A Lion Among Men Jason Aronson
"Crime strikes close to home in this latest installment...The engaging cast of familiar supporting characters—including Phryne's maid, Dot, and her Chinese lover, Lin Chung—will delight longtime fans..." —Publishers Weekly The circus is in town for St Kilda's first Flower Festival, which includes a parade. And who should be Queen of said Flowers but the Honourable Phryne Fisher? She has dresses to purchase, cinemas to visit, and agreeable cocktails to drink. However, one of her flower maidens is unstable and has vanished. So Phryne investigates, trudging through the underworld with the help of Bert, Cec, her little beretta, an old flame from Orkney, the owner of the most exclusive brothel in St Kilda, and several elephants. But when her own adopted daughter Ruth goes missing, Phryne is determined that nothing will stand in the way of her retrieving her lost child.

The Lion Seeker Eve Langlais
A fiery spirit dances from the pages of the Great Book. She brings the aroma of scorched sand and ozone. She has a story to tell.... The Book of Phoenix is a unique work of magical futurism. A prequel to the highly acclaimed, World Fantasy Award-winning novel, *Who Fears Death*, it features the rise of another of Nnedi Okorafor's powerful, memorable, superhuman women. Phoenix was grown and raised among other genetic experiments in New York's Tower 7. She is an "accelerated woman"—only two years old but with the body and mind of an adult, Phoenix's abilities far exceed those of a normal human. Still innocent

and inexperienced in the ways of the world, she is content living in her room speed reading e-books, running on her treadmill, and basking in the love of Saeed, another biologically altered human of Tower 7. Then one evening, Saeed witnesses something so terrible that he takes his own life. Devastated by his death and Tower 7's refusal to answer her questions, Phoenix finally begins to realize that her home is really her prison, and she becomes desperate to escape. But Phoenix's escape, and her destruction of Tower 7, is just the beginning of her story. Before her story ends, Phoenix will travel from the United States to Africa and back, changing the entire course of humanity's future.

While Amber and her younger brother Stevie are playing in their grandparents' basement, they find an ancient mummified hand hidden behind a false wall. They learn quite by accident that this hand can make items like Grandpa's championship basketball and pinball machine disappear. While trying to make them reappear before Grandma discovers what they have done, Amber and Stevie realize the hand can make them disappear as well and reappear in a strange Egyptian world where statues come to life and where a handful of ruthless pirates have been stranded for hundreds of years. When a snooping neighbor boy gets hold of the gruesome hand, he panics and accidentally sends Amber and Stevie to this strange world with no possible way of getting back home.

How would the most cherished stories of Christianity, Judaism, and Islam be different if women were the active central figures? This ground-breaking collection of short stories brings to life the women—daring, brave, thoughtful, and wise—who played important and exciting roles in the early days of Judaism, Christianity, and Islam. Join Esther as she stands against injustice and her king to save her people, Aisha

as she leads hundreds of men into terrifying battle, and Mary as she and Elizabeth dream of the new lives growing inside them. How must Sarah have felt, turning Hagar out into the desert? And how must Hagar have felt, traveling from the safety and security of Abraham's land toward an uncertain future? These stories invite us to come to know and appreciate the struggles and triumphs of these women—mothers, daughters, believers and seekers.

"Level One" is a frightening fictional future possibility. "Level One" examines the potential self-destruction of taking matters into your own hands in times of war and the corruption of power. "Level One" questions presuppositions of anarchy and the burden of command.

What happens when the associated responsibilities of a commander are eclipsed by personal gain and deep-rooted vendetta psychology? How does one measure the greater good geopolitically in order to make the correct decisions? Unlike Jack Denali's last book, "Novus Ordo Seclorum," which uncovered the essence of personal relationships; "Level One" digs deep into group behavioral psychology. The protagonist, a former sniper frustrated by being leashed by the government and unable to stop terrorists without cutting reams of red tape, finds that with a little cash and the cooperation of other like minded soldiers, who are willing to aid his cause and thereby circumvent any bureaucracy, that in effect they can have an impact on global terrorism. As he recycles war profits gained from the investment of his inheritance, he soon has his own army, his own command. "Level One" magnifies the infrastructure of empire building in an action adventure glimpse of the potential future of our world.

Four Plays By Eugene O'Neill Celia Kyle

I'm not doing a German accent You aren't doing an African accent We aren't doing accents A group of actors gather to tell the little-known story of the first genocide of the twentieth century. As the full force of a horrific past crashes into the good intentions of the present, what seemed a far-away place and time is suddenly all too close to home. Just whose story are they telling? Award-winning playwright Jackie Sibblies Drury collides the political with the personal in a play that is irreverently funny and seriously brave. *We Are Proud To Present . . .* received its European premiere at the Bush Theatre, London, on 28 February 2014.

