"Who hasn't
been in love?
At least once

in their
lifetime? ...
People think
only a man
and a woman
can make a
couple ... But,
the truth is,
anybody can
fall in love
with anybody.
A man can fall
in love with a

man, a woman
can fall in love
with a woman.
But society
doesn't accept
such love." -
Nisho in 'Rakhi
Sawant of
Sind'
Alternative
Realities is a
travelogue, a
memoir, a

satire and a feminist critique of Muslim women's lives, interwoven with the author's own ongoing struggles as a Muslim woman. Each chapter presents personal stories of women living in cities, small towns and villages in India, Pakistan and Bangladesh - the three lands to which Nighat Gandhi belongs. In writing their stories, she attempts to break the silence

enshrouding Muslim women's sexuality, and the ways in which they negotiate the restrictions placed on their freedoms within the framework of their culture. Women like Ghazala, who prefers the life of a second wife, 'living like a married single woman', to being bound within the ties of a conventional marriage; Nusrat and QT who believe theirs is a normal marriage, except that

they are both women; Nisho, who refuses to accept that her trans-sexuality should deny her the right to love, and Firdaus, writer and feminist, who can walk out of a loveless marriage but not give up on love, with or without marriage. Nighat also explores her own story as a woman who dared to make choices that pitted her against her family and cultures. Alternative Realities is her jihad or

struggle to deconstruct the demeaning stereotypes that prevail about all Muslim women. It is a refection of the myriad ways in which, despite these misogynistic forces, they continue to weave webs of love and peace in their own lives and in the lives of those they live with."

Knopf Canada
 LONGLISTED FOR THE BOOKER PRIZE. From New York Times bestselling author Jeanette Winterson comes her most anticipated book since *Why Be Happy When You Could Be Normal?* about the bodies we live in and the bodies we desire. Since her astonishing debut at twenty-five with *Oranges Are Not the Only Fruit*, Jeanette Winterson has

achieved worldwide critical and commercial success as "one of the most daring and inventive writers of our time" (Elle). Her new novel, *Frankissstein*, is an audacious love story that weaves disparate lives into an exploration of transhumanism, artificial intelligence, and queer love. *Lake Geneva, 1816*. Nineteen-year-old Mary Shelley is inspired to write a story about a

scientist who creates a new life-form. In Brexit Britain, 2019, a young transgender doctor called Ry is falling in love with Victor Stein, a celebrated professor leading the public debate around AI and carrying out some experiments of his own in a vast underground network of tunnels. Meanwhile, Ron Lord, just divorced and living with his mum, is set to make his fortune launching a new

generation of sex dolls for lonely men everywhere. Across the Atlantic, in Phoenix, Arizona, a cryogenics facility houses dozens of bodies of men and women who are medically and legally dead...but waiting to return to life. What will happen when homo sapiens is no longer the smartest being on the planet? In fiercely intelligent prose, Jeanette Winterson shows us how

much closer we are to that future than we realize. Funny and furious, bold and clear-sighted, Frankissstein is a love story about life itself.

Hachette UK

'A shining delight of a novel' New York Times
'Clever and beautiful...it soars'

Financial Times A baby girl is abandoned, banished from London to the storm-ravaged American city of New Bohemia. Her father has

been driven mad by jealousy, her mother to exile by grief. Seventeen years later, Perdita doesn't know a lot about who she is or where she's come from - but she's about to find out. Jeanette Winterson's cover version of *The Winter's Tale* vibrates with echoes of Shakespeare's original and tells a story of hearts broken and hearts healed, a story of revenge and forgiveness, a story that

shows that whatever is lost shall be found. 'Emotionally wrought and profoundly intelligent... A supremely clever, compelling and emotionally affecting novel that deserves multiple readings to appreciate its many layers' *Mail on Sunday* 'There are passages here so concisely beautiful they give you goosebumps' *Observer* 'Pulsates with such authenticity

and imaginative generosity that I defy you not to engage with it' *Independent* "*How Hideous Am I?*" *Feminine Monstrosity in Jeanette Winterson's Sexing the Cherry* Bloomsbury Publishing The greedy and self-centered king of Capri has a reversal of fortune when the wind blows all of his precious things into the backyard of a kind and generous Naples washerwoman

