CARDENAS BRADFORD

Nemesis Grand Central Publishing
 An absorbing chronicle of a much overlooked chapter in Jacqueline Kennedy Onassis's life—her nineteen-year editorial career History remembers Jacqueline Kennedy Onassis as the consummate first lady, the nation's tragic widow, the millionaire's wife, and, of course, the quintessential embodiment of elegance. Her biographers, however, skip over an equally important stage in her life: her nearly twenty year long career as a book editor. Jackie as Editor is the first book to focus exclusively on this remarkable woman's editorial career. At the age of forty-six, one of the most famous women in the world went to work for the first time in twenty-two years. Greg Lawrence, who had three of his books edited by Jackie, draws from interviews with more than 125 of her former collaborators and acquaintances in the publishing world to examine one of the twentieth century's most enduring subjects of fascination through a new angle: her previously untouted skill in the career she chose. Over the last third of her

life, Jackie would master a new industry, weather a very public professional scandal, and shepherd more than a hundred books through the increasingly corporate halls of Viking and Doubleday, publishing authors as diverse as Diana Vreeland, Louis Auchincloss, George Plimpton, Bill Moyers, Dorothy West, Naguib Mahfouz, and even Michael Jackson. Jackie as Editor gives intimate new insights into the life of a complex and enigmatic woman who found fulfillment through her creative career during book publishing's legendary Golden Age, and, away from the public eye, quietly defined life on her own terms.

Fighting for Space Simon and Schuster

She was Motown's brightest star, the one with guts enough and ambition enough to make her dreams come true, no matter where they took her. Rules that apply to others have never applied to Diana Ross. She won't let them. CALL HER MISS ROSS goes behind the footlights and stage facade, behind the broad smile and beautiful voice, for an exclusive look at the real Diana. J. Randy Taraborrelli has interviewed over 400 people and uncovered stories that have never been told before. The ultimate control maven, she became the star of The Supremes without giving Mary Wilson and Florence Ballard a second thought, but

also gave them both money when they ended up broke; self-centered, she dated newlywed Smokey Robinson on the sly in order to get more work at Motown; fiercely devoted mother of five, she gives her children anything they desire; impossible employer, she insists that everyone call her "Miss Ross"; insecure star, she demands complete control over every record, every movie, and every performance, no matter what the result. Her triumphs and tragedies, her virtues and vices, her lovers and enemies -- here's Miss Diana Ross as she's never been seen before. "Enjoyable . . . [A] marathon bitchfest." -- The Village Voice

Jackie's Girl Ballantine Books

William Manchester's epic and definitive account of President John F. Kennedy's assassination--now restored to print in a new paperback edition. As the world still reeled from the tragic and historic events of November 22, 1963, William Manchester set out, at the request of the Kennedy family, to create a detailed, authoritative record of the days immediately preceding and following President John F. Kennedy's death. Through hundreds of interviews, abundant travel and firsthand observation, and with unique access to the proceedings of the Warren Commission, Manchester conducted an exhaustive historical investigation, accumulating forty-five volumes of documents, exhibits, and transcribed tapes. His ultimate objective -- to set down as a whole the national and personal tragedy that was JFK's assassination -- is brilliantly achieved in this galvanizing narrative, a book universally acclaimed as a landmark work of modern history.

The Death of a President Grand Central Publishing

A "coming-of-age memoir by a young woman who spent thirteen years as Jackie Kennedy's personal assistant and occasional nanny--and the lessons about life and love she learned from the glamorous [former] first lady"--Amazon.com.

Jackie, Ethel, Joan Grand Central Publishing

Based on access to a wealth of a new material gleaned from her own writings; from documents at the schools she attended; from the archives of the John F. Kennedy Library; and from interviews with those who knew her best.

The Secret Memoirs of Jacqueline Kennedy Onassis St. Martin's Press

A unique perspective on the influence and enduring fascination of Jacqueline Kennedy Onassis What Jackie Taught Us offers insights about how Jackie lived with poise, grace, and zest, including wisdom about image and style, focus, courage and vision, men, marriage, and motherhood. After more than a decade in print, this commemorative edition features fourteen new essays from notable individuals amplifying the ways in which Jackie's life has influenced them -- and society at large -- over the past fifty years, including contributions from syndicated columnists Liz Smith and Marguerite Kelly; authors Edna O'Brien, A.E. Hotchner and Malachy McCourt; president emeritus of the Municipal Art Society of New York, Kent Barwick; and former Metropolitan Museum of Art executive, Ashton Hawkins. "The book is a must-read for anyone fascinated with the famed first lady, with essays, insights and observations from notables like Liz Smith, C.D. Green and Malachy McCourt." - Miami Herald "Twenty years after her death, we're still curious about Jackie. From Flaherty's book, we get some clues as to why." - NewBooksInBiography.com An award-winning author, philanthropist, and pioneer businesswoman, Tina Santi Flaherty is a board member of the Animal Medical Center and the Churchill Centre, among others. She is the author of *The Savvy Woman's Success Bible* (with Kay Gilman) and *Talk Your Way to the Top*. Visit her website at www.tinaflaherty.com. Follow her on Twitter @TinaSFlaherty.

