"A lost world, man-eating tribesmen, lush and impenetrable jungles, stranded American fliers (one of them a dame with great gams, for heaven's sake), a startling rescue mission. . . . This is a true story made in heaven for a writer as talented as Mitchell Zuckoff.

Whew—what an utterly compelling and deeply satisfying read!" —Simon Winchester, author of Atlantic Award-winning former Boston Globe reporter Mitchell Zuckoff unleashes the exhilarating, untold story of an extraordinary World War II rescue mission, where a plane crash in the South Pacific plunged a trio of U.S. military personnel into a land that time forgot. Fans of Hampton Sides' *Ghost Soldiers*, Marcus Luttrell's *Lone Survivor*, and David Grann's *The Lost City of Z* will be captivated by Zuckoff's masterfully recounted, all-true story of danger, daring, determination, and discovery in jungle-clad New Guinea during the final days of WWII.

Frozen in Time Harper Collins
NEW YORK TIMES BESTSELLER
Written by the team of former Special Operations warriors who run SOFREP.com, here is the definitive account of what happened before, during, and after the deadly Benghazi attack that claimed the lives of four Americans. On September 12th, 2012, Brandon Webb learned Glen Doherty, one of his closest friends and his former Navy SEAL teammate, was killed

alongside Ambassador J. Christopher Stevens and two other Americans when the U.S. State Department and CIA headquarters in Benghazi, Libya, were sieged in a shocking terrorist attack. For the next four months, Webb and his team at SOFREP.com, the world's premier Special Ops website, embarked on a relentless investigation to understand exactly what happened to their countrymen, as well as the roles played by the Obama administration, State Department, and CIA. Drawing on unmatched sources, they spoke to individuals who would talk to no one else, including fellow Special Operations team members familiar with the African theatre, and to well-placed contacts in the Washington intelligence community. This is their report—an unforgettably gripping minute-by-minute narrative of the events and their aftermath as they really unfolded on that terrible day in Libya.

Under Fire: The Untold Story of the Attack in Benghazi Harper Collins
Patrick J. Kennedy, the former congressman and youngest child of Senator Ted Kennedy, opens up about his personal and political battle with mental illness and addiction for the first time. This candid memoir focuses on the years from his 'coming out' about suffering from bipolar disorder and addiction to the present day, and examines his journey toward recovery while reflecting on America's treatment of mental health.

Investigative Report on the Terrorist Attacks on U. S. Facilities in Benghazi, Libya, September 11-12- 2012 Xulon Press

Eighty-one real-life revelations behind some of history's greatest mysteries.

Sea Stories HarperCollins

“Better and more comprehensive than any prior account. . . . Those of us who lived through those days will find the book cathartic; those rising generations who were too young to remember 9/11, or who weren’t yet born, will find it revelatory.” — John Farmer, senior counsel to the 9/11 Commission and author of *The Ground Truth* “With his rigorous research and moral clarity, Mitchell Zuckoff has provided us with an invaluable service. He has deepened our understanding of what happened on 9/11 and recorded the voices of the victims and the survivors. What’s more, he has ensured that we never forget.” —David Grann, #1 New York Times bestselling author of *Killers of the Flower Moon* Years in the making, this spellbinding, heartbreaking, and ultimately uplifting narrative is an unforgettable portrait of 9/11. This is a 9/11 book like no other. Masterfully weaving together multiple strands of the events in New York, at the Pentagon, and in Shanksville, Pennsylvania, *Fall and Rise* is a mesmerizing, minute-by-minute account of that terrible day. In the days and months after 9/11, Mitchell Zuckoff, then a reporter for the *Boston Globe*, wrote about the attacks, the victims, and their families. After further years of meticulous reporting, Zuckoff has filled *Fall and Rise* with voices of the lost and the saved. The result is an utterly gripping book, filled with intimate stories of people most affected by the events of that sunny Tuesday in September: an out-of-work actor stuck in an elevator in the North Tower of the World Trade Center; the heroes aboard Flight 93 deciding to take action; a veteran trapped in the inferno in the Pentagon; the fire chief among the first on the scene in sleepy Shanksville; a

team of firefighters racing to save an injured woman and themselves; and the men, women, and children flying across country to see loved ones or for work who suddenly faced terrorists bent on murder. *Fall and Rise* will open new avenues of understanding for everyone who thinks they know the story of 9/11, bringing to life—and in some cases, bringing back to life—the extraordinary ordinary people who experienced the worst day in modern American history. Destined to be a classic, *Fall and Rise* will move, shock, inspire, and fill hearts with love and admiration for the human spirit as it triumphs in the face of horrifying events.

