lust in a

paranormal thriller by the

New York Times

bestselling author of

Vampire Academy.

Eugenie Markham is a

powerful shaman who

does a brisk trade

banishing spirits and fey

who cross into the mortal

world. Call her a

mercenary if you want,

but it's just business to

her. Until now. Hired to

find a teenager who's

been taken to the

Otherworld, Eugenie

encounters a startling

prophecy—one that

uncover dark secrets

about her past and claims

that her first-born will

threaten the future of the

world. Now Eugenie is a

hot target for every

ambitious demon in the

Otherworld, and the ones

who don't want to knock

her up want her dead.

Eugenie handles a Glock

as smoothly as she wields

a wand, but she needs

some formidable allies for a job like this. She finds them in Dorian, a seductive fairy king with a taste for bondage, and Kiyo, a gorgeous shape-shifter who redefines animal attraction. But with enemies growing bolder and time running out, the greatest danger is yet to come, and it lies in the dark powers that are stirring to life within Eugenie herself. "Storm Born is my kind of book -- great characters, dark worlds, and just the right touch of humor. A great read." --Patricia Briggs

A Novel Simon and Schuster

Chronicles of a Confirmed BacheloretteLa' femme Fatale' Publishing

Ethics beyond Rules MIRA

Based on the column of the same name that appeared in The Toast, Hey Ladies! is a laugh-out-loud read that follows a fictitious group of eight 20-and-30-something female friends for one year of holidays, summer house rentals, dates, brunches, breakups, and, of course, the planning of a disastrous wedding. This instantly relatable story is told entirely through emails, texts, DMs, and every other form of communication known to man. The women in the

book are stand-ins for annoying friends that we all have. There's Nicole, who's always broke and tries to pay for things in Forever21 gift cards. There's Katie, the self-important budding journalist, who thinks a retweet and a byline are the same thing. And there's Jen, the DIY suburban bride-to-be. With a perfectly pitched sardonic tone, Hey Ladies! will have you cringing and laughing as you recognize your own friends, and even yourself.

An African American Romance Delaware Heritage Press

"A publisher in New York asked me to write down what I know about the Greek gods, and I was like, Can we do this anonymously? Because I don't need the Olympians mad at me again. But if it helps you to know your Greek gods, and survive an encounter with them if they ever show up in your face, then I guess writing all this down will be my good deed for the week." So begins Percy Jackson's Greek Gods, in which the son of Poseidon adds his own magic--and sarcastic asides--to the classics. He explains how the world was created, then gives readers his personal take on a who's who of

ancients, from Apollo to Zeus. Percy does not hold back. "If you like horror shows, blood baths, lying, stealing, backstabbing, and cannibalism, then read on, because it definitely was a Golden Age for all that." Dramatic full-color illustrations throughout by Caldecott Honoree John Rocco make this volume--a must for home, library, and classroom shelves--as stunning as it is entertaining.

My Love For Hip Hop Arrow

Having it all is a fantasy, right? Chloe Browne knows all about fantasy. Fantasy is her job. And she's very, very good at what she does. As director of design for the O Spa chain, a sophisticated women's club that is trending its way into being the Next Big Thing, Chloe's ready to take on the world. One baby at a time. Her home study's done, and she's about to adopt, a thirty-something single mother by choice. Who needs to put her life on hold for the right guy when the right baby is waiting for her? Besides, talk about fantasy. The right guy? Pfft. Right. And then in walks Nick Grafton, with those commanding sapphire eyes and wavy blonde

hair and a sophisticated mouth that only smiles for her. He's perfect. But the last thing Nick wants is to start fresh with a new baby as his college-age kids fly the coop. A single father for more than fifteen years after his wife walked out on her family, Nick finally tastes freedom. But he likes the taste of Chloe more. * * *

Our Options Have Changed is a full-length standalone contemporary romance, the first in the On Hold series by New York Times and USA Today bestselling author Julia Kent and journalist-turned-fiction-writer Elisa Reed. It is a loose spinoff from Julia Kent's Shopping for a Billionaire series, with cameo appearances from favorite characters. *Dirty Daddy* La Femme Fatale

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE SAN FRANCISCO CHRONICLE, THE CHICAGO TRIBUNE, THE ST. LOUIS POST-DISPATCH, THE KANSAS CITY STAR, AND BOOKLIST

Homer and Langley Collyer are brothers—the one blind and deeply intuitive, the other damaged into madness, or perhaps greatness, by mustard gas in the Great War. They live as recluses in their once grand Fifth

Avenue mansion, scavenging the city streets for things they think they can use, hoarding the daily newspapers as research for Langley's proposed dateless newspaper whose reportage will be as prophecy. Yet the epic events of the century play out in the lives of the two brothers—wars, political movements, technological advances—and even though they want nothing more than to shut out the world, history seems to pass through their cluttered house in the persons of immigrants, prostitutes, society women, government agents, gangsters, jazz musicians . . . and their housebound lives are fraught with odyssean peril as they struggle to survive and create meaning for themselves.

