102 Little Drawings That Will Help You Remember English Rules

FOREVER (Probably) Brain Friendly Publications

Annotation The three pocketbooks comprising the 'English Through Pictures Series' are the remarkable invention of I A Richards and Christine Gibson, who designed them to help the learner speak, read and write English in the quickest and clearest possible way -- through pictures. The authors have made a careful selection of the most widely useful English words, choosing those with the power to define other words, and have put them to work in key patterns that offer the learner the ability to communicate successfully in English. Book 1 contains a vocabulary of 250 such words, with an additional 500 developed in Book 2; these 750 words are then used in Book 3 to build a command of 1000 words which, by their defining power, hold the possibility of understanding as much as another 20,000 words of English. Throughout 'English Through Pictures', responsibility for learning is placed directly on the learner, who from the very start enjoys the ability to put essential words to work creating key sentence patterns where meaning is clearly shown in pictures. These simplified drawings allow learners to focus on the sentence and to enjoy growing confidence as they successfully take control of language, with the workbooks in Books 1 and 2 challenging and reinforcing their growing competence as both speakers and readers. Motivated and inspired, learners will soon find to their delight that fluent communication in English -- the common language of today's world -- lies well within their grasp. 'English Through

Pictures' has already been used successfully by millions of learners in over forty countries.

Practice Through Pictures Tuttle Publishing

Photocopiable classroom resource - Grammar recycled to promote learning
Grammar Activities for the Oxford Picture Dictionary Pippin Publishing Corporation

This is not another traditional English textbook. This book is a collection of 102 funny drawings designed to make you understand English grammar and remember new English words. Popular English teacher and blog writer Gabriel EA Clark has been drawing pictures to help his students since he started teaching English back in 2004. This book is a compilation of 102 of the funniest and most effective pictures that he drew for his own students to explain English grammar and vocabulary. Pictures that make students go, "Aha! I get it now!" Each drawing comes with examples of how to use the grammar or vocabulary in real-life situations in English plus an explanation on the topic to make sure your understanding is crystal clear. This book is a collection of pictures to help you sharpen your English. It's here to give you inspiration, some "a-ha" moments and hopefully a few good laughs. This book is for intermediate and advanced English learners. Here's a taste of what's inside: Learn new and fun techniques to remember even very complicated new words (and remember them for a long time). Really understand how the English tenses work. Understand the difference between easily confused words. Learn idioms and phrasal verbs. Choose the right preposition (in, on, at, by ...). Find out how to avoid mistakes that most English learners make. This book is great for students learning

English at home, and it's also a great resource for English teachers (effective pictures that you can show students or draw yourself on the board).

Practice through pictures MacMillan Education, Limited

Second Language Writing Systems looks at how people learn and use a second language writing system, arguing that they are affected by characteristics of the first and second writing systems, to a certain extent independently of the languages involved. This book for the first time presents the effects of writing systems on second language reading and writing and on second language awareness, and provides a new platform for discussing bilingualism, biliteracy and writing systems.

GRAMMAR IN ACTION 3 Delta Systems Mastering grammar is now easier than ever with this fully illustrated guide that covers the most important rules in grammar and punctuation—making even the most confusing rules easy to understand. This illustrated guide to English grammar gives you everything you need for a better understanding of how to write and punctuate correctly. From proper comma usage to the correct form of there, their, or they're—understanding grammar has never been easier. Is it who or whom? Affect or effect? And what is a prepositional phrase? With The Infographic Guide to Grammar, you'll learn the answers to all of these questions, and so much more. Filled with colorful, easy-to-understand entries, this book includes topics like: -Basic sentence structure -The parts of speech -Common mistakes and how to avoid them Featuring 50 vibrant infographics explaining everything from subject-verb agreement to the Oxford comma and verb tenses this book breaks down the complicated rules and guidelines for

writing the English language and makes them clear and straightforward.

Grammar Activities is an indispensable resource that enables teachers to use the Dictionary to teach a wide range of basic grammar points.

