The pathbreaking investigation into motherhood and womanhood from an influential and enduring feminist voice, now for a new generation. In *Of Woman Born*, originally published in 1976, influential poet and feminist Adrienne Rich examines the patriarchic systems and political institutions that define motherhood. Exploring her own experience—as a woman, a poet, a feminist, and a mother—she finds the act of mothering to be both determined by and distinct from the institution of motherhood as it is imposed on all women everywhere. A “powerful blend of research, theory, and self-reflection” (Sandra M. Gilbert, *Paris Review*), *Of Woman Born* revolutionized how women thought about motherhood and their own liberation. With a stirring new foreword from National Book Critics Circle Award-winning writer Eula Biss, the book resounds with as much wisdom and insight today as when it was first written.

(Book Jacket Status: Not Jacketed) Chilean writer Isabel Allende's classic novel is both a richly symbolic family saga and the riveting story of an unnamed Latin American country's turbulent history. In a triumph of magic realism, Allende constructs a spirit-ridden world and fills it with colorful and all-too-human inhabitants. The Trueba family's passions, struggles, and secrets span three generations and a century of violent social change, culminating in a crisis that brings the proud and tyrannical patriarch and his beloved granddaughter to opposite sides of the barricades. Against a backdrop of revolution and counterrevolution, Allende brings to life a family whose private bonds of love and hatred are more complex and enduring than the political allegiances that set them at odds. The *House of the Spirits* not only brings another nation's history thrillingly to life, but also makes its people's joys and anguishes wholly our own.

If We Could Go Back Harper Collins

Divertidísima, adictiva y rebosante de opulencia, esta novela es una mirada indiscreta y bastante loca al mundo de los superricos asiáticos. Cuando la neoyorquina Rachel Chu acepta pasar el verano en Singapur con su novio, Nicholas Young, imagina un hogar familiar humilde y tiempo a solas con el

hombre con el que espera casarse. Pero Nick ha olvidado facilitar ciertos detalles a su novia. En primer lugar, que la casa en la que creció parece un palacio; segundo, que está más acostumbrado a viajar en aviones privados que en coche; tercero, que, aparentemente, es el hombre soltero más codiciado del país. Y, tan pronto como aterriza de su brazo, Rachel se da cuenta de que en ese mundo de riqueza inimaginable sus vacaciones acaban de convertirse en una delirante carrera de obstáculos. «Una arrebatadora comedia para adictos a las compras... Perversamente deliciosa.» *The New York Times* La crítica ha dicho: «Una comedia de enredos deliciosa.» *The Wall Street Journal* «Es imposible no verse atrapado por esta sátira sobre las lujosas vidas de una enorme familia de entrometidos y su infinita colección de Louboutin.» *Glamour* «Una sátira con reminiscencias de *Orgullo y prejuicio*.» *People Magazine* «Si no es el libro más divertido del año, está muy cerca de serlo.» *The Denver Post* «Deliciosamente decadente... Una lectura de 48 quilates totalmente enloquecida.» *Entertainment Weekly* «Una novela quees como una versión aumentada de *Dinastía*, con más jets privados, mansiones más grandes y mucho más dinero.» *Vanity Fair* «Kevin Kwan acierta en todo en esta novela de debut impregnada de romanticismo y que chorrea dinero.» *Daily Candy* «Mordazmente divertida.» *Vogue* «Imagina que Jane Austen viajara a Singapur y allí escribiera esta animada y entretenida novela.» *Kirkus Reviews*