Strong St. Martin's Griffin

The New York Times bestselling inside account of the attack against the U.S. diplomatic and intelligence outposts in Benghazi, Libya. On the night of September 11, 2012, the American diplomatic mission at Benghazi, Libya, came under ferocious attack by a heavily armed group of Islamic terrorists. The prolonged firefight, and the attack hours later on a nearby CIA outpost, resulted in the deaths of four Americans, including the American ambassador to Libya, Christopher Stevens, the Information Officer, Sean Smith, and two former Navy SEALs, Tyrone Woods and Glen Doherty, working for the Central Intelligence Agency. After the fall of Qaddafi, Benghazi was transformed into a hotbed of fundamentalist fervor and a den of spies for the northern half of the African continent. Moreover, it became the center of gravity for terrorist groups strategically situated in the violent whirlwinds of the Arab Spring. On the eleventh anniversary of the 9/11 attacks against the United States, a group of heavily armed Islamic terrorists had their sights set on the U.S. diplomatic and

intelligence presence in the city. Based on the exclusive cooperation of eyewitnesses and confidential sources within the intelligence, diplomatic, and military communities, Fred Burton and Samuel M. Katz reveal for the first time the terrifying twelve-hour ordeal confronted by Ambassador Christopher Stevens, Sean Smith, his Diplomatic Security (DS) contingent, and the CIA security specialists who raced to rescue them. More than just the minute-by-minute narrative of a desperate last stand in the midst of an anarchic rebellion, *Under Fire* is an inspiring testament to the bravery and selflessness of the men and women who put their country first while serving in one of the most dangerous regions in the world.

Benghazi! Hachette UK

Award-winning journalist Thanassis Cambanis tells the “wonderfully readable and insightful” (Booklist, starred review) inside story of the 2011 Egyptian revolution. Cambanis brings to life the noble dreamers who brought Egypt to the brink of freedom, and the dark powerful forces that—for the time being—stopped them short. But he also tells a universal story of inspirational people willing to transform themselves in order to transform their society. He focuses on two pivotal leaders: One is Basem, an apolitical middle-class architect who puts his entire family in danger when he seizes the chance to improve his country. The other is Moaz, a contrarian Muslim Brother who defies his own organization to join the opposition. These revolutionaries had little more than their idealism with which to battle the secret police, the old oligarchs, and a power-hungry military determined to keep control. Basem wanted to change the system from

within and became one of the only revolutionaries to win a seat in parliament. Moaz took a different course, convinced that only street pressure from youth movements could dismantle the old order. Their courageous and imperfect decisions produced an uprising with one enduring outcome: No Arab leader ever again can take the population’s consent for granted. *Once Upon a Revolution* is “a welcome addition to the literature on Egypt’s uprising” (Library Journal). Featuring exclusive and distinctive reporting, Thanassis Cambanis’s “fluent, intelligent, and highly informed book...convincingly explains what happened in Egypt over the last four years” (The New York Times Book Review).

Best of Enemies Harper Collins

Following the success of his #1 New York Times bestseller *Make Your Bed*, which has sold over one million copies, Admiral William H. McRaven is back with amazing stories of bravery and heroism during his career as a Navy SEAL and commander of America's Special Operations Forces. Admiral William H. McRaven is a part of American military history, having been involved in some of the most famous missions in recent memory, including the capture of Saddam Hussein, the rescue of Captain Richard Phillips, and the raid to kill Osama bin Laden. *Sea Stories* begins in 1963 at a French Officers' Club in France, where Allied officers and their wives gathered to have drinks and tell stories about their adventures during World War II—the place where a young Bill McRaven learned the value of a good story. *Sea Stories* is an unforgettable look back on one man's incredible life, from childhood days sneaking into high-security military sites to a day job of

hunting terrorists and rescuing hostages. Action-packed, humorous, and full of valuable life lessons like those exemplified in McRaven's bestselling *Make Your Bed*, *Sea Stories* is a remarkable memoir from one of America's most accomplished leaders.