<p>, Mrs. Jewel. <i>The King of Capri</i> Grove/Atlantic , Inc. A magical, wonderful modern classic about the destinies of Napoleon's faithful cook and the daughter of a Venetian boatman. Set during the tumultuous years of the Napoleonic Wars, <i>The Passion</i> intertwines the destinies of two remarkable people: Henri, a simple French soldier, who follows Napoleon from glory to</p>	<p>Russian ruin; and Villanelle, the red-haired, web-footed daughter of a Venetian boatman, whose husband has gambled away her heart. In Venice's compound of carnival, chance, and darkness, the pair meets their singular destiny. In her unique and mesmerizing voice, Jeanette Winterson's "concentrated , beautifully detailed prose" (The New York Times) unfurls a "historical</p>	<p>novel quite different from any other" (Vanity Fair). "Recalls García Márquez . . . Magical touches dance like highlights over the brilliance of this fairy tale about passion, gambling, madness, and androgynous ecstasy." —Edmund White <i>Girl with Dove: a Life Built by Books</i> Vintage "The word "mesmerising" is frequently applied to memoirs, but seldom as deservedly as in the case of <i>Girl With</i></p>
---	---	---

<p>Dove' Financial Times 'Reading is a form of escape and an avid reader is an escape artist...' Brilliantly original, funny and clever Honor Clark, Spectator, Book of the Year <u>Sexing the Cherry</u> Canongate Books 'So, Will, are you going to come with me and my team of merry performers to the sunny climes of Australia, where the crowds are already</p>	<p>queuing and the streets are paved with gold?' In the second half of the 19th century, Melbourne is a veritable boom town, as hopefuls from every corner of the globe flock to the gold fields of Victoria. And where people crave gold, they also crave entertainment . Enter stage right: brothers Will and Max Worthing and their wives Mabel and Gertie. The family arrives from England in the 1880s with little else</p>	<p>but the masterful talents that will see them rise from simple travelling performers to sophisticated entrepreneurs . Enter stage left: their rivals, Carlo and Rube. Childhood friends since meeting in a London orphanage, the two men have literally fought their way to the top and are now producers of the bawdy but hugely popular 'Big Show Bonanza'. The fight for supremacy</p>

The Gap of Time Open Road Media
 “The marvelous and the horrific, the mythic and the mundane overlap and intermingle in this wonderfully inventive novel.” —The New York Times Winner of the E. M.

Forster Award
 In a fantastic world that is and is not seventeenth-century England, a baby is found floating in the Thames. The child, Jordan, is rescued by Dog Woman and grows up to travel the globe like Gulliver—though he finds that the most curious oddities come from his own mind. The spiraling tale leads the reader from discussions on the nature of time to Jordan’s fascination with journeys

concealed within other journeys, all with a dizzying speed that jumps from epiphany to shimmering epiphany. From the New York Times–bestselling author of *Oranges Are Not the Only Fruit* and *Why Be Happy When You Could Be Normal?*, *Sexing the Cherry* is “a mixture of *The Arabian Nights* touched by the philosophical form of Milan Kundera and told with the grace of Italo Calvino” (San

Francisco Chronicle).
 “Those who care for fiction that is both idiosyncratic and beautiful will want to read anything [Winterson] writes.” —The Washington Post Book World
[Erotica](#)
 Random House Australia
 “An immensely entertaining novel” (Tor.com)
 from the author of *The Thousand Names... The King of the Vordan* is on his deathbed. Soon his daughter,