Tender Is the Flesh First Avenue Editions™

From the winner of the first Lannan Prize for Cultural Freedom, a biting funny, kaleidoscopic vision of the first world through the eyes of the third Eduardo Galeano, author of the incomparable *Memory of Fire* Trilogy, combines a novelist's intensity, a poet's lyricism, a journalist's fearlessness, and the strong judgments of an engaged historian. Now his talents are richly displayed in *Upside Down*, an eloquent, passionate, sometimes hilarious exposé of our first-world privileges and assumptions. In a series of lesson plans and a "program of study" about our beleaguered planet, Galeano takes the reader on a wild trip through the global looking glass. From a master class in "The Impunity of Power" to a seminar on "The Sacred Car"--with tips along the way on "How to Resist Useless Vices" and a declaration of "The Right to Rave"--he surveys a world unevenly divided between abundance and deprivation, carnival and torture, power and helplessness. We have accepted a reality we should reject, Galeano teaches us, one where machines are more precious than humans, people are hungry, poverty kills, and children toil from dark to dark. A work of fire and charm, *Upside Down* makes us see the world anew and even glimpse how it might be set right. "Galeano's outrage is tempered by intelligence, an ineradicable sense of humor, and hope." -*Los Angeles Times*, front page

Un domingo por la tarde en el sur de California, Bert Cousins aparece sin invitación previa en la fiesta del bautizo de Franny Keating. Antes de terminar el día, ha besado ya a la madre de Franny, Beverly, y ha puesto en marcha la disolución de dos matrimonios y la unión de dos familias. "Comunidad" explora los ecos que este encuentro fortuito despierta a lo largo de cinco décadas en la vida de los cuatro progenitores y los seis hijos involucrados. Los niños Keating y Cousins pasan los veranos juntos en Virginia, donde forjan un vínculo duradero basado en la desilusión respecto a sus padres y el afecto extraño y sincero que crece entre ellos. Cuando Franny, a los veinte años de edad, comienza una relación con el legendario autor Leon Posen y le habla de su familia, la historia de sus hermanos deja de pertenecerle. La infancia de Franny se convierte en la base de un libro de gran éxito de Posen, lo que termina por llevarlos a aceptar sus pérdidas, sus sentimientos de culpa y el vínculo profundamente leal que sienten entre sí. Contada con tanto humor como desgarró, "Comunidad" es una reflexión sobre la inspiración, la interpretación y la propiedad de las historias. Es un relato tierno y brillante basado en los grandes lazos del amor y la responsabilidad que nos unen.

In the Time of the Butterflies SUMA

Celebrating its 30th anniversary in 2024, internationally bestselling author and literary icon Julia Alvarez's *In the Time of the Butterflies* is "beautiful, heartbreaking and alive ... a lyrical work of historical fiction based on the story of the Mirabal sisters, revolutionary heroes who had opposed and fought against Trujillo." (Concepción de León, *New York Times*) Alvarez's new novel, *The Cemetery of Untold Stories*, is coming April 2, 2024. Pre-order now! It is November 25, 1960, and three beautiful sisters have been found near their wrecked Jeep at the bottom of a 150-foot cliff on the north coast of the Dominican Republic. The official state newspaper reports their deaths as accidental. It does not mention that a fourth sister lives. Nor does it explain that the sisters were among the leading opponents of Gen. Rafael Leónidas Trujillo's dictatorship. It doesn't have to. Everybody knows of *Las Mariposas*—the Butterflies. In this extraordinary novel, the voices of all four sisters—Minerva, Patria, María Teresa, and the survivor, Dedé—speak across the decades to tell their

own stories, from secret crushes to gunrunning, and to describe the everyday horrors of life under Trujillo's rule. Through the art and magic of Julia Alvarez's imagination, the martyred Butterflies live again in this novel of courage and love, and the human costs of political oppression. "Alvarez helped blaze the trail for Latina authors to break into the literary mainstream, with novels like *In the Time of the Butterflies* and *How the García Girls Lost Their Accents* winning praise from critics and gracing best-seller lists across the Americas."—Francisco Cantú, *The New York Times Book Review* "This Julia Alvarez classic is a must-read for anyone of Latinx descent." —Popsugar.com "A gorgeous and sensitive novel . . . A compelling story of courage, patriotism and familial devotion." —People "Shimmering . . . Valuable and necessary." —Los Angeles Times "A magnificent treasure for all cultures and all time." —St. Petersburg Times "Alvarez does a remarkable job illustrating the ruinous effect the 30-year dictatorship had on the Dominican Republic and the very real human cost it entailed."—Cosmopolitan.com