Benghazi Penguin
 SOON TO BE A MAJOR MOTION PICTURE -
 - IN THEATERS JANUARY 2016 The harrowing, true account from the brave men on the ground who fought back during the Battle of Benghazi. 13 HOURS presents, for the first time ever, the true account of the events of September 11, 2012, when terrorists attacked the US State Department Special Mission Compound and a nearby CIA station called the Annex in Benghazi, Libya. A team of six American security operators fought to repel the attackers and protect the Americans stationed there. Those men went beyond the call of duty, performing extraordinary acts of courage and heroism, to avert tragedy on a much larger scale. This is their personal account, never before told, of what happened during the thirteen hours of that now-infamous attack. 13 HOURS sets the record straight on what happened during a night that has been shrouded in mystery and controversy. Written by New York Times bestselling author Mitchell Zuckoff, this riveting book takes readers into the action-packed story of heroes who laid their lives on the line for one another, for their countrymen, and for their country. 13 HOURS is a stunning, eye-opening, and intense book--but most importantly, it is the truth. The story of what happened to these men--and what they accomplished--is unforgettable.

Indestructible Armor Anchor
 Wayne Hunt vividly describes the deadly encounters he and other experienced as

private security contractors in South-central Asia and the Middle East. These life-altering events ultimately led to the transformation of a "non-practicing" believer to a true Christian warrior and follower of Christ. These security contractors firmly believed they were warriors; warriors for their country, warriors for each other, and warriors for God. This is the message the text delivers.

The Ranger Way Harper Collins
 On the night of September 11, 2012, scores of heavily-armed Islamic terrorists attack two United States government outposts in Benghazi, Libya. When the battle is over, four Americans are murdered, including the U.S. Ambassador; two are severely wounded. The terrorists destroy the two facilities, seize intelligence and other U.S. property, and chase America out of eastern Libya. This book tells the true story of why these Americans are there, how they fight for their lives, and how their government abandons them. It also explains how the Obama administration misleads and covers up what really happened in order to win a presidential election just eight weeks later. And how this continues even after President Obama's reelection in an attempt to burnish his legacy for history. It is a true story of unrivaled valor by a handful of brave Americans, which cannot be diminished by the mendacity of the government that betrays them.

The Hand That Feeds You Twelve
 From the author of the million-copy bestselling *The Art of Racing in the Rain* comes the breathtaking and long-awaited new novel. This novel centres on four generations of a once terribly wealthy and influential timber family who have fallen from grace; a mysterious yet majestic mansion,

crumbling slowly into the bluff overlooking Puget Sound in Seattle; a love affair so powerful it reaches across the planes of existence; and a young man who simply wants his parents to once again experience the moment they fell in love, hoping that if can feel that emotion again, maybe they won't get divorced after all.

The Triple Agent Simon and Schuster
 Recalling pivotal moments from her dynamic career on the front lines of American diplomacy and foreign policy, Susan E. Rice—National Security Advisor to President Barack Obama and US Ambassador to the United Nations—reveals her surprising story with unflinching candor in this New York Times bestseller. Mother, wife, scholar, diplomat, and fierce champion of American interests and values, Susan Rice powerfully connects the personal and the professional. Taught early, with tough love, how to compete and excel as an African American woman in settings where people of color are few, Susan now shares the wisdom she learned along the way. Laying bare the family struggles that shaped her early life in Washington, DC, she also examines the ancestral legacies that influenced her. Rice's elders—immigrants on one side and descendants of slaves on the other—had high expectations that each generation would rise. And rise they did, but not without paying it forward—in uniform and in the pulpit, as educators, community leaders, and public servants. Susan too rose rapidly. She served throughout the Clinton administration, becoming one of the nation's youngest assistant secretaries of state and, later, one of President Obama's most trusted advisors. Rice provides an insider's account of some of the most complex issues confronting the United States over

