*1000 Words, Pictures for Kids* Heinle & Heinle Pub  
Alphabetically-arranged entries illustrate and demonstrate proper usage of common vocabulary words in English and Spanish.

LONGMAN

Ever since HND gained the status of the official language, the moral responsibility of making the language acceptable in perfect administrative form has gradually increased. For the growth,

development and expansion of HND, this book is a positive endeavour. As for official purposes, Government officials and employees are deeply enamoured of English in official transactions and failed to accept HND seriously. It is because of a lack of confidence to use proper words or sentences in HND. This book would enlighten the readers about the fact that each official English expression has an HND equiv.

*The Heinle Picture Dictionary for Children* V&s Publishers

One in two: a bilingual picture dictionary that is a coloring book at the same time. Color the picture and learn the new word. Every word has translation and pronunciation. Features different

Research shows that learning a second language boosts problem-solving, critical thinking, and listening skills, in addition to improving memory, concentration, and the ability to multitask. Children proficient in other languages also show signs of

enhanced creativity and mental flexibility. There is a "critical period" or "window of opportunity" when children learn languages best. Studies have shown that this is when children are between birth and six years old. The younger children are, the easier they will learn a second language. As they get older that ability diminishes. These easy and fun flashcards aim to help parents as a useful educational tool for kids to learn a new language. All images include the words in both English and the second language in clear, bold text. Suitable for toddlers on their own or in groups, these books are a child's perfect introduction to exploring new languages.

*Official Noting & Drafting (Eng-Hindi)* Independently Published  
Organized by such common subjects as Home, Work, Dining Out, Transportation, Health, and Sports, these bilingual visual dictionaries give students, travelers, and business people quick access to foreign terms in the simplest and most intuitive way.

The OPD Second Canadian Edition English/Chinese is an illustrated, theme-based dictionary for second-language learners. This four-colour dictionary defines words through pictures, and presents each new word in context. The OPD English/Chinese, along with the monolingual workbooks and many other components, can be used as a reference book or as text for high school or adult ESL students at the beginner level. For years, the first monolingual Canadian edition of the OPD has been the industry leader among picture dictionaries. The second edition expands on the topics covered, providing more depth of vocabulary in the areas that matter most to students and offers

Chinese speakers the additional advantage of having words and phrases defined in their native language. The illustrations have been completely updated in a more realistic style that is visually appealing to adult learners. The second edition also contains two new features: Introductory Pages and Story Pages. The Introductory Pages have been added to the beginning of each theme to give lower-level students a basic overview of key vocabulary words, and to give a starting point for discussion and an introduction to the theme for more advanced students. The Story Pages consist of a two-page spread at the end of each theme to help students use the words in context and practise their reading skills. The OPD English/Chinese is designed for use both in and out of the classroom. Speaking exercises are presented throughout the OPD to allow students to practise new vocabulary in pairs or small groups, while the pronunciation guide in the index allows students to check their pronunciation when they are studying on their own.

[300 English Children Visual Dictionary Picture with Easy Sentence Reading Book](#) Tuttle Publishing

Perfect for reading together, here's a series of stories and rhymes about the things children love -- fire engines, teddy bears, trucks, dinosaurs, dolls, kittens, rabbits, and more. Lovable characters, compelling stories, and beautiful illustrations make these books the ones children want to read over and over again.