Closed Legs Don't Get Fed Createspace Independent Publishing Platform

Be careful what you wish for. A year earlier, with the help of enigmatic industrialist Michael Walker, all of Penelope Drayton Spence's dreams had come true. Now, as one of the country's top journalists, she has discovered what she thought would make her happy was only making

her busy. After months of avoiding her, Michael Walker burst back into her life with an outlandish plan to launch his controversial "Hermes" satellite into space. But she soon learns someone just as resourceful and well-financed is willing to go to any lengths to stop the launch. After the Hermes Project's facility in Jackson Hole is attacked, Penelope gets a ringside seat as two of the world's most powerful men go toe-to-toe in a battle of wills that could change the course of humanity.

FROM THE PUBLISHER

The first book in this series, "The Fourth Awakening" focused on the science and history of the previous awakenings. "The Gathering Darkness" explores what all this means on a more personal level. Penelope, like so many before her, has started down the path toward enlightenment but has lost her way. Throughout this fast-paced thriller are gentle clues and suggestions that readers can use to advance their personal growth. By presenting this science in a Joseph Campbell "myth" format, the authors are striving to capture the timeless "around the campfire" storytelling that will

resonate on multiple levels. ABOUT THE AUTHORSRod Pennington has seven previous novels, including his recent dark comedy entitled "A Family Reunion." It is a continuing series about a dysfunctional family of four of the world's best assassins working as the enforcement arm for a shadowy Zen cabal that has been around for thousands of years. Jeffery A. Martin, PhD, is a Harvard-trained scholar specializing in higher states of consciousness. He is the author, co-author, or contributor to over twenty books in addition to numerous other scholarly and non-scholarly publications, videos, audio, and other media. The methods and science in the Fourth Awakening series that can have an immediate impact on most readers' lives can be found in his recent book, "The God Formula: A simple scientifically proven blueprint that has transformed millions of lives."

Soap star Don Diamont's most interesting storyline to date is being the real-life father and ringleader of his seven rambunctious boys. Called a "daytime deity" by Soap Opera Digest, Don Diamont is best known as the dashing publishing titan with steel abs, "Dollar Bill Spencer," on the most-watched daytime drama in the world, *The Bold and the Beautiful*. But all of that takes second place to his most important role to date: father to seven boys. By turns hilarious and poignant, *My Seven Sons and How We Raised Each Other* is a family memoir for our time. Don writes with openness and courage about the ways his family came together: by marriage, divorce, the death of his sister, and marriage again. Today's blended families might look different from the households of even a few decades ago, but the first dates, first cars, busting curfew, talking back,

grounding, broken hearts, laughs, tears, and the love are the same. From his childhood growing up in LA, to his Zoolander phase as a model in both Paris and Los Angeles, to the iconic place he now occupies in daytime television, Don also gives us a glimpse into a life that at times could have been scripted for a soap opera. And, with brutal honesty, he tells of the personal devastation he suffered after the deaths of his father, brother, and sister. *My Seven Sons* is required reading for everyone who is a parent, and all those who have one.

I Said Yes Harper Collins

A critical examination of efforts by social media companies—including Facebook, Twitter, Snapchat, and Instagram—to rein in cyberbullying by young users. High-profile cyberbullying cases often trigger exaggerated public concern about children's use of social media. Large companies like Facebook respond by pointing to their existing anti-bullying mechanisms or coordinate with nongovernmental organizations to organize anti-cyberbullying efforts. Do these attempts at self-regulation work? In this

book, Tijana Milosevic examines the effectiveness of efforts by social media companies—including Facebook, Twitter, YouTube, Snapchat, and Instagram—to rein in cyberbullying by young users. Milosevic analyzes the anti-bullying policies of fourteen major social media companies, as recorded in companies' corporate documents, draws on interviews with company representatives and e-safety experts, and details the roles of nongovernmental organizations examining their ability to provide critical independent advice. She draws attention to lack of transparency in how companies handle bullying cases, emphasizing the need for a continuous independent evaluation of effectiveness of companies' mechanisms, especially from children's perspective. Milosevic argues that cyberbullying should be viewed in the context of children's rights and as part of the larger social problem of the culture of humiliation. Milosevic looks into five digital bullying cases related to suicides, examining the pressures on the social media

companies involved, the nature of the public discussion, and subsequent government regulation that did not necessarily address the problem in a way that benefits children. She emphasizes the need not only for protection but also for participation and empowerment—for finding a way to protect the vulnerable while ensuring the child's right to participate in digital spaces.