Lion Rising Penguin

Sometimes the Queen of the Jungle needs to lean on her King. Okay, she's really not the queen and he's totally not the king, but damn it, they need each other. Four years ago, werelioness Honor Mauer walked away from Ridgeville and hopped on a plane bound for London. She had college dreams and none of them included her pesky maybe-mate Grayson. (Even if he is the hottest thing to ever walk on two legs—and four.) All is fantastically furry in London until she goes through her first heat. Then her world collapses, her bright, obnoxious eyes dim, and she runs home with her tail tucked between her legs. Too bad the London werelion who sent her scurrying home decides to show up just as she's feeling a little less psychotic. Bastard. Werelion Grayson got his curvy, luscious mate back on U.S. soil and he refuses to let her go. He knows there's a lot of emotional work to do, but he didn't become Ridgeville's Second by turning belly up at the first sign of trouble. She's his. The quicker she realizes that—and opens her heart to healing—the better.

He's got a plan for a life filled with love, laughter, and cubs and it sorta requires her cooperation. Just when he thinks her recovery is around the corner, the male who'd hurt Honor shows up in Ridgeville. Which is a good thing, really, since it gives Grayson a chance to kill him. It's like Christmas in July.

Jayce Morrow is like any other college student: part academic, part nerd, part dreamer. Adopted by the only family he's ever known he has no idea of his true identity. Or what his unknown history means. Saving the world wasn't part of his college application, after all. When a gorgeous mage appears out of thin air in his apartment, he's positive he's dreaming, convinced one of his friends has jumped the shark looking for players for their D&D dungeon by hiring LARPer. Except there is no dungeon to strategize through. Mages and magic are real. And he's about to learn his role in saving their world. Note from the Author: This story is a slow burn MM romance with some really stubborn characters, a few comments about an elf's amazing hair, and challenges that can mold the man regardless of plans.

'An extraordinary story of the bond between a mother and her son. Four-year-old Danny's voice is utterly convincing, heartbreaking and ultimately full of love and hope,' Catherine Hall
Four-year-old Danny lives with his mother, Natalie, in a small Sussex town. Life is a struggle and when they are threatened with a benefits sanction, salvation appears in the form of a Job Centre employee called Karen. But Karen's impact is to reach far beyond this one generous gesture, as she and

Natalie embark on an intense relationship. Told in the voice of an intelligent, passionate and unusual child, Tale of a Tooth is an immersive and compelling look at the impact of domestic abuse on a vulnerable family unit. What Reviewers and Readers Said: 'Allie Rogers strikes gold again A book about issues that isn't issue-led, and a book about childhood that isn't mawkish and emotional - Allie Rogers has, in Tale of a Tooth, created a tale that's original, powerful and long lasting. Danny's voice is readable, memorable, and may have just changed my mind about child narrators' The Book Bag 'It was a challenging read in terms of exploring the often taboo issue of domestic violence between women, which makes this a hugely important novel. Exploring a narrative which is too often kept private, but nevertheless, desperately needs to be told, Allie Rogers is unflinching in her descriptions of bullying and brutality which can be found within relationships. For this, she deserves to be congratulated.' Jess Richards 'Via a unique, compelling, utterly original voice and characters I loved from page one, Tale of a Tooth tells a critical, timely, heart-breaking story of a little boy and his mother navigating the hard parts of life with grace and wisdom and, most importantly, each other.' Beware the reluctant bridegroom... Spencer Becket was only eight when he arrived in Romney Marsh as part of the mysteriously displaced Becket family. The son of a seaman and a mother who'd died in childbirth, he grew up longing to be a soldier. His adoptive father reluctantly purchased him a commission, and Spence was off to fight in America, chockfull of passion and ideals. He returned home older, perhaps wiser, but also with one small patch of his memory inconveniently missing. Beware the compromised bride... Mariah Rutledge is the daughter of a British officer killed during a losing battle, and she joins other women and children forced to flee into the swampy forest to avoid capture. For long weeks, she helps care for one of the few wounded soldiers that managed to reach safety. She calms him when he cries out in delirium, presses her body close to his, to warm him as he shivers in the damp chilly nights. He becomes her reason to stay alive, alone, in the wilderness. It is highly possible for a woman in those circumstances to make an emotional mistake. Beware the flames... At Becket Hall, alternately battling and loving each other, Spencer and Mariah unexpectedly discover what appears to be a plot to restore the recently vanquished Napoleon to power in a most unusual way. A deadly way. Bound by the secrets that are all that keep the Becketts safe, Spencer and Mariah must battle the world and their own devils in order to prevent a tragedy ... but will the price for this victory be their very lives?