three decades, ranging from “Black Hawk Down” in Somalia to the genocide in Rwanda and the East Africa embassy bombings in the late 1990s, and from conflicts in Libya and Syria to the Ebola epidemic, a secret channel to Iran, and the opening to Cuba during the Obama years. With unmatched insight and characteristic bluntness, she reveals previously untold stories behind recent national security challenges, including confrontations with Russia and China, the war against ISIS, the struggle to contain the fallout from Edward Snowden's NSA leaks, the U.S. response to Russian interference in the 2016 election, and the surreal transition to the Trump administration. Although you might think you know Susan Rice—whose name became synonymous with Benghazi following her Sunday news show appearances after the deadly 2012 terrorist attacks in Libya—now, through these pages, you truly will know her for the first time. Often mischaracterized by both political opponents and champions, Rice emerges as neither a villain nor a victim, but a strong, resilient, compassionate leader. Intimate, sometimes humorous, but always candid, *Tough Love* makes an urgent appeal to the American public to bridge our dangerous domestic divides in order to preserve our democracy and sustain our global leadership.

Thirteen Hours Twelve

Your home was the one place you felt safe. Now it's your prison. You were invisible. Now your every move is monitored by masked strangers. You looked after your mum, your best friend. Now you barely know her. Everything can change in thirteen hours.

The Benghazi Betrayal Simon and Schuster

Mark Owen is a pseudonym for Matt

Bissonnette.

Victory City Penguin

Follow along a Navy SEAL's firsthand account of American heroism during a secret military operation in Afghanistan in this true story of survival and difficult choices. On a clear night in late June 2005, four U.S. Navy SEALs left their base in northern Afghanistan for the mountainous Pakistani border. Their mission was to capture or kill a notorious al Qaeda leader known to be ensconced in a Taliban stronghold surrounded by a small but heavily armed force. Less than twenty-four hours later, only one of those Navy SEALs remained alive. This is the story of fire team leader Marcus Luttrell, the sole survivor of Operation Redwing, and the desperate battle in the mountains that led, ultimately, to the largest loss of life in Navy SEAL history. But it is also, more than anything, the story of his teammates, who fought ferociously beside him until he was the last one left--blasted unconscious by a rocket grenade, blown over a cliff, but still armed and still breathing. Over the next four days, badly injured and presumed dead, Luttrell fought off six al Qaeda assassins who were sent to finish him, then crawled for seven miles through the mountains before he was taken in by a Pashtun tribe, who risked everything to protect him from the encircling Taliban killers. A six-foot-five-inch Texan, Leading Petty Officer Luttrell takes us, blow by blow, through the brutal training of America's warrior elite and the relentless rites of passage required by the Navy SEALs. He transports us to a monstrous battle fought in the desolate peaks of Afghanistan, where the beleaguered American team plummeted headlong a thousand feet down a mountain as they fought back through flying shale and

rocks. In this rich, moving chronicle of courage, honor, and patriotism, Marcus Luttrell delivers one of the most powerful narratives ever written about modern warfare -- and a tribute to his teammates, who made the ultimate sacrifice for their country.

Deep Maneuver Little, Brown

The harrowing, true account from the brave men on the ground who fought back during the Battle of Benghazi. 13 Hours presents, for the first time ever, the true account of the events of September 11, 2012, when terrorists attacked the US State Department Special Mission Compound and a nearby CIA station called the Annex in Benghazi, Libya. A team of six American security operators fought to repel the attackers and protect the Americans stationed there. Those men went beyond the call of duty, performing extraordinary acts of courage and heroism, to avert tragedy on a much larger scale. This is their personal account, never before told, of what happened during the thirteen hours of that now-infamous attack. 13 Hours sets the record straight on what happened during a night that has been shrouded in mystery and controversy. The story of what happened to these men--and what they accomplished--is unforgettable.