Finding Myself and Looking for Love on Reality TV Thomas Nelson

Winter Ramos, one of the new faces on VH1's hit reality television show, *Love and Hip Hop New York* Season 3 delivers a brazen and unabashed memoir of her life in the world of hip hop. In *Game Over*, Winter puts all of her emotions on the page leaving no experience, emotional abuse, or former lover uncovered. Yet many who sit next to us in the pew at church fit that description, says author Wesley Hill. As a celibate gay Christian, Hill gives us a glimpse of what it looks like to wrestle firsthand with God's No to same-sex relationships. What does it mean for gay Christians to live faithful to God while struggling with the challenge of their homo...

Never Enough Regan Books

Contemporary popular culture has created a slew of stereotypical roles for girls and women to (willingly or not) play throughout their lives: The Princess, the Nymphet, the Diva, the Single Girl, the Bridezilla, the Tiger Mother, the M.I.L.F, the

Cougar, and more. In this book Ames and Burcon investigate the role of cultural texts in gender socialization at specific pre-scripted stages of a woman's life (from girls to the "golden girls") and how that instruction compounds over time. By studying various texts (toys, magazines, blogs, tweets, television shows, Hollywood films, novels, and self-help books) they argue that popular culture exists as a type of funhouse mirror constantly distorting the real world conditions that exist for women, magnifying the gendered expectations they face. Despite the many problematic, conflicting messages women receive throughout their lives, this book also showcases the ways such messages are resisted, allowing women to move past the blurry reality they broadcast and toward, hopefully, gender equality.

For decades, scandalous rumors and sensational tabloid headlines have obscured the truth about one the most famous and intriguing families in modern history: the real players, the real relationships, behind the closed doors of the Gotti

dynasty. Until now. Here at last is the explosive memoir that captures the Gottis as they are—unvarnished, raw, and real. And who better to tell this no-hold-barred story than their most famous daughter? Victoria Gotti never intended to reveal the inside story of the Gotti household, but with the pressing need to finally set the record straight came the realization that only she can do so, once and for all. Daughter to the late John Gotti, sister to John A. "Junior" Gotti and three other siblings, single mother to three sons with whom she shared reality television stardom on *Growing Up Gotti*, an outspoken columnist and bestselling author, Victoria Gotti delivers a candid, colorful, and brutally honest family portrait that reads like a confidential file, filled with deeply personal reflections and never-before-published photographs. With the trial of "Junior" Gotti poised to continue the high drama of the Gotti story, fascination with the icons of this only-in-New-York clan is stronger than ever. Victoria Gotti's bombshell revelations and stunning insider secrets

make *This Family of Mine* the essential chronicle in the ultimate American family saga.

The Allan family has inducted Dante, a.k.a. Robot Face, into the fold, and Geoff and Vivian have begun their training in the family business; monster hunting. All looks well for the Allans, but Sheriff Chambers is slowly catching on to their occult activities. Collects issues #7-12.

An Anthology Macmillan
An introduction to ethics that will help Christians rediscover a moral reasoning rooted in Scripture and navigate the ethical crises of our time. How should Christians live? How should we interact with one another? Why do we think the way we do about right and wrong? How should we approach today's complex moral

questions? Keith Stanglin realigns our ethical thinking around the central question: What does real love require? applying it to our ethical reasoning on many of the social issues present in today's culture: abortion sexual ethics consumerism technology race and politics Moral evaluation must be based on more than our subjective feelings or the received wisdom or majority opinion of our community. But thinking objectively and reasonably about our ethical commitments is a process that's rarely taught in contemporary education or even in churches. *Ethics Beyond Rules* is a clear and accessible introduction for thoughtful Christians who want to lead moral lives—who want to define their moral code by firm biblical standards while acknowledging the complex nature of the issues at hand. Stanglin's love-based framework for moral decision-making engages Scripture and the historic Christian faith, giving Christians the tools to clear-mindedly consider the ethical problems of today and the foundation to confront new issues in the years to come.
