NEW YORK TIMES  
BESTSELLER AND  
INSPIRATION FOR THE  
NETFLIX LIMITED SERIES,  
HAILED BY ROLLING  
STONE AS "A GREAT

ONE." "A single mother's  
personal, unflinching look  
at America's class divide,  
a description of the  
tightrope many families  
walk just to get by, and a  
reminder of the dignity of  
all work." -PRESIDENT  
BARACK OBAMA, Obama's  
Summer Reading List At  
28, Stephanie Land's  
dreams of attending a  
university and becoming a  
writer quickly dissolved  
when a summer fling

turned into an unplanned  
pregnancy. Before long,  
she found herself a single  
mother, scraping by as a  
housekeeper to make  
ends meet. Maid is an  
emotionally raw,  
masterful account of  
Stephanie's years spent in  
service to upper middle  
class America as a  
"nameless ghost" who  
quietly shared in her  
clients' triumphs,  
tragedies, and deepest

secrets. Driven to carve out a better life for her family, she cleaned by day and took online classes by night, writing relentlessly as she worked toward earning a college degree. She wrote of the true stories that weren't being told: of living on food stamps and WIC coupons, of government programs that barely provided housing, of aloof government employees who shamed her for receiving what little assistance she did. Above all else, she wrote about pursuing the myth of the

American Dream from the poverty line, all the while slashing through deep-rooted stigmas of the working poor. Maid is Stephanie's story, but it's not hers alone. It is an inspiring testament to the courage, determination, and ultimate strength of the human spirit.

HarperCollins Australia Bethany, an angel sent to Earth, and her mortal boyfriend, Xavier, have been to Hell and back. But now their love will be put to its highest test yet, as they defy Heavenly law

and marry. They don't tell Beth's archangel siblings, Gabriel and Ivy, but the angels know soon enough, and punishment comes in a terrifying form: the Sevens, who are rogue angels bent on keeping Beth and Xavier apart, destroying Gabriel and Ivy, and darkening angelic power in the heavens. The only way Bethany and Xavier can elude the Sevens is to hide in the open, and blend in with other mortals their own age. Gabriel and Ivy set them up at college, where they can't reveal their

relationship, and where there is still danger around each corner. Will Bethany be called back to Heaven - for ever - and face leaving the love of her life?

**Halo: The Flood** Simon and Schuster

- Provides exercises, meditations, and visualizations for working with crystals, including special protocols for balancing chakra energies and connecting to the Archangels for healing
- Offers guidance on how to choose or be chosen by a crystal and explains how

we can consciously invite crystals into our lives • Includes a compendium of 44 crystal allies and their angelic counterparts, explaining their uses and energies as well as their spiritual messages

Looking at the dynamics between crystals, humans, and the angelic kingdom, Kathryn Hudson explains why you might encounter crystals on your life path and shares her personal story of how a crystal gifted to her by a stranger helped her change the direction of her life. She discusses the

vibrational resonance that draws us to certain crystals, especially in calling light workers into alignment with their soul purpose, and explains how crystals are energetic mirrors of the angelic realm. She shows how we can consciously invite crystals into our lives and provides a guided channel-opening exercise to create a clear connection between heaven and earth for more powerful work. She also explains how to work with crystals to protect yourself from negative

energies, especially helpful for sensitives and empaths. Kathryn discusses how to care for your crystal family, including clearing, purifying, and recharging protocols. She presents a 7-chakra crystal meditation where 7 crystals (clear quartz, amethyst, blue calcedony, green fluorite, orange calcite, carnelian, and red jasper) help you access the energies needed to balance the chakras. She explores 15 healing crystals with connections to specific Archangels

who can be invited to help you. In the final section of the book, Kathryn presents a full-color alphabetical compendium of 44 crystal allies and their angelic counterparts, illustrating each and explaining their uses, such as protection, heart-opening, love, power, or health/healing, along with their spiritual messages. When we take action with the crystals around us, call on the angels for help, and consciously build our crystal and angelic family, we become an agent of healing for our own heart

and the hearts of those around us, as well as for the heart of the earth. *The Fetch Getty Publications* Heaven Help Her. Bethany Church is an angel sent to Earth to keep dark forces at bay. Falling in love was never part of her mission, but the bond between Beth and her mortal boyfriend, Xavier Woods, is undeniably strong. But even Xavier's love, and the care of her archangel siblings, Gabriel and Ivy, can't keep Beth from being tricked into a motorcycle ride that ends

up in Hell. There, the demon Jake Thorn bargains for Beth's release back to Earth. But what he asks of her will destroy her, and quite possibly, her loved ones, as well. The story that Alexandra Adornetto built in her New York Times-bestselling debut, Halo, comes alive in action-packed and unexpected ways, as angels battle demons, and the power of love is put to the test. *Emblaze* Simon and Schuster  
The love between angel Bethany and her mortal

At a time when they believe nothing will come between them again, they are faced with their most daunting challenge yet - the Sevens, a military order of angels designed to maintain balance in the universe. these soldiers won't stop until their job is done - capture the wayward angel and send her home. Beth discovers there is only one way

back to Earth, but the cost is higher than she ever imagined. If she can survive, she will prove to Heaven and Earth that there is nothing stronger than the power of love.

An unthinkable danger. An unexpected choice. Annabel, once the daughter of a wealthy merchant, is trapped in indentured servitude to Lord Ranulf, a recluse who is rumored to be both terrifying and beastly. Her circumstances are made even worse by the proximity of Lord Ranulf's bailiff—a revolting man who has made unwelcome advances on Annabel in

the past. Believing that life in a nunnery is the best way to escape the escalation of the bailiff's vile behavior and to preserve the faith that sustains her, Annabel is surprised to discover a sense of security and joy in her encounters with Lord Ranulf. As Annabel struggles to confront her feelings, she is involved in a situation that could place Ranulf in grave danger. Ranulf's future, and possibly his heart, may rest in her hands, and Annabel must decide whether to follow the

plans she has cherished or the calling God has placed on her heart. *Heaven* Simon and Schuster

Early Christian art portrays Mary and other women clergy serving as deacon, presbyter/priest, and bishop. In addition, the two oldest surviving artifacts to depict people at an altar table inside a real church depict women and men in a gender-parallel liturgy inside two of the most important

churches in Christendom—Old Saint Peter's Basilica in Rome and the second Hagia Sophia in Constantinople. Dr. Kateusz's research brings to light centuries of censorship, both ancient and modern, and debunks the modern imagination that from the beginning only men were apostles and clergy. A Novel Feiwei & Friends Only sixteen when she started the series, Ally Adornetto knows how teen hearts beat, and this long-awaited conclusion is certain to be her most