The Infographic Guide to Grammar
Penguin

PLEASE NOTE - this is a replica of the print book and you will need a pen and paper to complete the exercises. Learn more than 1,000 of the most common and useful English phrasal verbs using the effective English for Everyone visual method. Phrasal verbs (two- or three-part verbs such as "put off", "put on", "put up with") are incredibly useful, but notoriously difficult to learn. English for Everyone: Phrasal Verbs uses the same combination of visual teaching and crystal-clear definitions as the rest of the English for Everyone series to make one of the most difficult aspects of learning English much easier. More than 1,000 phrasal verbs are presented in context, together with easy-to-understand definitions and attractive illustrations. Each teaching module is based around a practical or everyday topic (such as technology, relationships, or work) and is followed by practice exercises to help students remember what they have just learned. At the front of the book, a short grammar section shows learners how phrasal verbs work.

Picture Grammar for Children 2 Allyn & Bacon

This is a fun and user-friendly way to learn English English Made Easy is a breakthrough in English language

learning--imaginatively exploiting how pictures and text can work together to create understanding and help learners learn more productively. It gives beginner English learners easy access to the vocabulary, grammar and functions of English as it is actually used in a comprehensive range of social situations. Self-guided students and classroom learners alike will be delighted by the way they are helped to progress easily from one unit to the next, using a combination of pictures and text to discover for themselves how English works. The pictorial method used in this book is based on a thorough understanding of language structure and how language is successfully learned. The authors are experienced English language teachers with strong backgrounds in language analysis and language learning. English Made Easy, Volume 2 consists of a total of 20 units arranged in groups of five. The first four units present language and provide learners the opportunities to practice as they learn. The first page of each unit has a list of all the words and phrases to be learned in that unit, together with a pronunciation guide. At the end of each unit, an interesting story which uses the language that has just been learned is presented. The fifth unit in each group contains exercises designed to reinforce the language learned in the first four units.

Picture This! Dorling Kindersley Ltd

This grammar picture book was originally published in England in 1900. It uses illustrations personifying the eight parts of speech to tell a story and make grammar fun. We are happy to bring this public domain work back to life and into your hands. Enjoy this educational piece of history!

English Made Easy Volume Two

Tuttle Publishing

" 'Picture grammar for children' is a lively and colourful grammar practice series for young learners. It's fun to use and easy to teach and is compatible with any course. Grammar is presented in an original and appealing way through vocabulary-rich topic-based spreads which are followed by a range of grammar practice activities." -- From the back cover.

English Through Pictures Delta Systems

Your Personal Tense Axis will help you place the English tenses with their corresponding time markers on a special axis that you carry with you every day. In this way, you will be able to connect naturally your past, present, and future with their equivalent English tenses - because you do not learn for school but for life. Your Personal Tense Axis contains the following chapters: Your Personal Tense Axis Regular Verb Forms Irregular Verb Forms Grammatical Pictures

Grammar Zappers! Delta Systems

PLEASE NOTE - this is a replica of the print book and you will need paper and a pencil to complete the exercises. Puzzled by past tenses? Confused by comparatives? This clearly structured and beautifully presented workbook is packed with grammar practice activities that make learning English grammar incredibly easy. The English for Everyone Grammar Guide Practice Book is an essential companion to the English for Everyone Grammar Guide, a comprehensive reference book that makes even the trickiest grammar rules clear and simple. The Practice Book mirrors the unit-by-unit structure of the Grammar Guide. Each Practice Book unit is full of carefully graded grammar exercises to drill and reinforce the

grammar you have learned in the corresponding Grammar Guide unit. These exercises will help you build up your confidence and become more fluent, giving you the chance to practice using the most important English grammar constructions again and again. Ideal for students at all levels, the English for Everyone Grammar Guide Practice Book covers basic, intermediate, and advanced English grammar in one easy-to-navigate book. Like all books in the innovative English for Everyone series, it uses a visual learning method: many of the exercises are accompanied by attractive illustrations that put grammar practice points into context and give you visual cues to help you understand the exercises. Whether you want to improve your grammar for work, study, travel, or exams, the English for Everyone Grammar Guide Practice Book offers you a simple way to learn English grammar, remember it, and use it with confidence.