What Jackie Taught Us (Revised and Expanded) Harper Collins

Jacqueline Kennedy Onassis never wrote a memoir, but she told her life story and revealed herself in intimate ways through the nearly 100 books she brought into print as an editor at Viking and Doubleday during the last two decades of her life. Many Americans regarded Jackie as the paragon of grace, but few knew her as the woman sitting on her office floor laying out illustrations, or flying to California to persuade Michael Jackson to write his autobiography. William Kuhn provides a behind-the-scenes look at Jackie at work: commissioning books and nurturing authors, helping to shape stories that spoke to her. Based on archives and interviews with her authors, colleagues, and friends, *Reading Jackie* reveals the serious and the mischievous woman underneath the glamorous public image.

The Kennedy Heirs Macmillan

From New York Times bestselling author J. Randy Taraborrelli comes *The Kennedy Heirs*, his most revealing Kennedy book yet. A unique burden was inherited by the children of President John Fitzgerald Kennedy and his celebrated siblings, Senators Robert and Ted Kennedy. Raised in a world of enormous privilege against the backdrop of American history, this third generation of Kennedys often veered between towering accomplishment and devastating defeat. In his revelatory new book, acclaimed Kennedy historian J. Randy Taraborrelli draws back the curtain on the next generation of America's most famous family. John Kennedy, Jr.'s life in the public eye is explored, following the Kennedy scion as he faced the challenges posed by marrying his great love, Carolyn Bessette. Riveting new details are shared about the couple's tragic demise—and why Ethel Kennedy advised Carolyn not to take the trip that would ultimately end her life. John's sister, Caroline Kennedy, had her own complicated relationships, including a marriage to Ed Schlossberg that surprised her mother, Jacqueline Kennedy Onassis, and an unexpected bond with her mother-in-law, Mae Schlossberg. Additional stories, many shared here for the first time, illuminate the rest of the Kennedy dynasty: Kara Kennedy, Ted's daughter, and her valiant battle against lung cancer; how Ted's wife, Vicki, introduced a new era of feminism to the Kennedy family; the lifelong struggles with addiction faced by Bobby Kennedy Jr. and Patrick Kennedy; the unexpected way pop star Taylor Swift helped Conor Kennedy heal after the death of his mother, Bobby's wife Mary; and Congressman Joe Kennedy III's rise to prominence. At the center of it all is the family's indomitable matriarch, Ethel Kennedy—a formidable presence with her maddening eccentricities and inspiring courage. Based on hundreds of exclusive first-hand interviews and cultivated over twenty years of research—including numerous Oral Histories from the JFK Library and the Edward M. Kennedy Institute—*The Kennedy Heirs* is an epic drama of ambition, scandal, pride and power.

Grace & Steel Simon and Schuster

Secret Service agent Clint Hill reveals the stories behind the iconic images of the five tragic days surrounding President John F. Kennedy's assassination in this 60th anniversary edition of the New York Times bestseller. On November 22, 1963, three shots were fired in Dallas, President John F. Kennedy was assassinated, and the world stopped for four days. For an entire generation, it was the end of an age of innocence. That evening, a photo ran on the front pages of newspapers across the world, showing a Secret Service agent jumping on the back of the presidential limousine in a desperate attempt to protect the President and Mrs. Kennedy. That agent was Clint Hill. Now Hill commemorates the sixtieth anniversary of the tragedy with this stunning book containing more than 150 photos, each accompanied by his incomparable insider account of those terrible days. A story that has taken Hill half a century to tell, this is a "riveting, stunning

narrative" (Herald & Review, Illinois) of personal and historical scope. Besides the unbearable grief of a nation and the monumental consequences of the event, the death of JFK was a personal blow to a man sworn to protect the first family, and who knew, from the moment the shots rang out in Dallas, that nothing would ever be the same.

Jackie Wheeler Publishing, Incorporated

The author of *A Woman Named Jackie* and *The Georgetown Ladies' Social Club* draws on intimate sources to offer insight into the relationship between Jacqueline Kennedy and Robert Kennedy, sharing details about an affair that was an open secret for decades among family insiders.