Raesinia will be the first Queen Regnant in centuries—and a target for those who seek to control her. The most dangerous is Duke Orlanko, Minister of Information, and master of the secret police. He is the most feared man in the kingdom, and he knows an arcane secret that puts Raesinia completely at his mercy. But Raesinia has found unlikely allies in the returning war hero Janus bet Vhalnich, and

his loyal deputies, Captain Marcus d’Ivoire and Lieutenant Winter Ihernglass. As Marcus and Winter struggle to find their places in the home they never thought they would see again, they help Janus and Raesinia set in motion events that could shatter Orlanko’s powers, but perhaps at the price of throwing the nation into chaos. But with the people

suffering under the Duke's tyranny, they intend to protect the kingdom with every power they can command, earthly or otherwise. *The Stone Gods* Simon and Schuster In this book, scholars, students and aficionados of Jeanette Winterson will find ten analyses of time, space and narrative in her works. From her very first novel, *Jeanette* Winterson has made her characters

move in time and in space, and she has always shown a sophisticated interest in narrative forms, and this is the first book to focus entirely on these central concerns. The writers of the essays provide different perspectives on the three subjects, from postmodernism to quantum physics, queer theory to genre studies and the uncanny to stylistics. In its section on time and narrative, the

volume offers a fresh approach to Winterson's works, with a concentration on autobiographical elements, love, desire, the language of quantum physics, and the queer uncanny. The next section, space and narrative, pursues the motifs of journeys, utopic spaces, cyberspace and labyrinths, and includes a chapter on the shorter fiction. The last section, which comprises essays that

cover all three elements of time, space and narrative equally, examines these themes as they affect Winterson's representation of voices and corporeality, and her use of romance narrative in the children's fiction. The volume covers Winterson's major fiction, with the Introduction connecting the images of huts, rivers and fire-gazing that are found extensively in her works to the themes of time and

space, and bringing the discussion up to Winterson's latest novel, *The Stone Gods*. A mixture of established and new scholars presents in this book an exciting array of the latest ideas on this respected and popular writer.

Essays on Theory, Fiction and Film

Sexing the Cherry
This is the first full-length study of Jeanette Winterson's complete oeuvre, offering detailed

analysis of her nine novels as well as addressing her non-fiction and minor fictional work. Susana Onega combines the study of formal issues such as narrative structure, perspective and point of view with thematic analyses approached from a variety of theoretical perspectives, from narratology and feminist theory to Hermetic and Kabalistic symbolism, to provide a comprehensive

e 'vertical' analysis of Winterson's novels. *Onega* reveals the books as complex linguistic artefacts, crammed with intertextual echoes. She demonstrates the inseparability of form and meaning within Winterson's work, and positions her within the wider context of contemporary British fiction alongside fellow visionaries such as Peter Ackroyd, Maureen Duffy

and Marina Warner. 12 Bytes Bloomsbury Publishing *Oranges Are Not the Only Fruit*, Jeanette Winterson's delectable first novel, announced the arrival of 'a fresh voice with a mind behind it,' as Muriel Spark has written. 'She is a master of her material, a writer in whom great talent deeply abides'--and her reputation and accomplishment have grown with each of her five subsequent

novels. Now, with her first collection--seventeen stories that span her entire career--Jeanette Winterson reveals all the facets of her extraordinary imagination. Whether transporting us to bizarre new geographies--a world where sleep is illegal, an island of diamonds where the rich wear jewelry made of coal--or revealing so perfectly, so exactly, the joy and pain of owning a brand-new dog, she

<p>proves herself a master of the short form. For her readers, a celebration-- and for everyone else, a wonderful introduction to this highly original and consistently daring writer, who has become 'one of our most brilliant, visionary storytellers' (San Francisco Chronicle)</p> <p><u>Love in Jeanette Winterson's Novels</u> Vintage Classic Do you understand the meaning of life? asked</p>	<p>Gloria. She knew that everyone sought this mysterious meaning because it was in all the magazines. Every month there was an article on how to be fulfilled and what to invest in when you were... <u>A Novel</u> Grove/Atlantic, Inc. Seminar paper from the year 2007 in the subject English Language and Literature Studies - Literature, grade: 1,3, University of Erfurt, 9 entries in the</p>	<p>bibliography, language: English, abstract: "[A]s it says [we] lived happily ever after. We did, but not with our husbands" (SC 48). By this surprising statement, the twelve dancing princesses introduce themselves in Jeanette Winterson's novel Sexing the Cherry. The main character Jordon, willing to discover the mysterious world of women, gets to know the individual</p>
--	---	--