My sister asked me if I could stand the sight my own reflection, if I'd caused enough damage yet, but I didn't see myself when I looked into the mirror. I saw Kieran standing behind me, pressing a kiss to my shoulder while he undid my belt. I saw everything I wanted that I couldn't have. Not unless I was prepared to hurt everyone around me. Kieran was in a similar situation. Were we monsters or men? Were they one and the same? Did we give a flying f-hell. We did care. Just not enough to stop, not enough to walk away, and I knew we constantly asked ourselves the same question because of it. If we could go back to when we met on the train...if we could erase the deceit, erase our first hello...would we?

Garrincha was the unlikeliest of footballers - with a right leg that turned inwards and a left that turned out, he looked as if he could barely walk, but with a ball at his feet he had the poise of an angel. He played for the love of the game, uninterested in money, and ignoring tactical advice. And he was as wild off the pitch as he was mesmerizing on it - mischievous, audacious and dripping with sex appeal. It was his affair and subsequent marriage to the singer Elza Soares that caught the imagination of a nation and samba made them the toast of 1960s Rio. But by the age of forty-nine, Garrincha was dead, destroyed by the excesses that made him so compelling."--Back cover.

Though he's aware that any form of personal contact is forbidden on pain of death, little by little he starts to treat her like a human being. And soon, he becomes tortured by what has been lost—and what might still be saved.

Marriage and Morals in Islam Editorial Almuzara

An extraordinary look at an ordinary day—June 16, 1904—in the life of a middle-aged Jewish man living in Dublin, Ireland. Leopold Bloom, who is sure that his wife is being unfaithful, must come to terms with how that affects their marriage and whether it changes the nature of their love for one another. Richly detailed stream-of-consciousness narration immerses the reader in the thoughts and emotions of the characters as they deal with the normal events of daily life in Dublin, as well as grander issues like sexuality, prejudice, birth, and death. This is an unabridged version of Irish author James Joyce's groundbreaking modernist tale, which parallels Homer's *Odyssey*. It was first

published serially in the American journal *The Little Review* between 1918 and 1921, and published in novel form in 1922 in Paris.

Haunted all her life by feelings of terror and emptiness, forty-nine-year-old Urania Cabral returns to her native Dominican Republic - and finds herself reliving the events of 1961, when the capital was still called Trujillo City and one old man terrorized a nation of three million. Rafael Trujillo, the depraved ailing dictator whom Dominicans call the Goat, controls his inner circle with a combination of violence and blackmail. In Trujillo's gaudy palace, treachery and cowardice have become a way of life. But Trujillo's grasp is slipping. There is a conspiracy against him, and a Machiavellian revolution already underway that will have bloody consequences of its own. In this 'masterpiece of Latin American and world literature, and one of the finest political novels ever written' (Bookforum), Mario Vargas Llosa recounts the end of a regime and the birth of a terrible democracy, giving voice to the historical Trujillo and the victims, both innocent and complicit, drawn into his deadly orbit.

Jerusalén es, a la vez, la capital de un poder político, objetivo de mil batallas, conquistas y destrucciones a lo largo de los siglos, y la ciudad santa de tres religiones: el lugar destinado a ser el escenario del Juicio Final profetizado por el Apocalipsis. Simon Sebag Montefiore ha logrado el prodigio de evocar en estas páginas sus tres mil años de historia, contados a través de las vidas de quienes los protagonizaron, en una nómina que incluye reyes, políticos, conquistadores o profetas, de Salomón a Lawrence de Arabia, pasando por Abraham, Jesús o Mahoma, por Saladino, los cruzados, Suleimán el Magnífico o Winston Churchill, sin olvidar a la infinidad de hombres y mujeres comunes que han vivido, amado, sufrido o luchado en sus calles.