Touched by the Sun Backbeat Books

"Supremely humane.... Kay leaves us with a broad landscape of sweet tolerance and familial love." —The New York Times Book Review In her starkly beautiful and wholly unexpected tale, Jackie Kay delves into the most intimate workings of the human heart and mind and offers a triumphant tale of loving deception and lasting devotion. The death of legendary jazz trumpeter Joss Moody exposes an extraordinary secret, one that enrages his adopted son, Colman, leading him to collude with a tabloid journalist. Besieged by the press, his widow Millie flees to a remote Scottish village, where she seeks solace in memories of their marriage. The reminiscences of those who knew Joss Moody render a moving portrait of a shared life founded on an intricate lie, one that preserved a rare, unconditional love.

The French Paradox Anchor

As familiar as we are with images of Jacqueline Kennedy Onassis, the charming former first lady, fewer know the dynamic woman who called New York City home. Shortly after JFK's assassination in 1964, Jackie moved to Manhattan and lived there for the next three decades. This intimate collection of photographs celebrates her life in the city as a mother, book editor, style icon, and most of all, a New Yorker. Eating ice cream with her kids on Fifth Avenue, working with authors at Doubleday Books, riding her bike through Central Park—these images capture the real-life joy, creative passion, and effortless grace of New York Jackie.

Jacqueline Kennedy Simon and Schuster

She was a woman of confidence, focus, and passion, and it made her one of the world's greatest sources of inspiration and influence. She drew on a remarkable wealth of self-knowledge and a sense of purpose to cope with extraordinary public demands and overwhelming private needs. How can anyone emulate Jackie? What Jackie Taught Us offers Jackie's own personal lessons about how best to live one's life with poise, grace, and zest, including wisdom about image and style, courage and vision, men, marriage, motherhood, and motivation, and how best to apply those lessons to everyday life. With the shining example of this American icon, we can illuminate who we are, what we want—and what we truly need from ourselves and each other.

Mrs. Kennedy and Me Penguin

The instant New York Times bestseller | Named one of the ten best books of 2019 by People magazine A chance encounter at a summer party on Martha's Vineyard blossomed into an improbable but enduring friendship. Carly Simon and Jacqueline Kennedy Onassis made an unlikely pair—Carly, a free and artistic spirit still reeling from her recent divorce, searching for meaning, new love, and an anchor; and Jackie, one of the most celebrated, meticulous, unknowable women in American history.

Nonetheless, over the next decade their lives merged in inextricable and complex ways, and they forged a connection deeper than either could ever have foreseen. The time they spent together—lingering lunches and creative collaborations, nights out on the town and movie dates—brought a welcome lightness

and comfort to their days, but their conversations often veered into more profound territory as they helped each other navigate the shifting waters of life lived, publicly, in the wake of great love and great loss. An intimate, vulnerable, and insightful portrait of the bond that grew between two iconic and starkly different American women, Carly Simon's *Touched by the Sun* is a chronicle, in loving detail, of the late friendship she and Jackie shared. It is a meditation on the ways someone can unexpectedly enter our lives and change its course, as well as a celebration of kinship in all its many forms. "In *Touched by the Sun*, Simon reveals an easy-going, playful side of [Jackie] that most people never saw — sneaking a smoke during intermission at the opera, frolicking in the ocean off the Vineyard . . . The woman who would later edit several of Simon's children's books was 'just fun to be around.'" —Juliet Pennington, *The Boston Globe*

Jacqueline Kennedy St. Martin's Press

What was it like to meet and talk to people who knew Jackie Kennedy Onassis well? Each of these eight people gave me a surprising look into what it was like to live and work in Jackie's world. 1 Nancy Tuckerman was Jackie's friend from boarding school and also her lifelong assistant. 2 Jackie was wary around Nan Talese, one of the most important people in publishing. Jackie was also envious of Nan. 3 Distantly related to her by marriage, Louis Auchincloss gave Jackie a hard time when she wanted to slip out of the spotlight. 4 Sarah Giles was an editor at *Vanity Fair*. She worked with Jackie in her apartment at 1040 Fifth Avenue on a book that got them both into trouble. 5 Ruth Ansel knew Jackie via man about town and major photographer Peter Beard. When Jackie had a rare chance to acquire an authorized biography of Audrey Hepburn, Jackie confessed to Ruth why she couldn't do it. 6 Rosamond Bernier gave sold-out lectures at the Metropolitan Museum of Art. She was married to *The New York Times*'s art critic. Their wedding was at Philip Johnson's famous glass house in Connecticut. Nevertheless, Philip Johnson later proved treacherous both to Rosamond Bernier and to Jackie. 7 Francis Mason advised Jackie when she wanted to switch jobs. The story of how she ignored his advice and managed to remain friends with him is testimony to a high-spirited talent that the two of them shared. 8 Edith Welch and her husband went to India with Jackie. Jackie didn't always behave well on these trips, nor did Edith's husband.