story of every princess and is confronted with their different destinies. Unlike traditional fairy tales, these princesses have decided against life with their royal husbands, but freed themselves from patriarchal restrictions. In this term paper I want to discuss the rewriting of The Twelve Dancing Princesses in Sexing the Cherry. Special attention will

be paid on the princesses' individual development after marriage. I am going to support my thesis that the rewriting of the fairy tale describes a process of emancipation from stereotypical passive female roles towards female self-determination. This process includes the use of violence and a questioning of heterosexuality as well as an explicit turn towards different types of sexuality,

e.g. homosexuality /lesbianism. I will not only focus on Winterson's novel, but also on the original Grimm's tale, that will be looked at from a feminist point of view. A comparison of the fairy tale and Winterson's version prefaces the analysis of the rewriting from the two important aspects of violence and homosexuality .
The Passion
 Jonathan Cape
 The Whitbread
 Prize-winning
 author of

Oranges Are Not the Only Fruit delivers a novel that “transports us to something like the future of our own planet” (The Washington Post Book World). On the airwaves, all the talk is of the new blue planet—pristine and habitable, like our own was sixty-five million years ago, before we took it to the edge of destruction. Off the air, Billie Crusoe and the renegade Robo sapien Spike are falling in love.

Along with Captain Handsome and Pink, they’re assigned to colonize the new blue planet. But when a technical maneuver intended to make it inhabitable backfires, Billie and Spike’s flight to the future becomes a surprising return to the distant past—“Everything is imprinted forever with what it once was.” What will happen when their story

combines with the world’s story? Will they—and we—ever find a safe landing place? Playful, passionate, polemical, and frequently very funny, The Stone Gods will change forever the stories we tell about the earth, about love, and about stories themselves. “Scary, beautiful, witty and wistful by turns, dipping into the known past as it explores potential futures.”
—The New

York Times

Why Be Happy
When You
Could Be
Normal? is a
“singular and
electric”
memoir about
a life’s work to
find happiness
(The New York
Times). It is a
book full of
stories: about

a girl locked out of her home, sitting on the doorstep all night; about a religious zealot disguised as a mother who has two sets of false teeth and a revolver in the dresser, waiting for Armageddon; about growing up in a north England industrial town now changed beyond recognition; about the universe as a cosmic dustbin. It is the story of how a painful past, rose to haunt the author later in

life, sending her on a journey into madness and out again, in search of her biological mother. It is also a book about the power of literature, showing how fiction and poetry can form a string of guiding lights, or a life raft that supports us when we are sinking. Witty, acute, fierce, and celebratory, *Why Be Happy When You Could Be Normal?* is a tough-minded story of the search for

belonging—for love, identity, home, and a mother. *From the Bestselling Author of Late in the Day* Cambridge Scholars Publishing The highwire artist of the English novel redraws the romantic triangle for the post-Einsteinian universe, where gender is as elastic as matter, and any accurate Grand Unified Theory (GUT) must encompass desire alongside electromagnetism and

gravity. One starry night on a boat in the mid-Atlantic, Alice, a brilliant English theoretical physicist, begins an affair with Jove, her remorselessly seductive American counterpart. But Jove is married. When Alice confronts his wife, Stella, she swiftly falls in love with her, with consequences that are by turns horrifying, comic, and arousing. Vaulting from Liverpool to New York, from alchemy to string theory, and from the spirit to the flesh, Gut Symmetries is a thrillingly original novel by England's most flamboyantly gifted young writer. "Winterson is unmatched among contemporary writers in her ability to conjure up new-world wonder...A beautiful, stirring and brilliant story."--Times Literary Supplement "Dazzling for [its] intelligence and inventiveness. ..[Winterson] is possessed of a masterly command of the language and a truly pliant imagination."--Elle "One of our most brilliant, visionary storytellers."--San Francisco Chronicle *Transgressing Boundaries in Jeanette Winterson's Fiction* Rodopi A novel of a 21st century dystopia where urbanization has reached its limits. Love Brill Rodopi

A collection of fiction, poetry, drama, songs, and letters arranged under various themes highlight women's erotic writing through the ages