Once Upon A Revolution Harper Horizon
A national bestseller, this extraordinary work of investigative reporting uncovers the identities, and the remarkable stories, of the CIA secret agents who

died anonymously in the service of their country. In the entrance of the CIA headquarters looms a huge marble wall into which seventy-one stars are carved—each representing an agent who has died in the line of duty. Official CIA records only name thirty-five of them, however. Undeterred by claims that revealing the identities of these "nameless stars" might compromise national security, Ted Gup sorted through thousands of documents and interviewed over 400 CIA officers in his attempt to bring their long-hidden stories to light. The result of this extraordinary work of investigation is a surprising glimpse at the real lives of secret agents, and an unprecedented history of the most compelling—and controversial—department of the US government.

The Book of Honor Hachette+ORM

In recognition of the 10th anniversary of the attack in Benghazi, a noted Libya expert and eyewitness to the attack provides a startling reconsideration of one of the defining controversies of our era. Ten years after an attack on the US diplomatic mission in Benghazi killed Ambassador Christopher Stevens and three other Americans, cries of "Benghazi!" still echo across America. But instead of a landmark event to be taken seriously, it has become a punchline, an empty word, or a code for controversy and political theatre. In this thrilling retelling, Ethan Chorin reveals Benghazi as a watershed moment in American history, one that helped create the world America lives in today: polarized, fearful, and dangerously unstable. Here, Benghazi is not a story contained in 13 hours, but a decades-long history beginning with the rise of Muammar Gaddafi, stretching through 9/11, the War on Terror, and the Arab

Spring, and reaching into the present day, as the impact of the attack and ensuing controversy remain visible in America and around the world. Chorin draws on his own bone-chilling experience during the Benghazi attack, his expertise as a former diplomat and scholar of Libyan history, and new interviews with Libyan insiders, eyewitnesses, and key players like Hillary Clinton and Ben Rhodes. With this ambitious, engaging narrative, Chorin makes clear why Benghazi still matters so much ten years later—and why we can't afford to continue overlooking and misunderstanding it.

Civilian Warriors Twelve

Hillary Rodham Clinton's inside account of the crises, choices, and challenges she faced during her four years as America's 67th Secretary of State, and how those experiences drive her view of the future. "All of us face hard choices in our lives," Hillary Rodham Clinton writes at the start of this personal chronicle of years at the center of world events. "Life is about making such choices. Our choices and how we handle them shape the people we become." In the aftermath of her 2008 presidential run, she expected to return to representing New York in the United States Senate. To her surprise, her former rival for the Democratic Party nomination, newly elected President Barack Obama, asked her to serve in his administration as Secretary of State. This memoir is the story of the four extraordinary and historic years that followed, and the hard choices that she and her colleagues confronted. Secretary Clinton and President Obama had to decide how to repair fractured alliances, wind down two wars, and address a global financial crisis. They faced a rising competitor in China, growing threats from Iran and

North Korea, and revolutions across the Middle East. Along the way, they grappled with some of the toughest dilemmas of US foreign policy, especially the decision to send Americans into harm's way, from Afghanistan to Libya to the hunt for Osama bin Laden. By the end of her tenure, Secretary Clinton had visited 112 countries, traveled nearly one million miles, and gained a truly global perspective on many of the major trends reshaping the landscape of the twenty-first century, from economic inequality to climate change to revolutions in energy, communications, and health. Drawing on conversations with numerous leaders and experts, Secretary Clinton offers her views on

what it will take for the United States to compete and thrive in an interdependent world. She makes a passionate case for human rights and the full participation in society of women, youth, and LGBT people. An astute eyewitness to decades of social change, she distinguishes the trendlines from the headlines and describes the progress occurring throughout the world, day after day. Secretary Clinton's descriptions of diplomatic conversations at the highest levels offer readers a master class in international relations, as does her analysis of how we can best use "smart power" to deliver security and prosperity in a rapidly changing world—one in which America remains the indispensable nation.