Jackie After Jack Simon and Schuster

The instant New York Times and USA Today bestseller! The untold story of how one woman's life was changed forever in a matter of seconds by a horrific trauma. Barbara Leaming's extraordinary and deeply sensitive biography is the first book to document Jacqueline Kennedy Onassis' brutal, lonely and valiant thirty-one year struggle with post-traumatic stress disorder (PTSD) that followed JFK's assassination. Here is the woman as she has never been seen before. In heartrending detail, we witness a struggle that unfolded at times before our own eyes, but which we failed to understand. Leaming's biography also makes clear the pattern of Jackie's life as a whole. We see how a spirited young woman's rejection of a predictable life led her to John F. Kennedy and the White House, how she sought to reconcile the conflicts of her marriage and the role she was to play, and how the trauma of her husband's murder which left her soaked in his blood and brains led her to seek a very different kind of life from the one she'd previously sought. A life story that has been scrutinized countless times, seen here for the first time as the serious and important story that it is. A story for our times at a moment when we as a nation need more than ever to understand the impact of trauma. *Jackie Stories: Eight Friends of Jacqueline Kennedy Onassis* Grand Central Publishing

The world was shocked when Jacqueline Kennedy married

Aristotle Onassis in 1968. It would not have been so surprising had the truth of their relationship—which dated back to the 1950s—been known. Jackie knew Ari almost as long as she had known John F. Kennedy—and saw qualities in him (besides money) that she found highly attractive. The five years between her marriages to JFK and Onassis are often overlooked. But it was an incredible period of growth and change for Jackie. How did the world's most famous woman remain so enigmatic? What was she really like? This book reveals the real Jackie, the one that hid behind her trademark large sunglasses. In this book, you'll learn about:

- Jackie's lovers—and the one man she regretted not marrying
- The secret, second burial of JFK
- Her evolution from "political wife Jackie" into "nightclubbing, party girl Jackie"
- Her own near death in 1967
- Her influence on pop art, fashion, and design

America's Queen Chronicle Books

From the New York Times bestselling Kennedy historian and author of Jackie: Public, Private, Secret comes the other side of the story—her husband's: JFK: Public, Private, Secret. In this deeply researched presidential biography, J. Randy Taraborrelli tells John F. Kennedy's story in a provocative new way by revealing how public moments in his life were so influenced by private relationships with not only his family, but also Jackie's. But it's the secret life that also surprises. As Congressman, Senator and finally President, JFK was a magnet for women. With exclusive interviews and meticulous research, Taraborrelli reveals not only the man's many affairs but also the strength and resolve his wife showed in coping with them. JFK's women include:

- Jackie Kennedy, and her rules of engagement for Jack's infidelity: "Don't lie about it, and don't rub it in my face."
- Inga Arvad. JFK's first love and how it ended over fears she was a Nazi spy.
- Marilyn Monroe. Why Jackie insisted JFK call it off with her: "This one's different, Jack. This one's trouble!"
- Joan Hitchcock. The

mysterious brunette who comforted Jack after Jackie threatened to file for divorce.

- Marlene Dietrich. JFK's last fling before Dallas.

Other great stories:

- How JFK's grief over his infant son caused him to make rash decisions that pulled the USA into Vietnam for the first time.
- The real truth, once and for all, about the Mafia's involvement in JFK's election.
- Jackie's two romantic interests as First Lady. One was a doctor, the other an architect... and neither was a President.
- The startling drug abuse that clouded the President's decisions during the disastrous Bay of Pigs... .. and how Jackie managed to wean him from those drugs in time for the nearly cataclysmic Cuban Missile Crisis. The JFK presented in Taraborrelli's definitive biography is a complex and endlessly fascinating historical figure, despite—and maybe even because of—his many flaws.

MICHAEL JACKSON: Penguin

Memorial: Rose Hughes Large Print.

Bobby and Jackie Grand Central Publishing

In 1951, eighteen-year-old Lee Bouvier and her twenty-two-year-old sister Jacqueline took their first trip to Europe together. Jackie had already spent a year in France living with a French family and attending the Sorbonne. Her many cards and letters had made her sister Lee want nothing more than to see Europe with Jackie. Having convinced their parents, the two young ladies set off to see the continent. As they traveled, they sketched and kept notes, creating an illustrated journal of their time abroad, which they presented to their parents as a thank you upon their return; that delightful chronicle is ONE SPECIAL SUMMER. Join Jackie and Lee for a tantalizing glimpse of a lost world: crossing the Atlantic by ocean liner, visits with counts and ambassadors in Paris, art lessons in Venice, and white gloves in the afternoon. Smile at the social agonies all young women suffer in common—how to politely consume an oversized hors d'oeuvre, the horror of slipping undergarments, and the art of fending off unwanted romantic advances.
